Great And Good Work A History Of La:

1776-1876. A Century of Gospel-Work. A history of the growth of Evangelical Religion in the United States ... with ... illustrations W. F. P. NOBLE,1876 **Revival: A History of the Art of War in the Sixteenth Century (1937)** Charles, Sir. Oman,2018-03-29 In the beginning of the time period concerned we are still in the Middle Ages Flodden Field or Novara might almost have been fought in the fifteenth century At the end a formal battle like Nieuport might almost have been fought in the Thirty Years War This volume is the result of an attempt to sum up the fundamental alterations in the Art of War between 1494 and 1600 and is intended to serve as an outline of military theory and practice between those dates The Student's France, a History of France from the Earliest Times to the Establishment of the Second Empire in 1852 William Henley Jervis,1867 A History of Medicine Arturo Castiglioni,2019-01-15 Originally published in 1941 A History of Medicine provides a detailed and comprehensive guide to the advancement of medicine from Ancient Egypt and Ancient Babylonia all the way up to the 20th century The book looks at the close relationship between the progress of medicine and its advancement of civilization it covers the development of medicine from old magical rites religious creeds classical Hippocratism and revolutionary discoveries while looking at the associated economic intellectual and political conditions of life in different nations during different times The book provides an essential and detailed look at the rich history of medicine and how it has impacted society **A History of France** William Henley Jervis,1862 **A history of Chile** Anson Uriel Hancock,1893-01-01 A History of the Theatre Costume Business Triffin I. Morris,Gregory DL Morris,Rachel E. Pollock,2021-09-30 A History of the Theatre Costume Business is the first ever comprehensive book on the subject as related by award winning actors and designers and first hand by the drapers tailors and craftspeople who make the clothes that dazzle on stage Readers will learn why stage clothes are made today by whom and how They will also learn how today s shops and ateliers arose from the shops and makers who founded the business This never before told story shows that there is as much drama behind the scenes as there is in the performance famous actors relate their intimate experiences in the fitting room the glories of gorgeous costumes and the mortification when things go wrong while the costume makers explain how famous shows were created with toil tears and sweat and sometimes even a little blood This is history told by the people who were present at the creation some of whom are no longer around to tell their own story Based on original research and first hand reporting A History of the Theatre Costume Business is written for theatre professionals actors directors producers costume makers and designers It is also an excellent resource for all theatregoers who have marveled at the gorgeous dresses and fanciful costumes that create the magic on stage as well as for the next generation of drapers and designers

A History of France John Ronald Moreton-Macdonald,1915 A History of Fatigue Georges Vigarello,2022-10-14 Stress burn out mental overload the twentieth and twenty first centuries have witnessed an unrelenting expansion of the meaning of fatigue The tentacles of exhaustion insinuated themselves into every aspect of our lives from the workplace to the home from our relationships with friends and family to the most intimate aspects of our lives All around us are the signs of a burn out society a society in which fatigue has become the norm How did this happen This pioneering book explores the rich and little known history of fatigue from the Middle Ages to the present Vigarello shows that our understanding of fatigue the words used to describe it and the symptoms and explanations of it have varied greatly over time reflecting changing social mores and broader aspects of social and political life He argues that the increased autonomy of people in Western societies whether genuine or assumed the positing of a more individualized self and the ever expanding ideal of independence and freedom have constantly made it more difficult for us to withstand anything that constrains or limits us This painful contradiction causes weariness as well as dissatisfaction Fatigue spreads and becomes stronger imperceptibly permeating everything seeping into ordinary moments and unexpected places Ranging from the history of war religion and work to the history of the body the senses and intimacy this history of fatigue shows how something that seems permanently centered in our bodies has over the course of centuries also been ingrained in our minds in the end affecting the innermost aspects of the self
