Art and Artists ,1985      **An Anthropological Guide to the Art and Philosophy of Mirror Gazing** Maria Danae Koukouti,Lambros Malafouris,2020-09-03 Looking at one s face in the mirror and finding one s self in the mirror are not the same The former capacity is something we share with other animals the latter is a skill something we have to learn What does it mean and what does it take to find oneself the mirror This book provides a comparative anthropological enquiry into the unity and diversity of mirror gazing The reader is encouraged to reflect upon and experiment with different mirror gazes through a range of case studies Koukouti and Malafouris weave together anthropology with philosophy and draw on examples from literature and experiments from psychopathology in a way that has never been attempted before The master metaphor is that of the mirror as trap Mirror gazing is viewed on a par with hunting Mirroring signifies the hunt for self

knowledge In a time obsessed with the digital self image Koukouti and Malafouris reflect on the structures of consciousness that underpin the different ways of looking at and through the mirror Combining metaphor comparison and estrangement they gesture towards a therapeutic alliance between body and mirroring This allows us to look in the mirror and think of our shared humanity differently     Subject Guide to Books in Print ,1971     The Cumulative Book Index ,1997 A world list of books in the English language     Rome and Latium Marianne Albrecht-Gott,1987 A comprehensive richly illustrated guide to the treasures of Rome and Latium towns churches palaces museums and ancient buildings in alphabetical order of town for easy reference     **The Palgrave Guide to English Literature and Its Contexts** Peter Widdowson,2017-03-14 This comprehensive guide to the historical and cultural context of English literature covers the core periods of literature and history from the English Renaissance to the present Peter Widdowson introduces and outlines key terms concepts and developments and provides a series of timelines showing political social cultural and literary events for each year Together this indispensable reference work offers a concise history of Britain for literature students at all levels and provides readers with the context for any literary work from 1500 to 2000 The Palgrave Guide to English Literature and its Contexts 1500 2000 Overs a wide range of canonical British authors and works but also provides contextualising examples of works from other countries Each chapter focuses on a key period in English Literature and History gives a brief overview of that period and defines the main terms and ideas of the age Contains easy to follow timelines which may be viewed either horizontally or vertically allowing readers to track a chronological history or single out the developments and events of a specific year
