Antidumping Laws and the U.S. Economy Greg Mastel,2016-09-16 This volume reviews the goals operation and history of American antidumping laws coupled with a strategy for using those laws to promote U S trade policy and economic objectives in the post Uruguay Round GATT talks

Conflict and Cooperation in National Competition for High-Technology Industry National Research Council,Kiel Institute for World Economics,Hamburg Institute for Economic Research,Board on Science, Technology, and Economic Policy,1996-10-15 This unique volume contains a powerful set of recommendations on issues at the center of international discussions on investment trade and technology policy They take into account the globalization of industrial activity and the special characteristics of high technology industries while recognizing the continued policy role of national governments The book identifies the rationale for promotional measures for high technology industries delineates sources of friction among the leading industrial countries and proposes policies to enhance international cooperation and strengthen the multilateral trading regime This volume also examines the factors driving collaboration among otherwise competing firms and national programs highlights the need to develop principles of equitable public and private international cooperation and emphasizes the linkage between investment government procurement and other trade policies and prospects for enhanced international cooperation

Agricultural Trade Policies in the New Millennium Andrew D O'Rourke,P. Lynn Kennedy,Won W Koo,2002-10-15 Face the challenge of change in the global agricultural trade market This insightful book presents a comprehensive overview of the trade situation facing agriculture in the 21st century This esteemed collection of the field s foremost researchers evaluates anticipated changes to the agricultural trade market and the competitiveness of commodities

and products resulting from existing and potential international policies Agricultural Trade Policies in the New Millennium provides an in depth understanding of multilateral trade negotiations past present and future and the impact of regionalism on agricultural trade It also analyzes trade issues specific to individual commodities such as rice wheat and cotton Agricultural Trade Policies in the New Millennium consolidates essential trade research into a one of a kind reference source for economists academics and agriculture professionals The book provides a detailed overview of current and potential trade situations divided into three concise sections key issues influencing trade negotiations from the perspective of developed and developing countries and the environment commodity trade and trade policy issues concerning competitiveness and the international policy environment for coarse grains cotton rice sugar and wheat and general issues related to multilateral and regional trade agreements including policy tools within the World Trade Organization anti dumping actions regionalism price volatility and the macroeconomic effects of trade liberalization Agricultural Trade Policies in the New Millennium examines key issues influencing trade negotiations commodity trade and trade policy issues issues and concerns related to multilateral and regional trade negotiations challenges facing trade policy prospects for the agricultural sector in the new millennium With international policy issues like the WTO s Millennium Round and the Free Trade Area of the Americas FTAA in negotiation and a new United States farm bill pending Agricultural Trade Policies in the New Millennium provides much needed textbook analysis by expert researchers This vital book will keep you in touch with current trade negotiations and policy decisions that are certain to hold major implications for the agricultural sector

Clashing Over Commerce Douglas A. Irwin, 2017-11-29 A Foreign Affairs Best Book of the Year Tells the history of American trade policy A grand narrative that also debunks trade policy myths Economist Should the United States be open to commerce with other countries or should it protect domestic industries from foreign competition This question has been the source of bitter political conflict throughout American history Such conflict was inevitable James Madison argued in the Federalist Papers because trade policy involves clashing economic interests The struggle between the winners and losers from trade has always been fierce because dollars and jobs are at stake depending on what policy is chosen some industries farmers and workers will prosper while others will suffer Douglas A Irwin s Clashing over Commerce is the most authoritative and comprehensive history of US trade policy to date offering a clear picture of the various economic and political forces that have shaped it From the start trade policy divided the nation first when Thomas Jefferson declared an embargo on all foreign trade and then when South Carolina threatened to secede from the Union over excessive taxes on imports The Civil War saw a shift toward protectionism which then came under constant political attack Then controversy over the Smoot Hawley tariff during the Great Depression led to a policy shift toward freer trade involving trade agreements that eventually produced the World Trade Organization Irwin makes sense of this turbulent history by showing how different economic interests tend to be grouped geographically meaning that every proposed policy change found ready champions and opponents in Congress Deeply researched and rich

with insight and detail *Clashing over Commerce* provides valuable and enduring insights into US trade policy past and present Combines scholarly analysis with a historian's eye for trends and colorful details readable and illuminating for the trade expert and for all Americans wanting a deeper understanding of America's evolving role in the global economy National Review Magisterial Foreign Affairs **USITC Publication**, 1993 **Annual Report** United States International Trade Commission, 1998 *Department of Commerce Proposed Anti-dumping Regulations and Other Anti-dumping Issues* United States.
