Grass Roots History:

Grass Roots History Theodore Christian Blegen, 1947 *Grass Roots History. (Daily Life and Civilisation.)*. Theodore Christian BLEGEN, 1947 *Democracy from the Grass Roots* Joseph I. Abrahams, 2007-04-02 In an historic turn grassroots America has overcome its apathy and cyclic reversion to the ways of the past last induced by Islamic fundamentalism Newly cognizant of its inherent interests grassroots America has responded to the vision of Barak Obama and Hillary Clinton and flocked to the polls The emotions of politics take front and center In *Democracy From The Grassroots A Guide to Creative Politics* we examine in depth the political passion of the grassroots and these emergent leaders Beginning with an inspiring historical overview of grassroots politics in America the author then guides us through its organizational structures the political clubs committees councils caucuses and workshops wherein real people work to create real change A chapter devoted to the analysis of issues the systems which determine their resolution and their role in the political campaign serves to enlighten and motivate the ideal lead in to an exhaustive section on training A concise summary integrates the hypotheses set forth about the role of grassroots politics in American social development And in a unique and compelling twist that model is then compared to the individual's development as a person Written by psychoanalyst political activist and scholar Dr Joseph Abrahams *Democracy From the Grassroots A Guide to Creative Political Action* presents the pioneering work of three decades in the grassroots trenches At once a vibrant history lesson and a call to action this slender volume is as lush in practical howto as it is in thoughtful reflection and insight The appendix is remarkable for its richly annotated bibliography and a revealing chronicle of the events and issues of American grassroots movements *Grassroots Reform in the Burned-over District of Upstate New York* Judith Wellman, 2014-01-21 Before the Civil War upstate New York earned itself a nickname the burned over district African Americans were few in upstate New York so this book focuses on reformers in three predominately white communities At the cutting edge of revolutions in transportation and industry these ordinary citizenstried to maintain a balance between stability and change **Grass Roots** Emily Dufton, 2017-12-05 How earnest hippies frightened parents suffering patients and other ordinary Americans went to war over marijuana In the last five years eight states have legalized recreational marijuana To many continued progress seems certain But pot was on a similar trajectory forty years ago only to encounter a fierce backlash In *Grass Roots* historian Emily Dufton tells the remarkable story of marijuana's crooked path from acceptance to demonization and back again and of the thousands of grassroots activists who made changing marijuana laws their life's work During the 1970s pro pot campaigners with roots in the counterculture secured the drug's decriminalization in a dozen states Soon though concerned parents began to mobilize finding a champion in Nancy Reagan they transformed pot into a national scourge and helped to pave the way for an aggressive war on drugs Chastened marijuana advocates retooled their message promoting pot as a medical necessity and eventually declaring legalization a matter of racial justice For the moment these activists are succeeding but marijuana's history suggests how

swiftly another counterrevolution could unfold

Grassroots Literacy Jan Blommaert, 2008-06-03 What effect has globalization had on our understanding of literacy Grassroots Literacy seeks to address the relationship between globalization and the widening gap between grassroots literacies or writings from ordinary people and local communities and elite literacies Displaced from their original context to elite literacy environments in the form of letters police declarations and pieces of creative writing grassroots literacies are unsurprisingly easily disqualified either as bad forms of literacy or as messages that fail to be understood Through close analysis of two unique handwritten documents from the Democratic Republic of the Congo Jan Blommaert considers how grassroots literacy in the Third World develops outside the literacy saturated environments of the developed world In examining these documents produced by socially and economically marginalized writers Blommaert demonstrates how literacy environments should be understood as relatively autonomous systems Grassroots Literacy will be key reading for students of language and literacy studies as well as an invaluable resource for anyone with an interest in understanding the implications of globalization on local literacy practices Political Dynamics of Grassroots Democracy in Vietnam

Hai Hong Nguyen, 2017-07-20 In Political Dynamics of Grassroots Democracy in Vietnam Hai Hong Nguyen investigates the correlation between independent variables and grassroots democracy to demonstrate that grassroots democracy has created a mutually empowering mechanism for both the party state and the peasantry
