The Politics of NGOs in Indonesia Bob S. Hadiwinata,2003-08-29 This book deals with two major issues how Indonesian NGOs survived under Suharto s authoritarian rule and how NGOs contributed to the promotion of democracy in the post Suharto era If NGOs are to change from development to movement in democratic post Suharto Indonesia they must adjust not only their management and working style but also their very ideology This comprehensive study will be an important book for scholars interested in Asian studies Indonesian politics and development studies

Developments in Latin American Political Economy J. Buxton,N. Phillips,1999-08-20 The first part of the volume addresses the changing nature and interaction of the state and the market in Latin American countries as well as the principal challenges of consolidating political and economic reform in a period of profound change The second part of the book examines a variety of traditional and non traditional political roles ranging from the military to women and from the environmental lobby to human rights It explores the ways in which the changing composition of the political debate is shaping the political arena Forward looking in its approach to volume provides readers with an indication of factors which will be of key significance in the immediate future the tensions which have yet to be resolved and the prospects ahead

International Journal of Economic and Political Integration , Here to Help: NGOs Combating Poverty in Latin America Robyn Eversole,2016-07-08 Over six billion dollars in developmental assistance is funneled annually through non governmental organizations NGOs yet little is understood about the nature of their relationship with communities and the real impact of their work This book examines what role NGOs really play in fighting poverty in Latin America Expert NGO professionals and scholars explore grass roots relationships between international religious and secular NGOs and poor communities They probe the power structures cultural assumptions dangers and possibilities that underlie NGOs work While fighting poverty is the mission of many NGOs most are aware that they often fail to make things better and in fact may make things worse By providing a forum for Northern and Southern NGOs donors scholars and poor people themselves this book explores the causes and cures of poverty and presses at the boundaries of our understanding of participatory development It identifies both internal and external factors that influence the success of NGO projects and moves beyond standard best

practice theory to probe more deeply the relationships that underlie poverty and how these relationships can be shifted to achieve solutions
