Gratitude Works Open Your Heart To Love:

Gratitude Works Katherine Scherer, Eileen Bodoh, 2003-05 *Gratitude Works* is an easy way to access the power of counting your blessings Through the eyes of gratitude we open our hearts and bring joy into our lives The daily readings are a treasure trove of memories insights and inspiration that will transform you *Regaining Control* Tami Brady, 2007-01-01 Only 1% of the world's assets are held in the name of women 70% of people in abject poverty living on less than 1 per day are women Over half the women of this generation do not themselves receive from either employment or the state enough to get by These shocking statistics call to our attention the importance of financial independence among women Financial dependence though is just the tip of the proverbial iceberg Dependence can also be noted in Validation and Self Esteem Mobility and Daily Care and Emotional Support and A Shield from the World Loving caring and well meaning spouses families and caregivers can unwittingly gnaw away at self confidence and self esteem until a person is trapped in an unhealthy situation Are you at risk Would you be financially secure without your spouse's income Do you find it hard to say No Do you feel unlovable or ugly Have you given up on your dreams Are you truly unhappy with your life If so there is hope It is possible to regain your self esteem rebuild your self confidence and become independent once more Independence is a skill an attitude and a lifestyle that anyone can achieve Praise for Tami Brady The main point I saw in this work and one I thought was outstanding is that we are all individuals unique and that one set formula may not work for everyone I believe that is what makes her work different than other self help books Shirley Johnson Midwest Book Review I found myself submersed in this book discovering it a true source of encouragement that however overwhelming life becomes we should stay aware of what we want never forgetting where we come from or what our dreams are Tracy Jane Newton An Alternative View If you have been thinking there must be more to life than what you have or you find you tend to say one thing in public whilst being of an other opinion in private then this book may be for you Sue Phillips Spiralthreads Reviews *Strategies* Tami Brady, 2008-01-01 A sufferer of both Chronic Fatigue Syndrome and Fibromyalgia the author shares her personal experiences to help readers tailor their responses to symptoms and crises **George Eliot's Works** George Eliot, 1887 *Charles Haddon Spurgeon.
