Gender Justice Development And Rights

Dag Hammarskjöld Library

Gender Justice Development And Rights:

Gender Justice, Development, and Rights Maxine Molyneux, Shahra Razavi, 2002-11-07 Recent years have seen a shift in the international development agenda in the direction of a greater emphasis on rights and democracy While this has brought many positive changes in women s rights and political representation in much of the world these advances were not matched by increases in social justice Rising income inequalities coupled with widespread poverty in many countries have been accompanied by record levels of crime and violence Meanwhile the global shift in the consensus over the role of the state in welfare provision has in many contexts entailed the down sizing of public services and the re allocation of service delivery to commercial interests charitable groups NGOs and households Gender Justice Development and Rights reflects on this ambivalent record and on the significance accorded in international development policy to rights and democracy in the post Cold War era Key items on the contemporary policy agenda neo liberal economic and social policies democracy and multiculturalism are addressed here by leading scholars and regional specialists through theoretical reflections and detailed case studies Together they constitute a collection which casts contemporary liberalism in a distinctive light by applying a gender perspective to the analysis of political and policy processes Case studies from Latin America sub Saharan Africa Middle East East Central Europe South and South east Asia contribute a cross cultural dimension to the analysis of contemporary liberalism the dominant value system in the modern world and how it exists and is resisted in developing and post transition societies

Gender Justice, Development, and Rights Maxine Molyneux, Shahra Razavi, 2002-11-07 This text examines contemporary issues such as neoliberal policies democracy and multiculturalism analyzing them from a gender perspective It examines how liberal rights and ideas of democracy and justice have been absorbed into the political agendas of women s movements

Gender Justice, Development and Rights Maxine Molyneux, Shahrashoub Razavi, United Nations Research Institute for Social Development, 2003 Provides an overview of issues and findings from 12 theoretical and empirical studies commissioned under UNRISD research project Gender Justice Development and Rights initiated in Jan 2000

Gender Justice, Development and Rights, 2000 *Gender Justice and Human Rights in International Development Assistance* Sarah Forti, 2018-09-21 Gender Justice and Human Rights in International Development Assistance provides a critical analysis of how frameworks of gender equality play out in the field of international development assistance at theoretical international legislative and policy levels donor and national policy levels and programme levels If current dominant theoretical perspectives are not interrogated the consequences could be that gender inequalities and injustices are inadequately addressed or that opportunities are missed to impact on poverty reduction and on transformative gender changes Through a renewed interpretation of gender equality in IDA the book aims to show the way towards a more effective response to gender inequalities and injustices faced by women in developing countries Drawing on 20 years of experience working with IDA policies and programming across three continents this book makes an important contribution to the active

and dynamic field of critical feminism as well as providing practical illustrations on how such critical thinking might contribute to gender transformational changes Gender Justice and Human Rights in International Development Assistance will be important reading for scholars and upper level students working in the fields of gender equality human rights development assistance foreign affairs international law and international relations

Gender Justice, Development and Rights, 2000 **Gender Justice, Development and Rights** Maxine Molyneux, 2000 **Gender Justice and Development: Local and Global** Christine Koggel, Cynthia Bisman, 2017-10-02 It is now generally accepted by development theorists and policy makers that the popular policies of reducing or eliminating social welfare programs over the past several decades have increased inequalities and injustices throughout the world The authors in this collection focus on the gendered aspects of these inequalities and injustices They do so by exploring the ethics values and principles central to understanding and alleviating real world problems resulting from a lack of gender justice locally and globally Some of the authors offer new theoretical and conceptual frameworks in order to analyze connections between gender norms and inequalities to devise strategies to empower women and strengthen communities to challenge mainstream understandings of justice and responsibility to promote caring and just relationships among people within and across borders or to shape more adequate accounts of development and global ethics Other authors apply new theories and concepts in order to explore gender justice in the context of issues such as climate change land ownership rights in Cameroon or empowerment strategies in places such as Afghanistan Bangladesh Ghana Columbia and Indonesia This book was originally published as a special issue of Ethics and Social Welfare

Rural Women and Development in India U. Kalpagam, Jaya Arunachalam, 2008 Transformations in rural India have ushered in water and fodder scarcity that have increased the drudgery of rural women s lives Additionally rural women face greater livelihood insecurity on account of market forces and liberalization policies Food insecurity is a concern as well Women of the poorest classes of marginalized Dalit and tribal communities bear much of the brunt of these insecurities even as they also face severe restrictions on mobility and myriad forms of violence Due to greater participation of civil society organizations engaged in gender transformative approaches and participatory development some favorable outcomes have developed but these are hardly sufficient to address the scale and dimensions of the problem It is against this backdrop that Rural Women and Development in India examines the concerns of livelihood and food insecurity efficacy of micro credit and other kinds of interventions that challenge rural Indian women s lives

Gender, Society and Development Maitrayee Mukhopadhyay, Shamim Meer, 2008 This is an area that needs considerable research and this publication explores some of the key issues at stake

Urban Experiences of Gender Generations and Social Justice E. R. M. Mapetla, Ann Schlyter, Basia D. Bless, 2007 This study is situated in the changing socio economic political and intellectual realities of gender and generational inequalities within a rapidly urbanising world and in relation to achieving the Millennium Development Goals and The Habitat Agenda The issues are particularly pertinent in urban settings where resource

ownership issues are acute and social structures are undergoing rapid change Experiences are given of everyday urban living based on mainly primary sources The twelve articles arise from an international conference closing the GRUPHEL research programme ndash Gender Research on Urbanisation Planning Housing and Everyday Life The articles cover gender and urban studies in different countries Botswana Lesotho Malawi South Africa Tanzania and Zambia and The study is multidisciplinary with contributions from sociologists lawyers architects public administrators geographers and activities Matseliso M Maptela is a Senior Research Fellow and Acting Director of the Institute of Southern African Studies National University of Lesotho She is a social scientist and coordinator and scientific adviser to GRUPHEL Ann Schlyter is Associate Professor and Director of the Centre for Global Gender Studies at Goteborg University Sweden She has been a scientific adviser and participant in GRUPHEL Basia Dennis Bless is an independent researcher and a former administrator of part of the GRUPHEL programme

Women and Gender Equity in Development Theory and Practice Jane S. Jaquette, Gale Summerfield, 2006-03-27 The book is divided into three main parts which includes institutional opportunities and barriers livelihood and control of resources and womens mobilization and power

Gender Equality United Nations Research Institute for Social Development, 2005 Based on the findings of UNRISD ongoing gender research and over 60 specially commissioned studies the report s analysis is centred on the economic and political reforms of the 1990s If most of these reforms did not directly address gender equality they nevertheless received considerable scrutiny from a gender perspective And whatever their intentions they had significant and mixed implications for gender relations and women s well being The report presents strong arguments for why gender equality must be placed at the core of efforts to reorient the development agenda Indeed if some of the key contemporary challenges economic growth and structural transformation equality and social protection and democratisation are to be met

Feminism and Women's Rights Worldwide Michele Antoinette Paludi, 2010 In this landmark three volume set a remarkable team of contributors draws on a wealth of contemporary research to discuss pivotal events issues and controversies related to the global women s movement with chapters addressing reproductive rights sexual slavery harassment forced marriage mortality in birthing domestic violence and rape job discrimination pay inequities women in leadership positions and other crucial issues Together these volumes offer today s generation the real story of feminism and a call to action for the next wave of advocacy in education religion politics the military personal relationships the workplace and the home

UNRISD News , 2004 **Annual Report** United Nations Research Institute for Social Development, 2000

Negotiating Development in Muslim Societies Gudrun Lachenmann, Petra Dannecker, 2008-05-29 Through networking and globalized modes of interaction and communication women s organizations in Muslim countries negotiate global development concepts such as human rights and gender equality thereby differentiating and reconstructing local visions of muslim society and po

Budgeting for Women's Rights Diane Elson, United Nations Development Fund for Women, 2006 This publication examines how budgets and budget policy making processes can be

monitored for compliance with human rights standards in particular with the Convention of the Elimination of All Forms of Discrimination against Women CEDAW Combining substantive analysis with country examples it explores how a rights based analysis can be applied to public expenditure public revenue macroeconomics of the budget and budget decision making

United Nations Documents Index Dag Hammarskjöld Library, 2005 *Gender Justice* Elizabeth Fisher, Linda Gray MacKay, 1996 Following the United Nations 4th World Conference held in Beijing in 1995 and the NGO s forum held in China at the same time constitutes a workshop series that covers issues concerning the recognition and the promotion of the rights of women presented as critical for women worldwide
