Gender And Texts A Professional Development Package For Teaching English:

The SAGE Handbook of Gender and Education Christine Skelton, Becky Francis, Lisa Smulyan, 2006-10-23 The Handbook of Gender and Education brings together leading scholars on gender and education to provide an up to date and broad ranging guide to the field It is a comprehensive overview of different theoretical positions on equity issues in schools The contributions cover all sectors of education from early years to higher education curriculum subjects methodological and theoretical perspectives and gender identities in education Each chapter reviews syntheses and provides a critical interrogation of key contemporary themes in education This approach ensures that the book will be an indispensable source of reference for a wide range of readers students academics and practitioners The first section of the Handbook Gender Theory and Methodology outlines the various feminist perspectives on researching and exploring gender and education The section critiques the notion of gender as a category in educational research and considers recent trends evident especially in the gender and underachievement debates to locate gender difference solely within biology This section provides the broad background upon which the issues and debates in the other sections can be situated Section two Gender and Education considers the differing ways in which gender has been shown to impact upon the opportunities and experiences of pupils students teachers and other adults in the different sectors of education It also includes a chapter on single sex schooling Section three Gender and School Subjects comprises chapters that cover gender issues within the teaching and learning of particular school subjects for example maths literacy and science It also includes topics such as sex education and assessment The chapters in section four Gender identity and educational sites address up to date issues which have a long history in terms of explorations into gender and educational opportunities More recent inclusions in the debates such as disability sexuality and masculinities are discussed alongside the more traditional concerns of race social class and femininities The final section Working in Schools and Colleges illuminates the working lives of teachers and academics The chapters cover such topics as school culture career progression and development and the gendered identities of professionals within educational institutions The contributors to this book have been selected by the editors as authorities in their specific area of gender and education and are drawn from the international scholarly community **Digital Games**

Catherine Beavis, Joanne O'Mara, Lisa McNeice, 2012 Digital Games Literacy in action is the result of a wide ranging investigation into the educational possibilities involved in young people's games From their creation in the classroom to analysing games and the world of games as text academics and teachers are now taking seriously the serious play of young people The contributors use the interaction between the theoretical frameworks of games as text and games as action to explore a wide range of issues relevant to the teaching of English and literacy These include understanding games as media texts the place of digital culture in young people's lives the narrative and visual design components of games exploring concepts of role play and identity in games the potential for games to engage disengaged students and issues of gender and

social interaction in game playing **Teaching Australian Literature** Brenton Doecke, Larissa McLean Davies, Philip Mead, 2011 What role should Australian literature play in the school curriculum What principles should guide our selection of Australian texts To what extent should concepts of the nation and a national identity frame the study of Australian writing What do we imagine Australian literature to be How do English teachers go about engaging their students in reading Australian texts This volume brings together teachers teacher educators creative writers and literary scholars in a joint inquiry that takes a fresh look at what it means to teach Australian literature The immediate occasion for the publication of these essays is the implementation of The Australian Curriculum English which several contributors subject to critical scrutiny In doing so they question the way that literature teaching is currently being constructed by standards based reforms not only in Australia but elsewhere The essays assembled in this volume transcend the divisions that have sometimes marred debates about the place of Australian literature in the school curriculum They all recognise the complexity of what secondary English teachers do in their efforts to engage young people in a rich and meaningful curriculum They also highlight the need for both secondary and tertiary educators to cultivate an awareness of the cultural and intellectual traditions that mediate their professional practice and to encourage a critically responsive pedagogy *Teenagers and Reading* Jacqueline Manuel, Sue Brindley, 2012 Teenagers and Reading Literary heritages cultural contexts and contemporary reading practices brings together international research and practical perspectives on the current state of teenagers reading The contributions by teachers researchers and other educators explore the what how when where and why of adolescents reading advancing our understanding of the relationships between and among teenage readers texts and contexts **So What'S A Boy?** Martino, Wayne, Pallotta-Chiarolli, Maria, 2003-04-01 Annotation This book bears the hallmark of Open University Press texts It is well laid out and nicely produced It manages a good balance between textbook and cutting edge research The book is impressive in its command of a wide range of writings on sexuality gender masculinity and schooling Educational Review This book focuses on the impact and effects of masculinities on the lives of boys at school Through interviews with boys from diverse backgrounds the authors explore the various ways in which boys define and negotiate their masculinities at school The following questions and issues are addressed What does it mean to be a normal boy and who decides this How do issues of masculinity impact on boys from culturally diverse backgrounds indigenous boys those with disabilities and boys of diverse sexualities What issues of power impact on these boys lives and relationships at school What effects do these issues have on boys learning at school Through problematizing and interrogating the question of what makes a boy a boy this fascinating title offers recommendations and indicates future directions for working with boys in school **Gender and Texts** Wayne Martino, Christine Cook, 1998 This publication provides both a useful theoretical framework and a practical orientation to dealing with gender and texts in the literacy classroom It will provide English teachers with some useful strategies and approaches for working with texts thus helping students develop particular capacities for reading **English in Australia**

,2002-07 *EFL Writing Teacher Education and Professional Development* Estela Ene,Betsy Gilliland,Sarah Henderson Lee,Tanita Saengkhum,Lisya Seloni,2024-04-16 This book explores how EFL writing teacher education is theoretically pedagogically methodologically and sociopolitically shaped given teachers unique local contexts and circumstances It showcases practitioners and researchers teaching in or studying geographic areas that have as yet been under represented in international publications and it focuses on ways that specific contexts create unique opportunities and constraints on what developing teachers know and do in their work The chapters prioritize local voices and materials to build a more inclusive and comprehensive picture of L2 writing globally enabling the book as a whole to both document and further shape pedagogical approaches to L2 writing Readers will be able to use the unique insights contained in this book in their own classrooms and professional development activities

Feminist Pedagogy in Higher Education Tracy Penny Light,Jane Nicholas,Renée Bondy,2015-07-31 In this new collection contributors from a variety of disciplines provide a critical context for the relationship between feminist pedagogy and academic feminism by exploring the complex ways that critical perspectives can be brought into the classroom This book discusses the processes employed to engage learners by challenging them to ask tough questions and craft complex answers wrestle with timely problems and posit innovative solutions and grapple with ethical dilemmas for which they seek just resolutions Diverse experiences interests and perspectives together with the various teaching and learning styles that participants bring to twenty first century universities necessitate inventive and evolving pedagogical approaches and these are explored from a critical perspective The contributors collectively consider the implications of the theory practice divide which remains central within academic feminism s role as both a site of social and gender justice and as a part of the academy and map out some of the ways in which academic feminism is located within the academy today
