music festival Jess was supposed to go to Jess can't help her paranoia about Fred working overtime If Jess isn't careful her worries are going to completely spoil her much wanted visit to her dad But when she gets there it turns out that everybody has a surprise for each other Needless to say some work out better than others In this sequel Sue Limb has surpassed herself The writing is still fresh funny and effervescent but at the same time Sue has captured the difficult prickly but above all loving relationship between a daughter and her parents
