10x Is Easier Than 2x Dan Sullivan, Dr. Benjamin Hardy, 2023-05-09 Expanding upon one of his high level foundational teachings Strategic Coach co founder Dan Sullivan explains why achieving 10X growth is easier than going for 2X growth Dan Sullivan the world's leading coach for highly successful entrepreneurs wants you to know that achieving 10X growth is exponentially easier than striving for 2X growth Most find this idea confusing at first because simply imagining 10X growth causes them to think they need to do 10X more work to achieve it However being a 10X entrepreneur is nothing like what most people think 10X is not the outcome it's a counterintuitive process you can apply every time you want exponential growth in your life and business To make 10X possible you must focus on expanding what Dan defines as your four most important freedoms time money relationship and purpose As your time becomes 10X more valuable you increasingly multiply the money you earn both in terms of amount and profitable satisfaction As money becomes a tool you can increasingly access with greater ease you will engage with a growing number of other freedom motivated individuals As both your professional and personal life fills up with 10X more unique and collaborative relationships you will realize that your most powerful purposes in all areas become 10X more lasting and positive for everyone involved You will be impressed by what your life has become and the meaning and impact you're having 10X is fundamentally about quality vs quantity and the quality of your freedoms determines the results you achieve
