*How to Get a PhD: a Handbook for Students and Their Supervisors 7e* Estelle Phillips, Colin Johnson, 2022-08-18. A fresh update to a true classic. This is one of the most reassuring and useful books you will ever read about doing your PhD, no matter your topic or where you are enrolled.

Professor Inger Mewburn, Director of Researcher Development Office of the Dean of Higher Degree by Research, The Australian National University, Canberra, Australia. How to get a PhD is both honest and thorough and thus immensely helpful for supervisors as much as for students.

Professor Paul Allain, Dean of the Graduate and Researcher College, University of Kent, UK. The 7th edition of *How to get a PhD* is proving its status as a must-read for PhDs and supervisors.

Dr Hans Sonneveld, Founder and Board member, Netherlands Centre of Expertise for Doctoral Education. *How to Get a PhD 7e* provides a practical and realistic approach for all students who are embarking on a PhD. In addition, supervisors will find invaluable tips on their role in the process, good supervisory practices, and how to support students to work effectively.

Thoroughly revised and updated throughout, the seventh edition provides an overview of what it means to undertake a PhD within a modern university, exploring both the challenges and rewards of a doctoral degree, including contemporary challenges for students, including transgender issues, sexual harassment, and exploitation within the academic environment. Time demands the balance of academia and paid work, and the uncertainty of academic careers, and how this can impact students' mental health. Academic debates surrounding the increased importance of technology and open access. Emphasising diversity with an increased focus on how students, supervisors, and universities can work together to make a more effective and welcoming academic environment.

The new edition is structured so that users can find the section that will help the specific stage of their work. With practical guidance through the application process, research viva, and post-viva, this book supports PhD students of all disciplines across their journey and beyond, including part-time, those returning to study, and those who are practice-based.

Estelle M. Phillips has enjoyed a long career as an academic and independent educational consultant. She has published widely on various aspects of the PhD and has spoken at universities on four continents about the skills required to complete and supervise a PhD.

Colin G. Johnson is an associate professor at the University of Nottingham and was formerly Associate Dean for Graduate Studies in the sciences at the University of Kent. He is an experienced PhD supervisor and examiner and has led training courses for new PhD students and advised on postgraduate strategy for a number of universities.

Professor Derek S. Pugh, 1930-2015, was Emeritus Professor of International Management of the Open University.

Business School UK He published 17 books and over 100 papers in his field and had considerable experience in the design of doctoral programmes and the successful supervision and examination of PhD students      **EBOOK: How to Get a PhD: A Handbook for Students and their Supervisors** Estelle Phillips,Derek Pugh,2015-08-16 It provides a practical down to earth and realistic approach to studying for a PhD and offers support and reassurance for both students and supervisors This brand new sixth edition has been thoroughly updated and revised throughout and includes New material on how PhD students can make use of online forums social media online survey tools and other technologies throughout the PhD process A new Chapter 10 Some challenges you may encounter throughout your PhD includes practical advice for tackling prejudice and dealing with the pressures that can face early career researchers Expanded material on avoiding plagiarism and poor academic practice and increased coverage of issues faced by part time PhD students The book retains its focus on delivering clear and practical advice including tips for writing proposals and applying for funding managing your time writing an engaging PhD and handling the viva Long regarded as the PhD bible this edition is brought right up to date for today's student retaining the straightforward and practical approach that has made it indispensable for students and supervisors across all academic disciplines How to Get a PhD stands out in the field due to its breadth and comprehensiveness Whilst studying for a PhD I bought several of these types of books I wish instead I had saved my money and simply bought How to Get a PhD I would recommend this for any PhD students for anyone thinking about studying for a PhD or indeed for new PhD supervisors David Wilkins Senior Research Fellow Tilda Goldberg Centre University of Bedfordshire UK A thoroughly useful book to recommend to students and prospective students to help guide them through the practicalities of achieving a PhD Dr Russ Grant University of York UK and independent postgraduate teaching consultant      [The Grants Register 2003](#) ,2002
