Fantasy Literature Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire

historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **Zombie Lover** Piers Anthony,1999-10-15 Brianna a beautiful young Black girl unfortunately attracts the attention of King Xeth ruler of Xanth s zombies who wants to make her his queen **The Color of Her Panties** Piers Anthony,2024-07-30 A merwoman and a goblin girl each take on dangerous quests in this hilarious fantasy adventure by a New York Times bestselling author In Xanth almost everything is magic and whatever isn t is probably lying The land is also more dangerous than the sea but that isn t going to stop Mela Merwoman who is searching for a husband With her options running low she transforms into a human and leaves the safety of the sea to ask Good Magician Humfrey for assistance But before Mela can begin her quest she must first indulge in the landbound custom of wearing clothes which means picking out what to wear from the trees of course While Mela can pick her clothes Gwenny Goblin cannot pick her family Her awful half brother Gobble will be the next chief of the goblin horde if Gwenny doesn t take the title first To do so she must prove her courage through stealing an egg that lies between a deadly roc and a hard place With the help of Che Centaur and Jenny Elf and maybe even Mela Gwenny just might make it back home alive **Swell Foop** Piers Anthony,2018-12-18 Someone or some thing has kidnapped the dreaded Demon Earth If he isn t found the very fabric of our world will unravel removing the Earth s gravitational field and incidentally that of the magical land of Xanth as well To combat this dastardly deed six bold adventurers must locate the mysterious object known as the Swell Foop and wield it in a deadly cosmic contest against an awesome enemy The twenty fifth exhilarating episode in Piers Anthony s fabulous saga of Xanth Swell Foop blends laughter and romance wonder and danger in one of the most intricate and intriguing tales in the history of the series Swell Foop the twenty fifth volume in Piers Anthony s bestselling Xanth fantasy adventures is one of the most intricate and intriguing tales in the history of the series At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Xone of Contention** Piers Anthony,2000-10-15 To avert a climatic disaster that threatens Xanth Nimby and his consort exchange places with a young couple from Earth and must engage a deadly Demon without the use of their magical powers *DoOon Mode* Piers Anthony,2025-09-23 Beyond the world we know there is a multiverse of Modes where many strange realities interlock in an infinitely intricate pattern and a perverse and deranged Emperor plays a deadly multidimensional game with human pawns as his slaves Now with DoOon Mode Piers Anthony at last delivers the breathtaking climax to this awesome saga Fearing the heroine Coleen s dawning power the depraved Emperor Ddwng dispatches a terrible Mind Monster to assault her soul and bend her to his will To protect herself and those she loves Coleen must journey back through many worlds to her own home
