Handbook on Gender and War Simona Sharoni,Julia Welland,Linda Steiner,Jennifer Pedersen,2016-07-27 This interdisciplinary Handbook offers a comprehensive and detailed overview of the relationship between gender and war exploring the conduct of war its impact aftermath and opposition to it Offering sophisticated theoretical insights and empirical research from the First World War to contemporary conflicts around the world this Handbook underscores the centrality of gender to critical examinations of war

Women and Their Money 1700-1950 Anne Laurence,Josephine Maltby,Janette Rutterford,2008-11-20 This volume explores the activities of women as investors and managers of wealth across the globe from the early 18th century to the mid 20th century

Gender and Power in Britain 1640-1990 Susan Kingsley Kent,2002-01-04 Gender and Power in Britain is an original and exciting history of Britain from the early modern period to the present focusing on the interaction of gender and power in political social cultural and economic life Using a chronological framework the book examines the roles responsibilities and identities of men and women how power relationships were established within various gender systems how women and men reacted to the institutions laws customs beliefs and practices that constituted their various worlds class racial and ethnic considerations the role of empire in the development of British institutions and identities the civil war twentieth century suffrage the world wars industrialisation Victorian morality

Swimming Communities in Victorian England Dave Day,Margaret Roberts,2019-07-22 This book explores how different constituencies influenced the development of nineteenth century swimming in England and highlights the central role played by swimming professors These professionals were influential in inspiring participation in swimming particularly among women well before the amateur community created the Amateur Swimming Association and

this volume outlines some key life courses to illustrate their working practices Female exhibitors were important to professors and chapter three discusses these natationists and their impact on women s swimming Subsequent chapters address the employment opportunities afforded by new swimming baths and the amateur community that formed clubs and a national organization which excluded swimming professors many of whom subsequently worked successfully abroad Dave Day and Margaret Roberts argue that the critical role played by professors in developing swimming has been forgotten and suggest that their story is a reminder that individuals were just as important to the foundation of modern sport as the formation of amateur organizations

Mendoza the Jew Ronald Schechter, Liz Clarke, 2014 Mendoza the Jew combines a graphic history with primary documentation and contextual information to explore issues of nationalism identity culture and historical methodology through the life story of Daniel Mendoza Mendoza was a poor Sephardic Jew from East London who became the boxing champion of Britain in 1789 As a Jew with limited means and a foreign sounding name Mendoza was an unlikely symbol of what many Britons considered to be their very own national sport

Female Intelligence Tammy M. Proctor, 2003 Informative and innovative this book focuses on the cultural images realities challenges and contradictions for women in intelligence service in Britain during World War I

Friendship's Shadows: Women's Friendship and the Politics of Betrayal in England, 1640-1705 Penelope Anderson, 2012-08-31 Penelope Anderson s original study changes our understanding both of the masculine Renaissance friendship tradition and of the private forms of women s friendship of the eighteenth century and after It uncovers the latent threat of betrayal lurking within politicized classical and humanist friendship showing its surprising resilience as a model for political obligation undone and remade Incorporating authors from Cicero to Abraham Cowley and Margaret Cavendish to Mary Astell the book focuses on two extraordinary women writers the royalist Katherine Philips and the republican Lucy Hutchinson And it explores the ways in which they appropriate the friendship tradition in order to address problems of conflicting allegiances in the English Civil Wars and Restoration As Penelope Anderson suggests their writings on friendship provide a new account of women s relation to public life organized through textual exchange rather than bodily reproduction

Multiple Gender Cultures, Sociology, and Plural Modernities Heidemarie Winkel, Angelika Pofnerl, 2020-12-30 Until today Western European sociology contributes to the social reality of colonial modernity and gender knowledge is a paradigmatic example of it Multiple Gender Cultures Sociology and Plural Modernities critically engages with these Western eyes and shifts the focus towards the global variety of gendered socialities and hierarchically entangled social histories This is conceptualised as multiple gender cultures within plural modernities The authors examine the multifaceted realities of gendered life in varying contexts across the globe Bringing together different perspectives the volume provides a rereading of the social fabric of gender in contrast to androcentrist modernist as well as orientalist representations of the gendered Other The key questions explored by this volume are which social mechanisms lead to conflicting or shifting gender dynamics against the backdrop of global entanglements and

interdependencies and to what extent are neocolonial gender regimes at work in this regard How are varying gender cultures sociohistorically and culturally structured and how are they connected within global power relations How can established hierarchies and asymmetries become an object of criticism How can historical cultural social and political specificities be analysed without gendered and other reifications That way the volume aims to promote border thinking in sociological understanding of social reality towards multiple gender cultures and plural modernities

Questions and Answers in the English Courtroom (1640-1760) Dawn Archer, 2005-01-01 Printbegr nsninger Der kan printes 10 sider ad gangen og max 40 sider pr session

Gender and Space in Early Modern England Amanda Flather, 2007 A nuanced re evaluation of the ways in which gender affected the use of physical space in early modern England Space was not simply a passive backdrop to a social system that had structural origins elsewhere it was vitally important for marking out and maintaining the hierarchy that sustained social and gender order in sixteenth and seventeenth century England Gender had a considerable influence on its use and organization status and gender were displayed physically and spatially every moment of the day from a person s place at table to the bed on which he or she slept in places of work and recreation in dress gesture and modes of address Space was also the basis for the formation of gender identities which were constantly contested and restructured as this book shows Examining in turn domestic social and sacred spaces and the spatial division of labour in gender construction the author demonstrates how these could shift and with them the position and power of women She shows that the ideological assumption that all women are subject to all men is flawed and exposes the limitations of interpretations which rely on the model and binary opposition of public private male female to describe gender relations and their changes across the period thus offering a much more complex and picture than has hitherto been perceived The book will be essential reading not just for historians of the family and of women but for all those studying early modern social history AMANDA FLATHER is a lecturer in the Department of History at the University of Essex

Subject Guide to Books in Print , 1997 *Within Her Power* Linda Sturtz, 2013-11-05 This is an engaging and comprehensive study of property owning women in the colony of Tidewater VA during the 17th 18th centuries It examines the social restrictions on women s behaviour and speech opportunities and difficulties these women encountered in the legal system the economic and discretionary authority they enjoyed the roles they played in the family business their roles in the later trans Atlantic trading framework and the imperial context within which these colonial women lived making this a welcome addition to both colonial and women s history

Arts & Humanities Citation Index , 2002 **Gender and the English Revolution** Ann Hughes, 2011-08-18 From the most important feminist scholar of early modern Britain in the UK this is a fascinating and unique examination of how the experience of the civil wars in England changed both role and conception of women and men in politics society and culture

A Companion to Stuart Britain Barry Coward, 2008-04-15 Covering the period from the accession of James I to the death of Queen Anne this companion provides a magisterial overview of the long seventeenth

century in British history Comprises original contributions by leading scholars of the period Gives a magisterial overview of the long seventeenth century Provides a critical reference to historical debates about Stuart Britain Offers new insights into the major political religious and economic changes that occurred during this period Includes bibliographical guidance for students and scholars

Scottish Society, 1500-1800 Robert Allen Houston, Ian D. Whyte, 2005-04-18 The volume covers many of the most significant themes in pre industrial Scottish society

The Household and the Making of History Mary S. Hartman, 2004-04-12 This book argues that a unique late marriage pattern discovered in the 1960s but originating in the Middle Ages explains the continuing puzzle of why western Europe was the site of changes that from about 1500 gave rise to the modern world Contrary to views that credit upheavals from the late eighteenth century were responsible for ushering in the contemporary global era it contends that the roots of modern developments themselves are located in an event more than a millennium earlier when the peasants in northwestern Europe began to marry their daughters almost as late as their sons The appearance of this late marriage system with its unstable nuclear household form will also be shown to have exposed for the first time the common ingredients whose presence has perpetuated beliefs in the importance of gender difference and of a sexual hierarchy favoring males

A Matter of Honour Zachary Twamley, 2016-12-17 Zachary Twamley the host of the popular *When Diplomacy Fails* podcast explores the role Honour played in Britain's entry into World War I The decision to enter the war in conjunction with France and Russia in 1914 was not a foregone conclusion There were pro's and con's within the government to enter the war and the German invasion of Belgium was not the final push to get Britain to declare war on Germany Zach examines Honour as was passed down from Victorian to Edwardian England as its role in the government's final decision Based on his award winning paper and his podcast Zack explores the one of the factors that led to Britain's road to war
