Grasping Land Space And Place In Contemporary Israeli Discourse And Experience:

Grasping Land Eyal Ben-Ari, Yoram Bilu, 1997-02-20 Examines the discourses and experiences associated with space and place in contemporary Israel The Military and Militarism in Israeli Society Edna Lomsky-Feder, Eyal Ben-Ari, Professor

Eyal Ben-Ari, 1999-01-01 Investigates the cultural and social constructions of issues related to war the armed forces and national security in Israel **Contemporary Alternative Spiritualities in Israel** Shai Feraro, James R. Lewis, 2016-11-09

This volume is the first English language anthology to engage with the fascinating phenomena of recent surges in New Age and alternative spiritualities in Israel Contributors investigate how these New Age religions and other spiritualities produced in Western countries within predominantly Protestant or secular cultures transform and adapt themselves in Israel The volume focuses on a variety of groups and movements such as Theosophy and Anthroposophy Neopaganism Channeling Women's Yoga the New Age festival scene and even Pentecostal churches among African labor migrants living in Tel Aviv Chapters also explore more Jewish oriented practices such as Neo Kabbalah Neo Hassidism and alternative marriage ceremonies as well as the use of spiritual care providers in Israeli hospitals In addition contributors take a close look at the state's reaction to the recent activities and growth of new religious movements *Dwelling in Conflict* Emily

McKee, 2016-02-10 Land disputes in Israel are most commonly described as stand offs between distinct groups of Arabs and Jews In Israel's southern region the Negev Jewish and Bedouin Arab citizens and governmental bodies contest access to land for farming homes and industry and struggle over the status of unrecognized Bedouin villages Natural immutable divisions both in space and between people are too frequently assumed within these struggles *Dwelling in Conflict* offers the first study of land conflict and environment based on extensive fieldwork within both Arab and Jewish settings It explores planned towns for Jews and for Bedouin Arabs unrecognized villages and single family farmsteads as well as Knesset hearings media coverage and activist projects Emily McKee sensitively portrays the impact that dividing lines both physical and social have on residents She investigates the political charge of people's everyday interactions with their environments and the ways in which basic understandings of people and their landscapes drive political developments While recognizing deep divisions McKee also takes seriously the social projects that residents engage in to soften and challenge socio environmental boundaries Ultimately *Dwelling in Conflict* highlights opportunities for boundary crossings revealing both contemporary segregation and the possible mutability of these dividing lines in the future **International Handbook of Jewish**

Education Helena Miller, Lisa D. Grant, Alex Pomson, 2011-04-02 The International Handbook of Jewish Education a two volume publication brings together scholars and practitioners engaged in the field of Jewish Education and its cognate fields world wide Their submissions make a significant contribution to our knowledge of the field of Jewish Education as we start the second decade of the 21st century The Handbook is divided broadly into four main sections Vision and Practice focusing on issues of philosophy identity and planning the big issues of Jewish Education Teaching and Learning focusing on areas of

curriculum and engagement Applications focusing on the ways that Jewish Education is transmitted in particular contexts both formal and informal for children and adults Geographical focusing on historical demographic social and other issues that are specific to a region or where an issue or range of issues can be compared and contrasted between two or more locations This comprehensive collection of articles providing high quality content constitutes a definitive statement on the state of Jewish Education world wide as well as through a wide variety of lenses and contexts It is written in a style that is accessible to a global community of academics and professionals

Loci Sacri Thomas Coomans,2012 Sacred places are not static entities but reveal a historical dynamic This volume explores both the cultural developments that have shaped them and their varied multidimensional levels of significance

Life after Ruin Noam Leshem,2017 Noam Leshem examines the radical transformation of Arab landscapes seized by Israel in the 1948 war By looking at the spatial history of Arab villages Leshem highlights the intricate and often intimate engagements between Jews and Arabs in the present day

Milk and Honey Tamar Novick,2023-07-11 An innovative historical analysis of the intersection of religion and technology in making the modern state focusing on bodily production and reproduction across the human animal divide In Milk and Honey Tamar Novick writes a revolutionary environmental history of the state that centers on the intersection of technology and religion in modern Israel Palestine Focusing on animals and the management of their production and reproduction across three political regimes the late Ottoman rule British rule and the early Israeli state Novick draws attention to the ways in which settlers and state experts used agricultural technology to recreate a biblical idea of past plenitude literally a land flowing with milk and honey through the bodies of animals and people Novick presents a series of case studies involving the management of water buffalo bees goats sheep cows and people in Palestine Israel She traces the intimate forms of knowledge and bodily labor production and reproduction in which this process took place and the intertwining of bodily political and environmental realms in the transformation of Palestine Israel Her wide ranging approach shows technology never replaced religion as a colonial device Rather it merged with settler colonial aspirations to salvage the land bolstering the effort to seize control over territory and people Fusing technology religious fervor bodily labor and political ecology Milk and Honey provides a novel account of the practices that defined and continue to shape settler colonialism in the Palestine Israel revealing the ongoing entanglement of technoscience and religion in our time

The Other Lands of Israel Liv Lied,2008-11-30 According to the current scholarly consensus the apocalypse of 2 Baruch written after the Fall of Jerusalem either rejected the concept of the Land of Israel as a place of salvation or regarded it as of minor importance Inspired by the perspective of Critical Spatial Theory this book discusses the presuppositions behind this consensus with regard to the spatial epistemology it assumes and explores the conception of the Land as a broad redemptive category The result is a fresh portrait of the vitality of the Land theme in the first centuries of the common era and a new perspective on the spatial imagination of 2 Baruch

Masculinity and Power in Irish Nationalism, 1884-1938 Aidan Beatty,2016-09-23 This book is a comparative study of masculinity and

white racial identity in Irish nationalism and Zionism It analyses how both national movements sought to refute widespread anti Irish or anti Jewish stereotypes and create more prideful and highly gendered images of their respective nations Drawing on English Irish and Hebrew language archival sources Aidan Beatty traces how male Irish nationalists sought to remake themselves as a proudly Gaelic speaking race rooted both in their national past as well as in the spaces and agricultural soil of Ireland On the one hand this was an attempt to refute contemporary British colonial notions that they were somehow a racially inferior or uncomfortably hybridised people But this is also presented in the light of the general history of European nationalism nationalist movements across Europe often crafted romanticised images of the nation s past and Irish nationalism was thus simultaneously European and postcolonial It is this that makes Irish nationalism similar to Zionism a movement that sought to create a more idealized image of the Jewish past that would disprove contemporary anti Semitic stereotypes

Settler-Indigeneity in the West Bank Rachel Z. Feldman,Ian McGonigle,2023-10-15 Since Israel conquered the West Bank formerly held by Jordan in 1967 over 400 000 settlers have moved into the territory In recent years Israeli settler organizations and allied American Jewish lobbyists have responded to international condemnation of the occupation by mobilizing narratives of indigeneity claiming sovereign and divine rights to the land Settler Indigeneity in the West Bank asks what Israeli settlers mean when they say they are indigenous how settler indigeneity is felt performed and mediated and what the implications of indigeneity claims are on the international stage Building on foundational scholarship that has come out of post colonial and indigeneity studies the volume theorizes settler indigeneity as a cultural phenomenon and product of transnational settler colonial histories while also interrogating the dialectic of settler and indigenous to illustrate their co constitution Considering agriculture clothing food language and religious practices the chapters explore how feelings of indigeneity are fashioned and how these feelings continue to transform the landscape of the West Bank Offering a series of original ethnographic accounts of these cultures and communities *Settler Indigeneity in the West Bank* intimately documents and discusses the processes of settler nativization in conversation with a variety of related literature in anthropology cultural studies Israel studies religious studies and settler colonial studies

Security and Suspicion Juliana Ochs, 2011-06-06 In Israel gates fences and walls encircle public spaces while guards scrutinize inspect and interrogate With a population constantly aware of the possibility of suicide bombings Israel is defined by its culture of security Security and Suspicion is a closely drawn ethnographic study of the way Israeli Jews experience security in their everyday lives Observing security concerns through an anthropological lens Juliana Ochs investigates the relationship between perceptions of danger and the political strategies of the state Ochs argues that everyday security practices create exceptional states of civilian alertness that perpetuate rather than mitigate national fear and ongoing violence In Israeli cities customers entering gated urban cafés open their handbags for armed security guards and parents circumnavigate feared neighborhoods to deliver their children safely to school Suspicious objects appear to be everywhere as Israelis internalize the state's vigilance for signs of potential suicide bombers Fear and suspicion not only permeate political rhetoric writes Ochs but also condition how people see the way they move and the way they relate to Palestinians Ochs reveals that in Israel everyday practices of security in the home on commutes to work or in cafés and restaurants are as much a part of conflict as soldiers and military checkpoints Based on intensive fieldwork in Israel during the second intifada Security and Suspicion charts a new approach to issues of security while contributing to our appreciation of the subtle dynamics of the Israeli Palestinian conflict This book offers a way to understand why security propagates the very fears and suspicions it is supposed to reduce *Home Screens* Lorrie Palmer, 2023-11-16

How do film and television makers around the world depict public housing Why is public housing so often chosen as the backdrop for drama horror social critique rebellion violence artistic creativity explorations of race relations and political intrigue Home Screens answers these questions by examining the ways in which socialized housing projects around the world are represented on screen The volume brings together a diverse group of interdisciplinary scholars who explore documentary and fictional portrayals of the architecture of public housing and the communities that inhabit it ranging from the 1950s to the present Examining international film and media texts such as Die Architekten 1990 Swagger 2016 Cooley

High 1975 Mee Pok Man 1995 Treme 2010 2013 Mamma Roma 1962 The Pruitt Igoe Myth 2011 and Below the Lion Rock 1972 1976 essays within this book consider public and private attitudes toward socialised housing explaining how onscreen representations shape perceptions of these ubiquitous often stigmatized urban locations *Settling Hebron* Tamara Neuman, 2018-05-02 The city of Hebron is important to Jewish Islamic and Christian traditions as home to the Tomb of the Patriarchs the burial site of three biblical couples Abraham and Sarah Isaac and Rebecca and Jacob and Leah Today Hebron is one of the epicenters of the Israel Palestine conflict consisting of two unequal populations a traditional Palestinian majority without citizenship and a fundamentalist Jewish settler minority with full legal rights Contemporary Jewish settler practices and sensibilities legal gray zones and ruling complicities have remade Hebron into a divided Palestinian city surrounded by a landscape of fragmented militarized strongholds In *Settling Hebron* Tamara Neuman examines how religion functions as ideology in Hebron with a focus on Jewish settler expansion and its close but ambivalent relationship to the Israeli state Neuman presents the first critical ethnography of the Jewish settler populations in Kiryat Arba and the adjacent Jewish Quarter in the Old City of Hebron considered by many Israelis as the most ideological of settlements Through extensive fieldwork interviews with settlers soldiers displaced Palestinian urban residents and farmers as well as archival research Neuman challenges dismissive portraits of settlers as rigid fanatical adherents of an anachronistic worldview At the same time she reveals the extent of disconnection between these settler communities and mainstream Modern Orthodox Judaism both of which interpret written sources on the sacredness of land biblical texts rabbinic commentary and mystical traditions in radically different ways Neuman also traces the violent results of a settler formation Palestinian responses to settler encroachment and the connection between ideological settlement and economic processes *Settling Hebron* explores the complexity of Hebron s Jewish settler community in its own right through its routine practices and rituals its most extreme instances of fundamentalist revision and violence and its strategic relationships with successive Israeli governments

Figuring Jerusalem Sidra DeKoven Ezrahi, 2022-04-22 *Figuring Jerusalem* explores how Hebrew writers have imagined Jerusalem both from the distance of exile and from within its sacred walls For two thousand years Hebrew writers used their exile from the Holy Land as a license for invention The question at the heart of *Figuring Jerusalem* is this how did these writers bring their imagination home in the Zionist century Sidra DeKoven Ezrahi finds that the same diasporic conventions that Hebrew writers practiced in exile were maintained throughout the first half of the twentieth century And even after 1948 when the state of Israel was founded but East Jerusalem and its holy sites remained under Arab control Jerusalem continued to figure in the Hebrew imagination as mediated space It was only in the aftermath of the Six Day War that the temptations and dilemmas of proximity to the sacred would become acute in every area of Hebrew politics and culture *Figuring Jerusalem* ranges from classical texts biblical and medieval to the post 1967 writings of S Y Agnon and Yehuda Amichai Ultimately DeKoven Ezrahi shows that the wisdom Jews acquired through two thousand years of exile as inscribed in

their literary imagination must be rediscovered if the diverse inhabitants of Jerusalem are to coexist

Consumption and Market Society in Israel Kalman Applbaum, Yoram S. Carmeli, 2020-05-26 Over the past two decades Israel has been remaking itself in line with the commercial models of Western market societies Nowhere is this trend more evident than in private consumption patterns Most Israelis crave parity with Western lifestyles private automobiles mobile phones spacious housing fashionably furnished accessibility to shopping malls and leisure travel abroad Alongside these new aspirations internationally branded commodities and franchises such as McDonald's Office Depot Benetton IKEA and Toys R Us increasingly feature in the Israeli landscape and advertising has emerged as a primary vehicle for persuasion competition and cultural expression This book is the first to explore fully the significance of these transformations The authors show how different groups kibbutzniks Israeli Arabs Ultra Orthodox Jews new immigrants and middle class Israelis alternately exhibit a suspicion towards and enthusiasm for the enhanced individual freedoms of a consumer market society Lifestyle consumerism is recognized as an alien import potentially disruptive of the ethos of communality common destiny and national purpose At the same time because consumption helps unite diverse groups to the greater whole of the nation the globe and modernity it conveys a sense of normalcy and affluence in a time of major social transition and political turmoil Consumption and Market Society in Israel is not only innovative in its research but it is a timely contribution to a hotly debated topic

Military, State, and Society in Israel Dāniyyāḥ Mamān, Eyal Ben-Ari, Zeev Rosenhek, There have been many books on the place of war security or military service in Israeli society The Military State and Society in Israel makes contributions to the debate theoretical empirical and polemical that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies The Israeli case is important in the development of more macro approaches to the study of things military as war has played a central role in Israel's history and continues to do so The book encapsulates in a very explicit manner tensions in the relationships between the military state and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military society and the state the armed forces and society school and the state making and war perspective Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation state the ethnic character of nationhood and statehood the role of the Jewish diaspora vis vis Israel the legitimacy of Jewish ethnic pluralism the meaning of the Holocaust privatization of social life and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing language health technology production dress and child rearing One important consequence of these internal conflicts and struggles has been a significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil military relations The Politics of Civil Military

Relations concentrates on current changes in Israeli politics the character of the conflict with the Palestinians and the place of military in society The State and War Making Creating Citizens Soldiers and Men and Women indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities The Notion of National Security Institutions and Concepts raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel s existence are still relevant in a changing post cold war world The Armed Forces as Organization Continuity and Change focuses on the lines of continuity and trends of change in several aspects of the Israeli Defense Forces internal organizational structure Studies based on Israeli cases data and scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy This volume contributes to these areas of study and will be of central importance to professionals interested in civil military

Hebrew Gothic Karen Grumberg, 2019-09-01 Makes a persuasive argument that gothic ideas play a vital role in how Hebrew writers have confronted history culture and politics Robert Alter author of Hebrew and Modernity Sinister tales written since the early twentieth century by the foremost Hebrew authors including S Y Agnon Leah Goldberg and Amos Oz reveal a darkness at the foundation of Hebrew culture The ghosts of a murdered Talmud scholar and his kidnapped bride rise from their graves for a nocturnal dance of death a girl hidden by a count in a secret chamber of an Eastern European castle emerges to find that unbeknownst to her World War II ended years earlier a man recounts the act of incest that would shape a trajectory of personal and national history Reading these works together with central British and American gothic texts Karen Grumberg illustrates that modern Hebrew literature has regularly appropriated key gothic ideas to help conceptualize the Jewish relationship to the past and more broadly to time She explores why these authors were drawn to the gothic originally a European mode associated with antisemitism and how they use it to challenge assumptions about power and powerlessness vulnerability and violence and to shape modern Hebrew culture Grumberg provides an original perspective on Hebrew literary engagement with history and sheds new light on the tensions that continue to characterize contemporary Israeli cultural and political rhetoric
