Nick Felder,2005-07-14 Every industry has its standard professional directory advertising has its Black Book manufacturing  
its Thomas s Register except that is for architecture and design and construction While there are dozens of smaller  
directories each addressing a specific market niche none speak to all three industries in a comprehensive way And larger  
product directories like Sweets are advertising driven and therefore incomplete Felder s Comprehensive is the first pan  
industry guide of its kind and it is many times more comprehensive than the nearest competitor It is an annual desk  
reference directory and product source guide with more reference information than any other title currently available It  
contains thousands of listings of time sensitive and timeless reference information for anyone involved in the business or  
practice of architecture design design build construction interior design facility management and real estate development  
For example readers can find listings for more than 12 000 manufacturers of furnishings fixtures equipment and materials  
listed alphabetically and most importantly by product category Felder s also lists design competitions domestic and  
international trade shows trade publications and other media trade associations professional organizations and more Most  
sections are indexed and cross referenced for easy referral and identification Felder s is the first truly comprehensive  
reference guide of its kind for the A E C marketplace and is certain to become the industry standard      **Graphis New**
