**E Durkheim**

## **Grass Roots Development In Latin America And The Caribbean Oral Histories And Social Change:**

*Grassroots Development in Latin America & the Caribbean* Robert Wasserstrom, 1985 Case studies of social change and popular participation through self help associations and cooperatives in Bolivia Colombia Ecuador Jamaica Mexico and Paraguay based on interviews covers the running of a consumers cooperative a savings and credit club organized by woman workers and a rural development oriented credit cooperative looks at an urban area textile production cooperative small farm based agricultural cooperatives workers self management in a furniture industry and a women s theatre Bibliography photographs

*Grassroots Development in Latin American & the Caribbean* Wasserstrom Robert, 1985 **Cultural Expression and Grassroots Development** Charles D. Kley Meyer, 1994 Argues that a people s own cultural heritage is the foundation on which equitable and sustainable development can best be built The authors provide illustrations from 215 cases in 30 countries ranging from adult literacy centres to reforestation and conservation efforts *Women, Culture, and Politics in Latin America* Emilie L. Bergmann, Seminar on Feminism and Culture in Latin America, 1990 This collection because of its exceptional theoretical coherence and sophistication is qualitatively superior to the most frequently consulted anthologies on Latin American women s history and literature and represents a new more theoretically rigorous stage in the feminist debate on Latin American women Elizabeth Garrels Massachusetts Institute of Technology *Annual Report* Inter-American Foundation, 1990 Report for 1979 also includes statistics for 1978 *Popular Voices in Latin American Catholicism* Daniel H. Levine, 2014-07-14 Throughout Latin America observers and activists have found in religion a promise of deep and long lasting democratization But for religion to change culture and politics religion itself must change Such change is not only a matter of doctrine ritual or institutional arrangements but also arises out of the needs values and ideas of average believers Combining rich interviews and community studies in Venezuela and Colombia with analysis of broad ideological and institutional transformations Daniel Levine examines how religious and cultural change begins and what gives it substance and lasting impact The author focuses on the creation of self confident popular groups among hitherto isolated and dispirited individuals Once silent voices come to light as peasants and urban barrio dwellers reflect on their upbringing and community on poverty and opportunity on faith prayer and the Bible and on institutions like state school and church Levine also interviews priests sisters and pastoral agents and explains how their efforts shape the links between popular groups and the larger society The result is a clear understanding of how relations among social and cultural levels are maintained and transformed how programs are implemented why they succeed or fail and how change appears both to elites and to ordinary people Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found

in the thousands of books published by Princeton University Press since its founding in 1905      *Grassroots Development*, 1999      **In Review** Inter-American Foundation,      **Social Impact Analysis And Development Planning In The Third World** William Derman, Scott Whiteford, 2019-06-26 Although national governments and international agencies have committed vast sums of money to development many projects have not only failed to improve the lives of the poor but in some cases have created additional social and economic problems Such failures can often be traced to an inadequate understanding of the socio cultural reality of the people most directly affected and to a lack of their participation in project planning implementation and evaluation In this collection of essays scholars and practitioners from diverse disciplines examine many of the perplexing social issues of development planning from the perspective of social impact analysis Drawing on national regional and local case studies the authors demonstrate why sociocultural factors are seldom adequately understood and discuss how they can be effectively incorporated into the planning process      **Foreign assistance and related programs appropriations for 1987** United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Programs, 1986      Historical Dictionary of the Cooperative Movement Jack Shaffer, 1999-08-31 Provides snapshot views of the cooperative movement in all its diversity The only single source one can consult to find so much information on the different kinds of cooperatives significant figures including philosophers pioneers officials and leaders and the situation in a large number of countries With a list of acronyms an extensive chronology appendixes and a comprehensive bibliography      Confronting Change, Challenging Tradition Gertrude M. Yeager, 1997-08-01 Understanding the role of women in Latin American history demands a full examination of their activities in the region s political economic and domestic spheres Toward this end historian Gertrude M Yeager has assembled the multidisciplinary collection *Confronting Change Challenging Tradition* The essays in this volume explore the ways in which Latin American women have shaped and have been shaped by the traditional practices and ideologies of their cultures The selections are arranged in two sections Culture and the Status of Women and Reconstructing the Past      **Foreign Assistance and Related Agencies Appropriations** United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Agencies Appropriations, 1987      **The World Bank and Non-Governmental Organizations** P. Nelson, 1995-10-27 This book assesses the World Bank s interaction with non governmental organizations NGOs in projects policy dialogue and elsewhere Based on extensive project documents public and private policy statements and interviews the author identifies central organizational barriers to greater collaboration and accountability and links these to the international political economy of the World Bank The author suggests guidelines for judging organizational change in the World Bank reviews opportunities and dangers for NGOs in relating with major aid donors and discusses agenda and strategy      **The Wisconsin Latin Americanist**, 1985      **Questioning Empowerment** Jo Rowlands, 1997-01-01 Focusing on the term empowerment this book examines the various meanings given to the concept

of empowerment and the many ways power can be expressed in personal relationships and in wider social interactions

*New Books* National Defense University. Library, **The Wisconsin Latinamericanist**, 1983 *Women in Grassroots Communication* Pilar Riano, 1994-05-17 The volume is celebratory in two senses first it brings together the experience of many committed media activists whose work is little known second at a time when much of the liberation potential of cultural studies is wrapped up in reception studies it issues a challenge to complacent theorists to turn the computer off and go out and do some active political work in their field Intermedia Pilar Riano's analysis of communication development and feminist literature via women as producers of communication is clear and I think accurate I am impressed with the breadth of her knowledge of these fields and her clear thinking and careful organization of the material I would certainly include a book of this type on the reading list of my course Mary Ellen Brown University of Missouri A wide ranging study that addresses key questions in the fields of political science anthropology women's studies development studies and popular culture as well as communication Riano and her collaborators move us beyond explanations of women's subordination rooted in notions of passivity and the domestic sphere to an understanding of how women's communicative strategies can propel social change By placing the particular experiences of women as communicators and organizers within the context of wider sociopolitical realities in Africa Asia Latin America and North America *Women in Grassroots Communication* demonstrates the role of communication strategies and processes in social movements that offer the promise of liberation and democratization Elizabeth Mahan Director Center for Latin American and Caribbean Studies University of Connecticut How and to what extent are women in grassroots communication creating avenues for democratic communication and fostering social change How is grassroots communication consolidating women's views and perspectives on gender subordination and social transformation *Women in Grassroots Communication* brings together a stellar cast of contributors from across the globe Africa Asia Latin America and North America to answer these and other questions First they review the various frameworks for addressing the relationship between women participation and communication looking at the ways women have been perceived Next the authors look at the social roles of women in their communities their capabilities to communicate and their informal networks at the local and community levels The third section focuses on media production and the issues of media competency identity representation evaluation and group process Finally by looking at the connections between women's participatory practices and wider sociopolitical initiatives the final chapters examine the issues of organization leadership and communication strategies *Women in Grassroots Communication* is an important reference or supplemental text for anyone working in or studying the field of development intercultural communication women's and communication studies and social change **Human Rights Internet Reporter**, 1990
