**Males in "The Grass is Singing" by Doris Lessing** Dany Avril,1995 **Alien Among Us: Reflections Of Women Writers On Women** S.P. Sree,2008 Papers presented at an international seminar held at Visakhapatnam The Grass is Singing. [by] Doris Lessing Doris Lessing,Guidelines (Firm),1991 **Doris Lessing** Harold Bloom,2003 Essays of critical interpretation portray views of Doris Lessing s work including The Golden Notebook Marriages and The Grass is Singing *Diversity in Narration and Writing* Kornélia Horváth,Judit Mudriczki,Sarolta Osztrólczyk,2022-01-10 The essays in this volume focus on different prose and audiovisual narratives and their academic and cultural significance as seen in the twenty first century Their diverse interpretations of the novel as a genre provide a current academic overview on the variety of interpretive cultures and traditions Divided into three sections the book consciously takes an international perspective in both narrative theory and novel studies in order to deepen the reader s understanding of classic American and European authors including Gustave Flaubert Lewis Carroll James Joyce Doris Lessing Jack London J M Coetzee and David Lodge In addition it also offers a profound contribution to international scholarship as it covers works of classic and contemporary Hungarian and Central European writers that have not been discussed in English before With its unprecedented insights into the depth and diversity of narrative prose traditions the book will inspire innovative approaches to the concept of the novel in European academic criticism today In Conversation with Bessie Head Mary S. Lederer,2020-12-24 In Conversation with Bessie Head shows how reading the novels and letters of Botswana s most influential writer Bessie Head fosters an ongoing conversation between reader and writer and is in fact a very personal undertaking Each chapter tackles two parallel threads the first regarding Mary S Lederer s own history of reading Head from her first purchase of Maru through completing a Ph D on Head

s trilogy through living in Botswana and connecting with various aspects of Head s life to examining how reading Head has affected her own development as a human being This history then ties each chapter into discussion of how Head develops her own vision of the brotherhood of man Alongside critically informed discussion Head s vision is examined through the prism of specific questions Why is madness not a useful concept for understanding Head s ideas Why did Head say she was not a feminist and what is the significance of male and female in her novels What is the relationship between individual race and community How can the nature of God be a clear expression of love but also an indistinct force for both good and evil Head s novels present opportunities for personal growth and through these conversations with her we become different readers
