Gender In Russian History And Culture:

Gender in Russian History and Culture L. Edmondson,2001-07-11 This volume charts the changing aspects of gender in Russia's cultural and social history from the late seventeenth century to the Stalinist era and the collapse of the Soviet Union. The works while focusing on women as a primary subject highlight in particular gender difference the construction of both femininity and masculinity in a culture that has undergone major transformation and disruptions over the period of three centuries.

Russian Masculinities in History and Culture B. Clements,R. Friedman,D. Healey,2001-12-18 From the romantic liaisons of Peter the Great to the birth of the Russian queen this collection of essays presents recent research from the new field of Russian masculinity studies. Peasant patriarchs aristocratic dandies anxious young bureaucrats workers in search of father figures heroic warriors promiscuous bathhouse attendants and vodka soaked athletic stars populate this volume. Its essays take as a starting point the notion that masculinity like femininity has a history.

The works while focusing on women as a primary subject highlight in particular gender difference the construction of both femininity and masculinity in a culture that has undergone major transformation and disruptions over the period of three centuries.

A Companion to Russian History Abbott Gleason,2014-01-28 This companion comprises 28 essays by international scholars offering an analytical overview of the development of Russian history from the earliest Slavs through to the present day. Includes essays by both prominent and emerging scholars from Russia Great Britain the US and Canada. Analyzes the entire sweep of Russian history from debates over how to identify the earliest Slavs through the Yeltsin Era and future prospects for post Soviet Russia. Offers an extensive review of the medieval period religion culture and the experiences of ordinary people. Offers a balanced review of both traditional and cutting edge topics demonstrating the range and dynamism of the field.

Gender and National Identity in Twentieth-century Russian Culture Helena Goscilo,Andrea Lanoux,2006 Combining concepts and methodologies from anthropology history linguistics literature music cultural studies and film studies this collection of ten original essays addresses issues crucial to gender and national identity in Russia from the October Revolution of 1917 to the present. Prefaced by an introduction on Russian cultural myths grounded in gender difference the essays shed new light on such topics as national cultural and gender identity in the Russian language typecasting of women revolutionaries soviet masculinity in Stalin era film and prostitution during and after perestroika. Collectively these interdisciplinary essays explore how traditional gender inequities influenced the social processes of nation building in Russia and how men and women responded to those developments. *Gender and National Identity in Twentieth Century Russian Culture* offers fresh insights to students and scholars in the fields of gender studies nationhood studies and Russian history literature and culture.

A History of Russian Thought William Leatherbarrow,Derek Offord,2010-04-01 The

history of ideas has played a central role in Russia's political and social history. Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the Russia of today. This history examines important intellectual and cultural currents: the Enlightenment, nationalism, nihilism, and religious revival, and key themes: conceptions of the West and East, the common people, and attitudes to capitalism and natural science in Russian intellectual history. Concentrating on the Golden Age of Russian thought in the mid nineteenth century, the contributors also look back to its eighteenth century origins in the flowering of culture following the reign of Peter the Great and forward to the continuing vitality of Russia's classical intellectual tradition in the Soviet and post Soviet eras. With brief biographical details of over fifty key thinkers and an extensive bibliography, this book provides a fresh, comprehensive overview of Russian intellectual history.

A History of Women's Writing in Russia Adele Marie Barker, Jehanne M. Gheith, 2002-07-11. A History of Women's Writing in Russia offers a comprehensive account of the lives and works of Russia's women writers. Based on original and archival research, this volume forces a re-examination of many of the traditionally held assumptions about Russian literature and women's role in the tradition. In setting about the process of reintegrating women writers into the history of Russian literature, contributors have addressed the often surprising contexts within which women's writing has been produced. Chapters reveal a flourishing literary tradition where none was thought to exist. They redraw the map defining Russia's literary periods; they look at how Russia's women writers articulated their own experience and they reassess their relationship to the dominant male tradition. The volume is supported by extensive reference features including a bibliography and guide to writers and their works.

A History Of Russia Volume 2 Walter G. Moss, 2004-10-01. Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects. He has also brought the history up to date by revising the post-Soviet material which now covers events from the end of 1991 up to the present day. This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US, Canada, and around the world.

Tobacco in Russian History and Culture The Seventeenth Century to the Present explores tobacco's role in Russian culture through a multidisciplinary approach starting with the growth of tobacco consumption from its first introduction in the seventeenth century until its pandemic status in the current post-Soviet health crisis.

Russian History through the Senses Matthew P. Romaniello, Tricia Starks, 2016-09-22. Bringing together an impressive cast of well-respected scholars in the field of modern Russian studies, *Russian History through the Senses* investigates life in Russia from 1700 to the present day via the senses. It examines past experiences of taste, touch, smell, sight, and sound to capture a vivid impression of what it was to have lived in the Russian world so uniquely placed as it is between East and West during the last three hundred years. The book discusses the significance of sensory history in relation to modern Russia and covers a range of exciting case studies rich with primary source material that

provide a stimulating way of understanding modern Russia at a visceral level Russian History through the Senses is a novel text that is of great value to scholars and students interested in modern Russian studies **A Companion to the Russian**

Revolution Daniel Orlovsky, 2020-08-17 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject A Companion to the Russian Revolution offers more than thirty original essays written by a team of respected scholars and historians of 20th century Russian history Presenting a wide range of contemporary perspectives the Companion discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived contemporary views of the revolution largely based on the author s original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon **A**

History of Women in Russia Barbara Evans Clements, 2021-12-22 A survey of the key political economic social and cultural developments in Russian women s history from 900 to 2010 and their impact on the nation Synthesizing several decades of scholarship by historians East and West Barbara Evans Clements traces the major developments in the history of women in Russia and their impact on the history of the nation Sketching lived experiences across the centuries she demonstrates the key roles that women played in shaping Russia s political economic social and cultural development for over a millennium The story Clements tells is one of hardship and endurance but also one of achievement by women who for example promoted the conversion to Christianity governed estates created great art rebelled against the government established charities built the tanks that rolled into Berlin in 1945 and flew the planes that strafed the retreating Wehrmacht This daunting and complex history is presented in an engaging survey that integrates this scholarship into the field of Russian and post Soviet history The product of a lifetime of engagement by one of the preeminent authorities on the history of Russian women the book reflects the author s deep expertise in primary sources as well as her familiarity with the secondary literature Choi Chatterjee California State University Los Angeles A significant achievement in scholarship on Russian women and gender

Among this text's many strengths are its lucidity, readability and engaging synthesis of a large number of both primary and secondary sources. Its erudite contextualization of the history of Russian women within a larger European framework ensures its interest for and accessibility to a wide readership, especially those outside of the Slavic field. Slavic and East European Journal. Clements's writing is engaging, clear and jargon-free, making this book easily accessible to a general audience. Highly recommended. Choice. This daunting and complex history is presented in an engaging survey that integrates this scholarship into the field of Russian and post-Soviet history. Journal of Turkish Weekly

Bolshevik Sexual Forensics Dan Healey, 2022-11-15. In an effort to modernize criminal and civil investigations, early Bolsheviks gave forensic doctors, most of whom had been trained under the tsarist regime, new authority over issues of sexuality. Revolutionaries believed that forensic medicine could provide scientific and objective solutions to sexual disorder in the new society. Bolshevik Sexual Forensics explores the institutional history of Russian and Soviet forensic medicine and examines the effects of its authority when confronting sexual disorder. Healey compares sex crime investigations from Petrograd and Sverdlovsk in the 1920s to the numerous publications by forensic doctors and psychiatrists of the prerevolutionary and early Soviet periods to illustrate the role that these specialists played. In addition, Healey presents a fascinating look at how doctors diagnosed and treated hermaphroditism, showing how Soviet physicians revolutionized the standard scientific view in these cases by taking into account individual desire. This study sheds light on unexplored radical and reactionary forces that shaped the Bolshevik sexual revolution as lawmakers defined new ways of seeing sexual crime and disorder. Forensic doctors struggled to interpret the replacement of the age of consent with a standard of sexual maturity, a designation that made female sexuality a collective resource, not part of an individual's personality. Innocence, experience and virginity played a major role in the expertise doctors furnished in rape and abuse trials. Psychiatrists recoiled from the language of sexual psychology in their investigations of sex criminals. Yet in the clinic, Soviet physicians probed the desires of the two-sexed citizen, whose psychology served as the basis for a distinctly modern approach to the erasure of the hermaphrodite. Healey concludes that the vision of men and women as equals after a sexual revolution was undermined from the outset of the Soviet experiment. Law and medicine failed to protect women and girls from violence, and Soviet medicine's physiological and biological model of sexual citizenship erased the vision of sexual self-expression, especially for women. This groundbreaking study will appeal to Soviet historians and those interested in gender studies, sexuality, medicine and forensics.

Women's Emancipation Movements in the Nineteenth Century Sylvia Paletschek, 2005-11-14. The nineteenth century, a time of far-reaching cultural, political and socio-economic transformation in Europe, brought about fundamental changes in the role of women. Women achieved this by fighting for their rights in the legal, economic and political spheres. In the various parts of Europe, this process went forward at a different pace and followed different patterns. Most historical research up to now has ignored this diversity, preferring to focus on women's emancipation movements in major western European countries such as Britain and

France The present volume provides a broader context to the movement by including countries both large and small from all regions of Europe Fourteen historians all of them specialists in women s history examine the origins and development of women s emancipation movements in their respective areas of expertise By exploring the cultural and political diversity of nineteenth century Europe and at the same time pointing out connections to questions explored by conventional scholarship the essays shed new light on common developments and problems

Utopian Reality Christina Lodder, Maria Kokkori, Maria Mileeva, 2013-10-24 This collection of essays deals broadly with the visual and cultural manifestation of utopian aspirations in Russia of the 1920s and 1930s while examining the before and after life of such ideas both geographically and chronologically The studies document the pluralism of Russian and Soviet culture at this time as well as illuminating various cultural strategies adopted by officialdom The result serves to complicate the excessively simplistic narrative that avant garde dreams were suddenly and brutally crushed by Soviet repression and to contest the notion of the avant garde s complicity in Stalinism Naturally some essays document episodes in the defeat and dismantling of utopian projects but others trace the persistence of avant garde ideas and the astonishing tenacity of creative individuals who managed to retain their personal integrity while continuing to serve the cause of Soviet power Contributors include John E Bowlt Natalia Budanova David Crowley Evgeny Dobrenko Maria Kokkori Christina Lodder Muireann Maguire Nicholas Bueno de Mesquita Maria Mileeva John Milner Nicoletta Misler Maria Starkova Vindman Brandon Taylor and Maria Tsantsanoglou

Moving Crops and the Scales of History Francesca Bray, Barbara Hahn, John Bosco Lourdasamy, Tiago Saraiva, 2023-02-14 A bold redefinition of historical inquiry based on the cropscape the people creatures technologies ideas and places that surround a crop Human efforts to move crops from one place to another have been a key driving force in history Crops have been on the move for millennia from wildlands into fields from wetlands to dry zones from one imperial colony to another This book is a bold but approachable attempt to redefine historical inquiry based on the cropscape the assemblage of people places creatures technologies and other elements that form around a crop The cropscape is a method of reconnecting the global with the local the longue dur e with microhistory and people plants and places with abstract concepts such as tastes ideas skills politics and economic forces Through investigating a range of contrasting cropscares spanning millennia and the globe the authors break open traditional historical structures of period geography and direction to glean insight into previously invisible actors and forces

Global Russian Cultures Kevin M. F. Platt, 2019-01-15 Is there an essential Russian identity What happens when Russian literature is written in English by such authors as Gary Shteyngart or Lara Vapnyar What is the geographic home of Russian culture created and shared via the internet Global Russian Cultures innovatively considers these and many related questions about the literary and cultural life of Russians who in successive waves of migration have dispersed to the United States Europe and Israel or who remained after the collapse of the USSR in Ukraine the Baltic states and the Central Asian states The volume s internationally renowned contributors treat the many different global Russian

cultures not as displaced elements of Russian cultural life but rather as independent entities in their own right They describe diverse forms of literature music film and everyday life that transcend and defy political geographic and even linguistic borders Arguing that Russian cultures today are many this volume contends that no state or society can lay claim to be the single or authentic representative of Russianness In so doing it contests the conceptions of culture and identity at the root of nation building projects in and around Russia Meanings and Values of Water in Russian Culture Jane Costlow, Arja Rosenholm, 2016-11-25 Bringing together a team of scholars from the diverse fields of geography literary studies and history this is the first volume to study water as a cultural phenomenon within the Russian Soviet context Water in this context is both a cognitive and cultural construct and a geographical and physical phenomenon representing particular rivers the Volga the Chusovaia in the Urals the Neva and bodies of water from Baikal to sacred springs and the flowing water of nineteenth century estates but also powerful systems of meaning from traditional cultures and those forged in the radical restructuring undertaken in the 1930s Individual chapters explore the polyvalence and contestation of meanings dimensions and values given to water in various times and spaces in Russian history The reservoir of symbolic association is tapped by poets and film makers but also by policy makers the popular press and advertisers seeking to incite reaction or drive sales The volume's emphasis on the cultural dimensions of water will link material that is often widely disparate in time and space it will also serve as the methodological framework for the analysis undertaken both within chapters and in the editors introduction

Humanities, 2000 **Media Cultures of the Russian 1990s** Maya Vinokour, 2025-10-14 Examining Russian language media from the long 1990s the period beginning with Mikhail Gorbachev's policy of glasnost openness and ending with the election of President Vladimir Putin *Media Cultures of the Russian 1990s* shows how post Soviet civil society emerged simultaneously with the explosion of new media especially a newly liberated television and internet A brief and contested period of media independence ensued as explosive creativity collided with rank commercialism journalistic integrity with burgeoning political ambitions and fringe with mainstream By the late 1990s however the media landscape had succumbed to economic and political exploitation The causes and nature of this shift which set the stage for Putin's crackdown on independent media after 2000 as well as Russia's slide into aggressive authoritarianism are embedded in the era's media artifacts Written by an interdisciplinary group of experts this edited collection addresses the mutual influence among disparate spheres of public life that enabled the media Wild West of the first post Soviet decade As a joint platform the volume and the associated Multimedia Sourcebook of the Russian 1990s present the decade's media cultures in a manner that reflects their historical interconnectedness and relationship to the global present Edited by Maya Vinokour with contributions from Bradley Gorski Courtney Doucette Fabrizio Fenghi Rita Safariants Daniil Leiderman Thomas Keenan and Pavel Khazanov

Gender In Russian History And Culture Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gender In Russian History And Culture has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gender In Russian History And Culture has opened up a world of possibilities. Downloading Gender In Russian History And Culture provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gender In Russian History And Culture has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gender In Russian History And Culture. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gender In Russian History And Culture. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gender In Russian History And Culture, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gender In Russian History And Culture has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Gender In Russian History And Culture Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gender In Russian History And Culture is one of the best book in our library for free trial. We provide copy of Gender In Russian History And Culture in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gender In Russian History And Culture. Where to download Gender In Russian History And Culture online for free? Are you looking for Gender In Russian History And Culture PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Gender In Russian History And Culture. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Gender In Russian History And Culture are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Gender In Russian

History And Culture. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Gender In Russian History And Culture To get started finding Gender In Russian History And Culture, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Gender In Russian History And Culture So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Gender In Russian History And Culture. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Gender In Russian History And Culture, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Gender In Russian History And Culture is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Gender In Russian History And Culture is universally compatible with any devices to read.
