Goscinski,2007-04 John S Goscinski THE STREET GAMBLE Hal Sweeny is streetwise as he is educated and has a passion for taking risks His biggest risk is walking away from the only life he d ever known and marrying out of his social class But when he hires on with Hkg Securities the prestigious New York Investment Banking firm owned by his father in law with whom he has an irreversible strained relationship he raises the stakes to a whole new level One morning three years into his newfangled life he finds himself demonized by the same cast of characters who make a business out of destroying other people s wealth Embroiled in

a world of trickery and deceit overflowing with consummate liars and at odds with his own moral conscience Hal must reach deep within himself to overcome his abiding sense of guilt and outwit a den of thieves where the stakes are higher than he ever bargained for It s the fall of 2002 and a bear market is raging out of control Beckman Corporation at the direction of its Investment advisor Hkg Securities is running a Street gamble which it thinks it can win But Hal Sweeny uncovers their game and must choose between family and career or standing up to the pervasive corruption on Wall Street gone unchecked with relative impunity for many years With the help of his assistant Mary Hal unweaves a web of corporate malfeasance spanning the far reaches of East Asia and the Caribbean and ending up on the gaming tables of Las Vegas Besides telling a capricious story of how stock holder equity is lured away in pursuit of internet gaming riches The Street Gamble does a masterful job drawing sleek comparisons between the risks investors face on Wall Street everyday and those taken by gamblers pressing their luck at the brick and mortar casinos around the world It also takes a well deserved critical look at some of Wall Street s despicable behavior that preceded the last bear market and the fraudulent wealth it helped create Grandpa's Words of Wisdom Stephen L. DeFelice M.D.,2021-06-04 Old timer physician Stephen L DeFelice with no holds barred describes to his grandchildren Olivia and Stephen Carlos how they are rapidly crossing the bridge from the traditional world into the cold controlling world of technology As a result we are all surrendering our privacy and freedom to others while puzzlingly there are few effective leaders to guide and protect us This book analyzes what people and governments are really like the dark side of technology and such subjects as our educational system the media our hate epidemic the sexual revolution evolution and the anti God movements as well as ways to adjust to this new unsettling world of technology He coined an interesting term The Internet Democracy as a major cause behind the dynamics fueling our chaotic technological based cultural explosion Dr DeFelice was born of Italian immigrant parents in 1936 in a home without a television or telephone and has had firsthand the unique privilege of personally observing and analyzing the power of increasing technology and its impact on our changing cultural values over four generations an opportunity that future historians will not have In 1976 he founded FIM the Foundation for Innovation in Medicine whose mission is to accelerate medical discovery www.fimdefelice.org *Fun with Grandpa* Giuseppe Di Loreto,2021-10-15 I would like to celebrate the two periods of our lives in which we are most vulnerable childhood and old age the first rich of curiosity and hope and the second rich in experience and wisdom I would like to plead from the civilized world more consideration and more patience toward our children and our seniors And most of all we should demand from our legislators more severe and public punishment for those who abuse them psychologically and physically in schools churches and nursing homes I would cut the hand that hits a child or an elderly person We should on the contrary find ways to improve conditions of their arrival in this world and the season of their farewell A society is judged by what it does for its kids its grandparents and its prisoners *The Fluffys* Charles Davis,2006-12 Bruce Russett is one of America s leading international relations scholars In this collection of his essays some classics and some new and
