Grapes Into Wine The Art Of Winemaking In America:

Grapes into Wine Philip M. Wagner, 2011-04-13 As the first to write a basic book in English on winemaking from the winemaker's point of view Philip Wagner has long been considered an authority on the subject and his book *American Wines and Wine Making* has become a bible for small producers and home winemakers in this country Now in this completely new version of that classic Mr Wagner takes into account the many dramatic changes that in recent years have revolutionized the American wine scene With the knowledge that comes from his own experimentation Mr Wagner discusses the new successful hybrids that have now made it possible to grow wine producing grapes in far more areas of the United States than used to be considered feasible Once again he covers all the basic technical information including recent developments important to the small commercial winery and to the home producer from the choice of the right vines to the vintage itself the care of the new wines and finally the bottling of the wine red white and ros sparkling and sweet There is a new chapter on concentrates for the growing number of people who want to make wine but are not close to a source for suitable grapes or haven't the space to work with fresh materials Mr Wagner describes what concentrates are how they are made what the characteristics are of different types and what to expect There are specific instructions on procedure and on the necessary and unnecessary equipment In addition Philip Wagner's introductory chapters on the evolution of the wine grape on European winegrowing and on the contemporary scene throughout the United States provide an excellent guide for the consumer as does his concluding chapter on tasting and using wine Peppered throughout with a wealth of historical and anecdotal material as well as down to earth experience and full of the author's appreciation of wine and winemaking as a way of life this book is not only a useful guide but delightful and rewarding reading

The Way to Make Wine Sheridan Warrick, 2010-04-01 Geared to everyday wine lovers who want to drink well save money and impress their friends this book reveals everything needed to make delicious wines both reds and whites from start to finish A new preface on the new trend and options in home winemaking update this edition

Grape Man of Texas Roy Renfro, 2008-10-01 *Grape Man of Texas* is the first biography of Thomas Volney Munson 1843-1913 the internationally recognized horticulturist who developed over 300 new varieties of grapes some of which are still grown today on almost every continent He is perhaps best known for his work in fighting the phylloxera epidemic of the late nineteenth century which nearly destroyed the world's vineyards His solution grafting vinifera onto certain resistant native rootstocks from Texas earned him the Chevalier du Merite Agricole in the French Legion of Honor and numerous accolades This second edition introduces new insights into the phylloxera period Munson's many papers and publications and his far sighted grasp of the needs of twentieth century agriculture and transportation It details the continuing influence of both his research and his hybrid grapes on modern viticulture and new varieties of vitis that have been bred from them around the world

Napa James Conaway, 2002 James Conaway's remarkable bestseller delves into the heart of California's lush and verdant Napa Valley also known as America's Eden Long the source of succulent grapes

and singular wines this region is also the setting for the remarkable true saga of the personalities behind the winemaking empires This is the story of Gallos and Mondavis of fortunes made and lost of dynasties and destinies In this delightful full bodied social history James Conaway charts the rise of a new aristocracy and in so doing chronicles the collective ripening of the American dream More than a wine book Napa is a must read for anyone interested in our country s obsession with money land power and prestige [An Introduction to the Bureau of Alcohol, Tobacco, and Firearms and the Regulated Industries](#),1984 *A Sense of Place* Steven Kolpan,2013-02-01 In *A Sense of Place* renowned wine expert and writer Steven Kolpan tells the story of how Francis Ford Coppola brought California s most distinguished and historic vineyard back to life Gustave Niebaum s Inglenook Estate started in 1879 was one of the Napa Valley s first established vineyards and the birthplace of its premium wine industry Generations after Niebaum s death the vineyard was sold to Heublein the wine and spirits monolith who broke up the land and changed the Inglenook brand from a premium connoisseur wine to a mass market jug wine In 1975 Francis Coppola bought the Niebaum residence and the surrounding estate Along with the original estate s reputation he also brought back some of its original workers including Rafael Rodriguez who in h is late seventies now serves as the vineyard manager and historian Coppola overcame naysayers red tape and financial turmoil to reestablish the winery as a defender of quality producing wine under four different labels including the revered wine Rubicon In 1995 Coppola purchased the Inglenook Chateau and its adjacent vineyards fulfilling his dream of reuniting the original Napa Valley estate Kolpan s luscious flavorful narrative is worth enjoying now and keeping for later [An Introduction to the Bureau of Alcohol, Tobacco, and Firearms and the Regulated Industries](#) United States.
