**You Are a Frequency** Debbie Anne Sellwood, 2024-03-29 A transformation in human consciousness is taking place And it's generating a growing interest in how subtle elements of the human constitution play a part in the maintenance of our health and wellbeing You Are a Frequency introduces a new paradigm for health and healing based on the whole person not the physical body on which traditional medicine focuses In this book Debbie Sellwood describes the human being's various energy systems indicating that everything animal vegetable and mineral has its own unique vibration She explains how these energy bodies influence our health and wellbeing that the physical body is a medium for the consciousness of the energy bodies You Are a Frequency explains that how we perceive and react to life events determine what experiences we attract into our lives including health Our reactions also impact the frequency of our vibrations and by raising our vibrations we become more empowered able to take responsibility for ourselves It is the author's belief that understanding ourselves as energetic beings will ultimately inspire a future health paradigm and lead to the transformation of the medical system This book will appeal to the increasing number of people who are aware of a spiritual component to their existence who want to understand who they really are and their potential at a more holistic level The times in which we live are causing us to acknowledge that there is more to life and to ourselves than meets the eye you are more than you think

**Crystal Legends** Moyra Caldecott, 2007-04-01 Crystals and gemstones have been a source of fascination since Neolithic times they endure when the bones of those they have adorned have turned to dust Such was the profundity of crystal lore that ancient peoples incorporated crystals and gemstones as dynamic and potent symbols in their legends and myths In Crystal Legends Moyra Caldecott approaches crystals from a new angle retelling stories drawn from world mythology which show the significance of crystals and precious stones as symbolic icons in a variety of traditions In addition she gives in depth commentaries on their esoteric meaning and significance for us From Buddhist and biblical texts European and Egyptian tales Arthurian and Atlantean legends this fascinating collection will appeal to anyone with an interest in the power of crystals and the eternal journey of the soul towards enlightenment
