

Gravity

Isaac Newton was the man,
An apple fell so he made a plan,
To discover what makes all things fall,
From a feather to a cannon ball!

Gravity is a great big pull,
It pulls things together, that's the rule.
The bigger the object, the stronger the force,
That's what keeps us on Earth of course!

Without gravity I could jump high,
But I wouldn't stop, I'd just zoom through the sky!
I'd be like a rocket in outer space,
And I'd be far away from my earthly base!

And why,
From the sky.
This notion,
Downward motion?

Attracts,
Are the facts.
Under the pull,
What is the rule?

At in the air,
Without a care!
It's flying around,
The ground!

Gravity Poems:

Gravity John Minczeski, 1991 *The Art of Gravity* Jay Rogoff, 2011-09-09 George Balanchine one of the twentieth century's foremost choreographers strove to make music visible through dance In *The Art of Gravity* Jay Rogoff extends this alchemy into poetry discovering in dancing from visionary ballets to Lindy hopping at a drunken party the secret rhythms of our imaginations and the patterns of our lives The poems unfold in a rich variety of forms both traditional and experimental Some focus on how Edgar Degas's paintings expose the artifice and artistic self-consciousness of ballet while paradoxically illuminating how it creates rapture Others investigate dance's translation of physical gesture into allegorical mystery especially in Balanchine's matchless works Rogoff pays tribute to superb dancers who grant audiences seductive glimpses of the sublime and to all of us who find in dance a redemptive image of ourselves The poet reveals dance as an art of gravity in the illusory weightlessness of a dance that ends in mid air in the clumsiness of a Latin dance class's members tripping over each other in the high school gym and in the exploration of ultimate Gravity a sonnet sequence titled *Dances Macabres* Ultimately Rogoff confronts with unflinching precision the dark consummation of all our dancing **Gravity** Elizabeth Rosner, 2026-03-03 A profound work of true beauty and mystery Luis Alberto Urrea A fearless work from the prize-winning acclaimed author composed over a period of some twenty years Gravity is Elizabeth Rosner's profoundly searching account of her experience as the daughter of Holocaust survivors Composed over a period of some twenty years Gravity is Elizabeth Rosner's profoundly searching account of her experience as the daughter of Holocaust survivors In an extraordinarily powerful mix of poetry and prose Rosner traces the earliest remembered resonances of her parents' past and her dawning awareness of the war history that colored her family home during her youth in Schenectady New York She recounts her false starts in raising the subject with her father a survivor of Buchenwald concentration camp his piecemeal revelations and their eventual travels together to the sites of the nightmare in Germany And she evokes courageously and heart-wrenchingly her search for identity against the gravitational pull of her parents' experience and the traditional upbringing they've given her Like Rosner's celebrated novels Gravity plumbs the deep complexities of inherited grief but here the author discloses with breathtaking candor and sensitivity what it felt like to grow up inside my family Also featuring spellbinding artwork by Lola Fraknoi these astonishing pages remind us that history happens at home and that the past is something we all embody knowingly or not **Gravity** Teresa Mei Chuc, 2015-04-05 A chapbook collection of twenty-six poems written by Teresa Mei Chuc for Earl The title of the chapbook Gravity is named after the first poem Teresa wrote for Earl in 2007 **Gravity** Donna Hilbert, 2018 Poetry Donna Hilbert's poems are brave unsparing and heartfelt revealing a woman's life in a way that is universal Her voice is confident and dodges nothing Her poems don't waste a word One wants to say Yes One wants to say Sister Joan Colby It makes sense that Donna Hilbert's GRAVITY NEW AND SELECTED POEMS begins with an epigraph from Wallace Stevens After all like Stevens Hilbert's supreme gift as a poet is to locate in everyday domesticity a young mother

preparing breakfast for her children two lovers sitting on the patio and reading the newspaper a spiritual beauty that reminds us of the abiding mysteries of the universe All of which means that this is a collection guaranteed to make us look again at the world we inhabit and to remind ourselves that as Hilbert writes all that is lost in winter each spring returns to claim Kareem Tayyar *Gravity, U.S.A.* Jacqueline Jones LaMon, 2006 Poetry Kevin Young says of GRAVITY U S A With her debut Jacqueline Jones LaMon graces us with a collection both introspective and out of body her poems taking on the weight of the everyday world and the extraordinary within it GRAVITY U S A is not just a book filled with subtle sorrowful and ultimately brazen power but a place where you ll want to visit and stay and Dorianne Laux writes LaMon s poems are packed with sharp detail street parlance and jazzy riffs The stuff of real lives Greetings to a bright new voice Jacqueline Jones LaMon is currently Assistant Professor of English at Adelphi University New York GRAVITY U S A is the winner of the Quercus Review Poetry Series Annual Book Award 2005 **Coping with Gravity** Maxine Clair, 1988 **Zero Gravity** Eric Gamalinda, 2016-08-01 Winner of the 2000 Asian American Literary Award for Poetry **Strange Gravity** Lisa Rhoades, 2004 Poetry A visionary and imaginative poetry collection about ordinary people doing ordinary things These poems are written with a sure yet vulnerable touch inviting the reader to join the writer in savoring life s daily intimacies harsh as they may sometimes be Chosen by Elaine Terranova as winner of the Bright Hill Press Poetry Book Award **Tender Gravity** Marybeth Holleman, 2022-08-09 tender gravity Marybeth Holleman s debut poetry collection charts a course of love loss and solace in her time spent rooted in the more than human world With praise poems echoing Mary Oliver and with expansive inclusivity reminiscent of Walt Whitman Holleman draws us so close into her wild world that we too feel that joy sap rising Against Gravity Donald E. Axinn, 1986 Poems consider gravity flight the clouds fire rain war art travel storms death and hope **Against Gravity** Donald E. Axinn, 1986 Poems consider gravity flight the clouds fire rain war art travel storms death and hope **A Question of Gravity and Light** Blas Falconer, 2007 It is rare to find contemporary American poetry that speaks to readers with engaging directness free of pretense or posturing That is exactly the kind of poetry that Blas Falconer writes In his first collection Falconer presents 46 poems that are emotionally forthright and linguistically evocative but written without affectation or subterfuge Although Falconer is formally trained and is aware of the structures and potential of both free verse and traditional poetic forms he crafts exquisite heartfelt poems that surprise us with their simple intensity Whether writing about the mysteries of childhood or the pleasures of cruising for gay sex in a metropolitan airport he surprises us with the delicacy of his touch never obvious or heavy handed As a gay man who embraces his Puerto Rican heritage Falconer stands at an edge of American society and there is the tension of borders in his work borders between peoples and nations as well as the less visible more porous and deceptive borders between family members and lovers There is not one point of view in these poems but many It is the quality of their observational power that binds them together Whether the setting is the hospital room of his dying grandfather or his own backyard teeming with garrulous tree

frogs Falconer transports us to the scene It is easy for us to imagine what he sees And we care deeply just as he does

Gravity Meighan Leigh,2009-06 Gravity is a collection of poetry that is not for the faint of heart It takes you from the heights of human elation to the depths of despair and unhappiness At points it is a progressive downward spiral and the emotions are palpable and then it picks you back up and fills you with hope The writer effectively conveys the ups and downs of life as a journey in a way that is easily relatable to most people This is a well rounded collection of deeply personal poems from Meighan Leigh sometimes engaging with the events of every day and sometimes with intellectual concepts These are moving and occasionally a little disturbing poems that sparkle with originality They have darkness in a poem like a Loss of Innocence Then the poem a Emissary of Love is limpid and musical One never ceases to be amazed at the fine new things that language can do a
