Great Canadian Literary Cookbook:

The Great Canadian Literary Cookbook Betty Keller, Sechelt Festival of the Written Arts, Gwendolyn Southin, 1994 A book devoted equally to good eating and good reading CBRA *Canadian Literary Fare* Nathalie Cooke, Shelley Boyd, 2023-05-15 When writers place food in front of their characters who after all do not need sustenance they are asking readers to be alert to the meaning and implication of food choices As readers begin to listen closely to these cues they become attuned to increasingly layered stories about why it matters what foods are selected prepared served or shared and with whom where and when In *Canadian Literary Fare* Nathalie Cooke and Shelley Boyd explore food voices in a wide range of Canadian fiction drama and poetry drawing from their formational blog series with Alexia Moyer Thirteen short vignettes delve into metaphorical taste sensations telling of how single ingredients such as garlic or ginger or food items such as butter tarts or bannock can pack a hefty symbolic punch in literary contexts A chapter on Canada's public markets finds literary food voices sounding a largely positive note just as Canadian journalists trumpet Canada's bountiful and diverse foodways But in chapters on literary representations of bison and Kraft Dinner Cooke and Boyd bear witness to narratives of hunger food scarcity and social inequality with poignancy and insistence *Canadian Literary Fare* pays heed to food voices in the works of Tomson Highway Rabindranath Maharaj Alice Munro M NourbeSe Philip Eden Robinson Fred Wah and more inviting readers to listen for stories of foodways in the literatures of Canada and beyond Canadian Culinary Imaginations Shelley Boyd, Dorothy Barenscott, 2022-03-30 In the twenty first century food is media it is not just on plates but in literature and on screens displayed in galleries studios and public places *Canadian Culinary Imaginations* provokes new conversations about the food related concepts memories emotions cultures practices and tastes that make Canada unique This collection brings together academics writers artists journalists and curators to discuss how food mediates our experiences of the nation and the world Together the contributors reveal that culinary imaginations reflect and produce the diverse bodies contexts places communities traditions and environments that Canadians inhabit as well as their personal and artistic sensibilities Arranged in four thematic sections Indigeneity and foodways urban suburban and rural environments cultural and national lineages and subversions of categories the essays in this collection indulge a growing appetite for conversations about creative engagements with food and the world at large As the essays and images in *Canadian Culinary Imaginations* demonstrate food is more than sustenance as language and as visual and material culture it holds the power to represent and remake the world in unexpected ways **Canadian Books in Print. Author and Title Index**, 1975 **Canadian Books in Print 2002** Edited by Butler Marian, Marian Butler, 2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses *The New Great American Writers Cookbook* Dean Faulkner Wells, 2009-10-20 Published in 1981 The Great American Writers Cookbook was a treasure

trove of recipes submitted by the country's most celebrated authors. This all new collection a fine follow up for a new era features recipes that range from peanut butter sandwiches to eggplant caviar with dishes and anecdotes offered by writers of every imaginable stripe ethnicity region and culture in America. Contemporary novelists such as National Book Award winners Jonathan Franzen and the late great Bernard Malamud share space with columnists Dave Barry P J O'Rourke and Christopher Buckley with journalists and novelists Andrei Codrescu Anna Quindlen and John Berendt and with poet and novelist Sandra Cisneros. The interspersing of recipes from older and younger generations reveals cookery as creatively diverse as the writings from David Guterson T C Boyle Elizabeth McCracken and former First Lady Barbara Bush. This unusually tangy assortment of more than 150 recipes runs the gamut from tofu to heart clogging chili. Writers play fast and loose with ingredients and forewarn readers planning to try them that some of the most seductive recipes are loaded with cholesterol. With such temptations as Thighs of Delight Crevettes D sir a sexy spaghetti sauce and a lemon icebox pie that allegedly elicits proposals of marriage the recipes and stories revealing their origins is enticing, bizarre and promisingly tasty. The collection gives particular emphasis to contemporary southern writers Padgett Powell Jack Butler Larry Brown Ellen Gilchrist and Josephine Humphreys among others although their recipes are often far from being quintessentially southern. Scintillating with writerly antics and witty histories as transfixing as the recipes themselves. **The New Great American Writers Cookbook** is not just for daring cooks. It's also a collector's item for food doting lovers of American literature. **Canadian Books in Print**, 2003

What's to Eat? Nathalie Cooke, 2009-09-01 How we as Canadians procure produce cook consume and think about food creates our cuisine and our nation of immigrant traditions has produced a distinctive and evolving repertoire that is neither hodgepodge nor smorgasbord. Contributors who come from the diverse worlds of universities museums the media and gastronomy look at Canada's distinctive foodways from the shared perspective of the current moment. Individual chapters explore food items and choices from those made by Canada's First Nations and early settlers to those made today. Other contributions describe the ways in which foods enjoyed by early Canadians have found their way back onto Canadian tables in the twentieth and twenty first centuries. Authors emphasize the expressive potential of food practices and food texts. Cookbooks are more than books to be read and used in the kitchen they are also documents that convey valuable social and historical information. **The Joy of Writing a Great Cookbook** Kim Yorio, 2015-05-12 With more than 20 years in publicity under her belt Kim Yorio has worked with the biggest names in the food world including Julia Child Jamie Oliver Ina Garten and Rachael Ray as well as esteemed brands like Calphalon Sur La Table Nudo Italia and Taste 5. time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
