Geerhardus Vos Anthology Biblical And Theological Insights Alphabetically Arranged:

A Geerhardus Vos Anthology Geerhardus Vos, 2005 Excerpts from Vos's books, sermons, articles, book reviews, and other writings including many not found in *Redemptive History and Biblical Interpretation* treating more than 350 topics

Biblical Theology Jeong Koo Jeon, 2017-01-31 Dr Jeon's *Biblical Theology* is a timely must read for church leaders, seminarians, pastors, and missionaries in the Global Mission Field. It examines God's redemptive history in creation, fall, redemption, and consummation as revealed in the Old and New Testaments. Dr Jeon delves into the grand redemptive drama progressively demonstrated through the divine covenants as well as the manifestation of the eschatological Kingdom of God. This book provides not only a proper redemptive historical vision of the Bible from Genesis to Revelation but also key ideas for the formation of a solid biblical worldview. Dr Jeon demonstrates the intersection and union between biblical and systematic theology while exploring redemptive history. Dr Jeon also emphasizes that we currently live in the eschatological age inaugurated after Jesus Christ's death and resurrection as the Mediator of the New Covenant. This inaugurated eschatological Kingdom of God will be consummated after the Second Coming of Jesus. Meanwhile, the present age is occurring during the last days in which we live in the era of Global Missions by God's grace. The community of the New Covenant church should humbly respond by participating in evangelism and missions, demonstrating to the world that God's final judgment is coming.

Reformed Dogmatics: Theology Proper Geerhardus J. Vos, 2014-10-10 Like books people can become classics. Great in their day but richer and more fulfilling with time. Not yet a classic, Vos's never before published *Reformed Dogmatics* is more like a lost Shakespeare play recently discovered. Michael Horton: Until recently, *Reformed Dogmatics* was only available in its original Dutch. But now you too can access Geerhardus Vos's monumental work of systematic theology. This brand new English translation was edited by biblical theologian and Vos expert Richard B. Gaffin Jr. In Volume One, *Theology Proper*, Vos discusses the doctrine of God, the Trinity, God's acts, Creation, Predestination, Providence, and more.

Dictionary of Major Biblical Interpreters Donald K. McKim, 2007-11-12 Donald K. McKim edits this revised and expanded edition of IVP's *Historical Handbook of Major Biblical Interpreters*. With 230 in-depth articles regarding the principal players in the history of Biblical interpretation, this volume will serve as an invaluable tool for any serious student of the Bible or history of exegesis.

Biblical Eschatology Jeong Koo Jeon, 2021-10-01 Jeon's *Biblical Eschatology* explores the pattern of covenant eschatology demonstrated and revealed in the Bible throughout redemptive history. In a sense, it is a revolutionary method to freshly examine and look at the entire redemptive history from the perspective of covenant eschatology because the Bible itself is the covenantal canon. Readers will marvel at how the author unpacks the pictorial pattern of covenant eschatology progressively revealed in the Bible. As we live in the Global Mission Age under the grace of God, it is vitally important and necessary to have a proper view of eschatology. Jeon's book will guide believers to a biblically balanced understanding of eschatology and properly equip them with a biblical, covenantal, and eschatological worldview to

live their lives for the glory of God actively participating in the Global Mission under the guidance of the Holy Spirit as we eagerly wait for the second coming of Jesus Christ

The Hope of Israel Brandon D. Crowe, 2020-02-18 This volume highlights the sustained focus in Acts on the resurrection of Christ bringing clarity to the theology of Acts and its purpose Brandon Crowe explores the historical theological and canonical implications of Jesus's resurrection in early Christianity and helps readers more clearly understand the purpose of Acts in the context of the New Testament canon He also shows how the resurrection is the fulfillment of the Old Testament Scriptures This is the first major book length study on the theological significance of Jesus's resurrection in Acts

Seated in the Heavenly Realms Young Jae Song, 2022-08-04 This book explains key doctrines in theology from the perspective of biblical eschatology Eschatology first appears in Genesis rather than in Revelation for it is about the chief end of man and God's creation It is placed in the beginning rather than at the end of theology as the central and foundational motif The chief end of man in the Westminster Shorter Catechism for instance is an eschatological concept in nature as well as in redemption Eschatology precedes redemption but the eschatology of nature is fulfilled through the eschatology of redemption in Jesus Christ The Golden Chain of Ordo Salutis and the progress of redemptive history will be interpreted from the perspectives of covenant eschatology and Christology

The Teaching of Jesus Concerning the Kingdom of God and the Church Geerhardus Vos, 2017-09-21 Fewer works on the kingdom of God have been so helpful and yet so overlooked Originally published in 1903 this work by Geerhardus Vos 1862-1949 Professor of Biblical Theology at Princeton Theological Seminary surveys the teaching of Jesus concerning the kingdom of God It covers the kingdom in the Old Testament the meaning of the biblical words for kingdom and kingship the present and future aspects of the kingdom the essence of the kingdom the relationship between the kingdom and the church and finally the saving benefits of entering the kingdom Throughout Vos confronts certain conceptions of the kingdom that had arisen at the end of the nineteenth century about which he was concerned This work has been cited little in academic literature on the kingdom of God which is unfortunate Vos expounded an inaugurated kingdom with a future consummation long before G E Ladd popularized it This new introduction by Danny E Olinger editor of A Geerhardus Vos Anthology Biblical and Theological Insights Alphabetically Arranged P R 2015 provides critical historical background for understanding Vos as a person and as a scholar Olinger explains the academic debate about the nature of the kingdom that lies behind Vos's polemical work and also surveys the academic reactions to Vos's ideas For a proper understanding of Vos's theology of the kingdom of God this reprinted work with a new introduction by Danny Olinger is indispensable
