war correspondents who were covering the conflict The bulge was a protuberance 50 miles wide and 70 miles deep in the American lines The Germans who had been in flight from the American invasion of Normandy were not supposed to be in the Ardennes region with its terrain deemed too difficult for tanks to move or soldiers to fight That deadly assumption left the Ardennes and the town of Bastogne insufficiently defended by 80 000 American soldiers most of whom had minimal battle experience Battle of Berlin The Battle of Berlin was a monumental battle between two adversaries who despised one another For the Russians who had endured the horrific suffering and loss of lives in defending their nation against the Nazi invasion the opportunity for vengeance seemed as if fate was on their side For the German civilians who remained in Berlin the approach of the Red Army invoked terror The Germans hoped that the Americans would reach them first they would have preferred to surrender to the Americans
