

Grateful Prey

The background of the entire cover is black. Overlaid on this are several large, intricate, red abstract patterns. These patterns resemble stylized, branching structures, possibly representing roots, veins, or perhaps stylized human and animal figures intertwined. The patterns are somewhat symmetrical and spread across the entire cover, framing the text.

Making Relatives of Them Rebecca Kugel, 2023-09-12 Kinship as an organizing principle gives structure to communities and cultures and it can vary as widely as the social relationships organized in its name Making Relatives of Them examines kinship among the Great Lakes Native nations in the eventful years of the late eighteenth and early nineteenth century revealing how these Indigenous peoples understanding of kinship in complex relationship with concepts of gender defined their social political and diplomatic interactions with one another and with Europeans and their descendants For these Native nations Wyandot Shawnee Delaware Miami Ojibwe Odawa Potawatomi Dakota Menomini and Ho chunk the constructs and practices of kinship gender and social belonging represented a daily lived reality They also formed the metaphoric foundation for a regionally shared Native political discourse In at least one English translation Rebecca Kugel notes Indigenous peoples referred to the kin based language of politics as the Custom of All the Nations Clearly defined yet endlessly elastic the Custom of All the Nations generated a shared vocabulary of kinship that facilitated encounters among the many Indigenous political entities of the Great Lakes country and framed their interactions with the French the British and later the Americans Both the European colonizers and Americans recognized the power encoding symbolism of Native kinship discourse Kugel tells us but they completely misunderstood the significance that Native peoples accorded to gender a misunderstanding that undermined their attempts to co opt the Indigenous discourse of kinship and bend it to their own political objectives A deeply researched finely observed work by a respected historian Making Relatives of Them offers a nuanced perspective on the social and political worlds of the Great Lakes Native peoples and a new understanding of those worlds in relation to those of the European colonizers and their descendants

Nationhood Interrupted Sylvia McAdam (Saysewahum), 2019-01-31 Traditionally n hiyaw Cree laws are shared and passed down through oral customs stories songs ceremonies using lands waters animals land markings and other sacred rites However the loss of the languages customs and traditions of Indigenous peoples as a direct result of colonization has necessitated this departure from the oral tradition to record the physical laws of the n hiyaw McAdam a co founder of the international movement Idle No More shares n hiyaw laws so that future generations both n hiyaw and non Indigenous people may understand and live by them to revitalize Indigenous nationhood

The Writings of David Thompson, Volume 2 William E. Moreau,2015-05-01 David Thompson s Travels is one of the

finest early expressions of the Canadian experience The work is not only the account of a remarkable life in the fur trade but an extended meditation on the land and Native peoples of western North America The second in a planned three volumes of Thompson's writings this edition completes the great surveyor and fur trader's spirited autobiographical narrative In the 1848 *Travels* Thompson describes his most enduring historical legacy the extension of the fur trade across the Continental Divide between 1807 and 1812 During these years he established several Northwest trading posts made contact with the tribal peoples of the Columbia Plateau and tirelessly mapped the lands he traversed all the time striving westward toward the Pacific The tale culminates with Thompson's historic arrival at the mouth of the Columbia in July 1811 Like its companion Volume 1 this work presents an entirely new transcription by William Moreau of Thompson's manuscript and is accompanied by an introductory essay placing the author in his historical and intellectual context Extensive critical annotations a biographical appendix and historical and modern maps make this the definitive collection of Thompson's works and bring one of North America's most important travelers and surveyors to a new generation of readers

[Decolonizing Law](#) Sujith Xavier, Beverley Jacobs, Valarie Waboose, Jeffery G. Hewitt, Amar Bhatia, 2021-05-24 This book brings together Indigenous Third World and Settler perspectives on the theory and practice of decolonizing law Colonialism imperialism and settler colonialism continue to affect the lives of racialized communities and Indigenous Peoples around the world Law in its many iterations has played an active role in the dispossession and disenfranchisement of colonized peoples Law and its various institutions are the means by which colonial imperial and settler colonial programs and policies continue to be reinforced and sustained There are however recent and historical examples in which law has played a significant role in dismantling colonial and imperial structures set up during the process of colonization This book combines usually distinct Indigenous Third World and Settler perspectives in order to take up the effort of decolonizing law both in practice and in the concern to distance and to liberate the foundational theories of legal knowledge and academic engagement from the manifestations of colonialism imperialism and settler colonialism Including work by scholars from the Global South and North this book will be of interest to academics students and others interested in the legacy of colonial and settler law and its overcoming

[Ojibwe Stories from the Upper Berens River](#) Jennifer S. H. Brown, 2018 In *Ojibwe Stories from the Upper Berens River* Jennifer S H Brown presents the dozens of stories and memories that A Irving Hallowell recorded from Adam Samuel Bigmouth son of Ochiipwamoshiish Northern Barred Owl at Little Grand Rapids in the summers of 1938 and 1940 The stories range widely across the lives of four generations of Anishinaabeg along the Berens River in Manitoba and northwestern Ontario In an open and wide ranging conversation Hallowell discovered that Bigmouth was a vivid storyteller as he talked about the eight decades of his own life and the lives of his father various relatives and other persons of the past Bigmouth related stories about his youth his intermittent work for the Hudson's Bay Company the traditional curing of patients ancestral memories encounters with sorcerers and contests with cannibalistic windigos The stories also tell of vision fasting experiences often

fraught gender relations and hunting and love magic all in a region not frequented by Indian agents and little visited by missionaries and schoolteachers With an introduction and rich annotations by Brown a renowned authority on the Upper Berens Anishinaabeg and Hallowell s ethnography Ojibwe Stories from the Upper Berens River is an outstanding primary source for both First Nations history and the oral literature of Canada s Ojibwe peoples River Flowing from the Sunrise James M. Aton,Robert S. McPherson,2000-12-15 The authors recount twelve millennia of history along the lower San Juan River much of it the story of mostly unsuccessful human attempts to make a living from the river s arid and fickle environment From the Anasazi to government dam builders from Navajo to Mormon herders and farmers from scientific explorers to busted miners the San Juan has attracted more attention and fueled more hopes than such a remote unpromising and muddy stream would seem to merit Ecological Bulletins, Targets and Tools for the Maintenance of Forest Biodiversity Per Angelstam,Monica Donz-Breuss,Jean-Michel Roberge,2009-05-06 Maintaining forest biodiversity by combining protection management and restoration of forest and woodland landscapes is a central component of sustainable development Evidence that there are threshold levels for how much habitat loss may be tolerated for viable populations of specialised species to be maintained Policy makers businesses and managers pose questions about how to balance use of renewable forest resources and conserve biodiversity Examples are presented on how biodiversity assessments can be made Proposes how the critical gaps in our knowledge identified throughout the book could be filled through macroecological research and international co operation **Living with Animals** Michael Pomedli,2014-02-24 Within nineteenth century Ojibwe Chippewa medicine societies and in communities at large animals are realities and symbols that demonstrate cultural principles of North American Ojibwe nations Living with Animals presents over 100 images from oral and written sources including birch bark scrolls rock art stories games and dreams in which animals appear as kindred beings spirit powers healers and protectors Michael Pomedli shows that the principles at play in these sources are not merely evidence of cultural values but also unique standards brought to treaty signings by Ojibwe leaders In addition these principles are norms against which North American treaty interpretations should be reframed The author provides an important foundation for ongoing treaty negotiations and for what contemporary Ojibwe cultural figures corroborate as ways of leading a good integrated life

The History and Environmental Impacts of Hunting Deities Richard J. Chacon,2023-10-31 This edited volume analyzes the belief in supernatural gamekeepers and or animal masters of wildlife from a cross cultural perspective It documents the antiquity and widespread occurrence of the belief in supernatural gamekeepers at the global level This interdisciplinary volume documents both the antiquity and the widespread geographical distribution of this belief along with surveying the various manifestations of this cosmology by way of studies from Europe Asia Africa and North and South America Some chapters explore the manifestations of this belief as they appear in petroglyphs pictographs and other forms of material culture Others focus on the environmental impacts of these beliefs rituals and prescribed foraging restrictions by

analyzing how they affect game harvests The internationally recognized scholars in this volume assess the efficacy of this particular form of traditional ecological knowledge TEK and investigate if adherence to the belief in animal masters actually causes hunters to refrain from overharvesting wild game and thereby contributes to sustainable hunting practices This volume is of interest to anthropologists archaeologists and other social scientists researching traditional ecological knowledge TEK indigenous conservation biodiversity and sustainability practices and animal deities
