Cameron,Marcel Martel,Andrew W. McDougall,Robert C. Vipond,2017-10-31 Roads to Confederation surveys the way in which scholars from different disciplines writing in different periods viewed the Confederation process and the making of Canada Recognizing that Confederation has been traditionally defined as a process affecting only British North America s Anglophone and Francophone communities Roads to

Confederation offers a broader approach to the making of Canada and includes scholarship written over 145 years Volume 2 of this collection focuses on three major themes It presents research from the perspective of Canada's regions with one chapter focusing exclusively on the competing understandings of 1867 from the perspective of Quebec Next it includes material pertaining to the geopolitical underpinnings of 1867 that addresses the relationship between Confederation the U S Civil War and American expansionism Great Britain and war in the European theatre Also included is leading scholarship by Stanley B Ryerson Adele Perry Fernand Dumond Ian McKay and James W Daschuk that questions whether Confederation itself was a formative event Together with its companion volume this is an invaluable resource for those who wish to deepen their understanding of the historical foundations on which Canada rests
