

Global Gender Gap

68.5% closed

The gender gap is narrowing, but the collective rate of progress has slowed down. Without a bold push forward, it will take **134 years** to reach full parity.

Gender Relations In A Global World

**Raka Ray, Jennifer Carlson, Abigail
Andrews, SAGE Publications, Inc.**

Gender Relations In A Global World:

Gender Relations in a Global World Virginia Guzmán, 2002 On January 20 1994 the worshippers at the Toronto Airport Vineyard Church began to feel the Holy Spirit move them They began to laugh uncontrollably collapse to the floor stagger as if drunk But what was truly startling in this occurrence now commonly known as the Toronto Blessing is that these manifestations keep appearing at the Toronto church and have sparked a worldwide charismatic revival Visitors from around the world have come and started revivals in their home churches upon return In *Main Street Mystics* Margaret Poloma explains what is happening with this contemporary charismatic revival without explaining it away From her unique position as both a scholar and a pilgrim Poloma offers an intimate account of the movement while always attempting to understand it through the lenses of social science She looks at Pentecostalism as a form of mysticism but a mysticism that engages Pentecostals and charismatics in the everyday world With its broad overview and up close portraits *Main Street Mystics* is essential for anyone wanting to understand the ever renewing movement of Pentecostalism

Gender Relations in Global Perspective Nancy Cook, 2007 Faced with an increasingly diverse student population an expanding field of gender scholarship and an academic emphasis on multidisciplinary social science professors often struggle to address and integrate such a broad array of gender issues in their courses This book addresses that challenge by increasing students' understandings of gender relations in multiple social fields across time and space *Gender Relations in Global Perspective* is truly multidisciplinary It is partially drawn from the work of sociologists but articles written by gender scholars from the disciplines of cultural studies history political science geography and literary theory are also included The readings examine historically persistent cross culturally relevant and empirically grounded concerns such as men's position in the family and women's relationship to work media and the global economy as well as the gendered problems of violence sexuality and reproduction and racism This book presents an engaging range of comparative and cross cultural gender analyses from various world regions including the Middle East South Asia South East Asia Europe the Americas and Africa As the articles are dialogically situated in this text readers will be able to analyse gender similarities and differences around the globe and learn about the diversity of gender experiences across cultures and regions This range of analyses demonstrates how a global perspective enriches feminist analyses Students will quickly learn that to investigate gender dynamics adequately attention must be paid simultaneously to the processes of racialization class colonialism and imperialism and sexuality that interweave with gender to produce complex forms of oppression

Gender Matters in Global Politics Laura J. Shepherd, 2010-01-21 *Gender Matters in Global Politics* is a comprehensive textbook for advanced undergraduates studying feminism international relations gender and global politics and similar courses It provides students with an accessible but in depth account of the most significant theories methodologies debates and issues This textbook is written by an international line up of established and emerging scholars from a range of theoretical perspectives providing students with provocative and cutting edge

insights into the study and practices of how gender matters in global politics Key features and benefits of the book
Introduces students to the wide variety of feminist and gender theory and explains the relevance to contemporary global politics Explains the insights of feminist theory for a range of other disciplines including international relations international political economy and security studies Addresses a large number of key contemporary issues such as human rights trafficking rape as a tool of war peacekeeping and state building terrorism and environmental politics Features extensive pedagogy to facilitate learning seminar exercises text boxes photographs suggestions for further reading web resources and a glossary of key terms In this innovative and groundbreaking textbook gender is represented as a noun a verb and a logic allowing both students and lecturers to develop a sophisticated understanding of the crucial role that gender plays in the theories policies and practices of global politics Global Gender Issues in the New Millennium Anne Sisson Runyan, 2018-04-19 Global Gender Issues in the New Millennium argues that the power of gender works to help keep gender race class sexual and national divisions in place despite increasing attention to gender issues in the study and practice of world politics Accessible and student friendly for both undergraduate and graduate courses authors Anne Sisson Runyan and V Spike Peterson analyze gendered divisions of power and resources that contribute to the worldwide crises of representation violence and sustainability They emphasize how hard won attention to gender equality in world affairs can be co-opted when gender is used to justify or mystify unjust forms of global governance international security and global political economy In the new and updated fourth edition Runyan and Peterson examine the challenges of forging transnational solidarities to de-gender world politics scholarship and practice through renewed politics for greater representation and redistribution Yet they see promise in coalitional struggles to re-radicalize feminist world political demands to change the downward conditions of women men children and the planet Updated to include framing questions at the opening of each chapter discussion questions and exercises at the end of each chapter and updated data on gender statistics and policymaking Chapters One and Two have also been revised to provide more support to readers with less of a background in gender politics Case studies and web resources are now also provided Gender and Island Communities Firouz Gaini, Helene Pristed Nielsen, 2020-03-20 This book takes an explicitly feminist approach to studying gender and social inequalities in island settings while deliberating on islandness as part of the intersectional analysis Though there is a wealth of recent literature on islands and island studies most of this literature focuses on islands as objects of study rather than as contexts for exploring gender relations and local gendered developments Taking Karides Island feminism as a starting point and drawing from the wider literature on island studies as well as gender and place this book bridges this gap by exploring gender gender relations affect and politics in various island settings spanning a great variety of global locations from the Faroe Islands and Greenland in the north to Tasmania in the south Insights on recent developments and gendered contestations in these locations provide rich food for thought on the intricate links between gender and place in a local global world This text will be of key interest to students

and scholars of gender and feminist studies cultural studies Island studies anthropology and more broadly to sociology geography diversity and social justice studies global democracy and international relations

Career Dynamics in a Global World Premarajan Raman Kadiyil, Anneleen Forrier, Michael B. Arthur, 2020-05-29 Career Dynamics in a Global World takes on a major question in the global research and practice of career development and adopts a distinctive approach in response The authors address the question of how and to what extent a predominant influence of Western thinking about careers interferes with our understanding of careers in other parts of the world The approach involves identifying career topics for further exploration recruiting teams of Indian and Westerners scholars on each topic to share their insights and laying out those insights to help both careers researchers and practitioners see their significance

The Global Construction of Gender Elisabeth Prügl, 1999 Proposing an innovative conception of global politics by de-emphasizing state actors and instead analyzing competing transnational discourses The Global Construction of Gender focuses specifically on people who work at home for pay Prügl explores the debates and rhetoric surrounding home based workers that have taken place in global movements and multilateral organizations since the early 1900s in order to trace changing conceptions of gender over the course of this century

Global Gender Research Christine Bose, Minjeong Kim, 2013-01-11 Readers of Global Gender Research will learn to compare and contrast feminist concerns globally gain familiarity with the breadth of gender research and understand the national contexts that produced it This volume provides an in depth comparative picture of the current state of feminist sociological gender and women's studies research in four regions of the world Africa Asia Latin America the Caribbean and Europe as represented by many countries The introductory essay to each region explains how social science research on women and or gender issues has been shaped by economics politics and culture and by trends that are simultaneously local regional and global It familiarizes readers with the wide range of salient issues research methods writing styles and leading authors from around the globe Each regional section includes several chapters on gender research in specific countries that represent the region's diversity and cover the major theoretical and empirical trends that have emerged over time as well as the relationship of key research questions to feminist activism and women's or gender studies Next the editors illustrate this new wave of gender scholarship with translated reprinted samples of research articles from additional countries in the region that cover a wide range of important global topics such as work sexuality masculinities childcare and family issues religion violence law and gender policies Finally this volume provides scholars with extensive bibliographies and a listing of web sites for women's and gender research centers in 85 countries

Women, Gender, Remittances and Development in the Global South Ton van Naerssen, Lothar Smith, Marianne H. Marchand, 2016-03-09 This book endeavours to take the conceptualisation of the relationship between transnational remittance exchanges and gender to a new level Thus inevitably it provides a number of case studies of relationships between gender and remittances from around the world highlighting different processes and practises Thereby the authors

seek to understand the impact of remittances on gender and gender relations both at the sending as well as at the receiving end For each case study authors ask how remittances affect gender identities and relationships but also vice versa By itself this already adds a wealth of insights to a field that is remarkably understudied despite a volume of studies on gender and the feminization of migration in developing contexts Chapters take an open explorative approach to the relationship between gender and remittance behaviour with the aid of case studies focusing on transnational flows between migrants and countries of origin With the wide variety of cases this book is able to provide conceptual insights to better understand how remittances affect gender identity roles and relations at both the receiving and sending end and give specific attention to the roles of various actors directly and indirectly involved in remittance sending in current collectively organized remittance schemes from around the world

Gender and the Global Land Grab Andrea M. Collins, 2024-06-15 Since the year 2000 millions of hectares of land in the Global South have been acquired by foreign investors for large scale agricultural projects displacing and disrupting rural communities Women are especially disadvantaged by the global land grab they are less likely to inherit control or make decisions over land but often need land to support themselves their families and their communities While international organizations have developed global guidelines to improve land governance tensions still run high as the current policies fall short **Gender and the Global Land Grab** introduces a feminist conceptual framework to analyze land governance policy around the world Andrea Collins shows how gender norms biases and expectations shape land politics at different levels of governance Drawing on examples from sub Saharan Africa and with an in depth case study of land politics in Tanzania the book assesses guidelines developed by institutions such as the Food and Agriculture Organization of the United Nations and the World Bank to highlight essential considerations for developing and implementing gender sensitive policy Illustrating how gender shapes resource policy across all levels of political activity **Gender and the Global Land Grab** provides valuable tools for transforming global policymaking

Gender Politics in Global Governance Mary K. Meyer, Elisabeth Prügl, 1999 This volume draws together a wide range of exciting new research that looks at the gendered nature of the institutions practices and discourses of global governance

A Companion to Global Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2020-11-19 Provides a completely updated survey of the major issues in gender history from geographical chronological and topical perspectives This new edition examines the history of women over thousands of years studies their interaction with men in a gendered world and looks at the role of gender in shaping human behavior It includes thematic essays that offer a broad foundation for key issues such as family labor sexuality race and material culture followed by chronological and regional essays stretching from the earliest human societies to the contemporary period The book offers readers a diverse selection of viewpoints from an authoritative team of international authors and reflects questions that have been explored in different cultural and historiographic traditions Filled with contributions from both scholars and teachers A Companion to Global Gender History Second Edition makes difficult concepts understandable to all levels of students It presents evidence for complex assertions regarding gender identity and grapples with evolving notions of gender construction In addition each chapter includes suggestions for further reading in order to provide readers with the necessary tools to explore the topic further Features newly updated and brand new chapters filled with both thematic and chronological geographic essays Discusses recent trends in gender history including material culture sexuality transnational developments science and intersectionality Presents a diversity of viewpoints with chapters by scholars from across the world A Companion to Global Gender History is an excellent book for upper level undergraduate and graduate students involved in gender studies and history programs It will also appeal to more advanced scholars seeking an introduction to the field

Remapping Gender in the New Global Order Marjorie Griffin-Cohen, Janine Brodie, 2007-06-11 This book analyses changes in gender relations as a result of globalization in countries on the semi periphery of power Semi periphery refers to those nations which are not drivers of change globally but have enough economic and political security to have some power in determining their own responses to global forces Individual countries obviously face challenges that are to some extent unique although the prescriptions for economic and social restructuring are based on a common competitive logic

Remapping Gender in the New Global Order draws on examples from four countries on the semi periphery of power but still located in the top category of the UNDP's Human Development Index. At one end is Norway, one of the world's richest and most developed welfare states, and at the other is Mexico, a country that is considerably poorer and more susceptible to the power of the United States and international agencies. Australia and Canada, the other two semi-peripheral countries, are examined in the middle. Also included are comparisons with the epicentre of the core base of power, the United States. The individual chapters focus on the effect on specific groups of people, including males and indigenous groups, the mechanisms people use to both cope with dramatic social changes and the strategies and alliances that are used to affect the course of changes. It covers topics that range from implications of labour migration on care regimes to globalism's effect on masculinity and the male breadwinner model.

Gender and Private Security in Global Politics Maya Eichler, 2015. For two hundred years, the provision of military security has been a central and defining function of the modern nation state. The increasing reliance on private military and security companies in contemporary conflict marks a fundamental transformation in the organization of military violence, and it raises issues of accountability and ethics that are of particular concern to feminists. This privatization of force not only enables states to circumvent citizens' democratic control over questions of war and peace, but also undermines women's and minority groups' claims for greater inclusion in the military sphere. *Gender and Private Security in Global Politics* brings together key scholars from the fields of international relations, security studies, and gender studies to argue that privatization of military security is a deeply gendered process. The chapters employ a variety of feminist perspectives, including critical postcolonial, poststructuralist, and queer feminist perspectives, as well as a wide range of methodological approaches, including ethnography, participant observation, genealogy, and discourse analysis. This is the first book to develop an extended feminist analysis of private militaries and to draw on feminist concerns regarding power, justice, and equality to consider how to reform and regulate private forces.

The Social Life of Gender Raka Ray, Jennifer Carlson, Abigail Andrews, SAGE Publications, Inc., 2017-12-07. *The Social Life of Gender* provides a comprehensive approach to gender as an organizing principle of institutions, history, and unequal interpersonal relations. This new title will develop students' capacity to use gender analysis to question social life more broadly, presenting a critical sociology based on the unique insights gleaned from the study of gender. Through bold, concise, and intellectually generative writing, the authors explore culture, geopolitics, and the economy, providing students with a succinct, accessible, and critical grasp of core debates in the sociology of gender.

Handbook of Studies on Men and Masculinities Michael S. Kimmel, Jeff Hearn, Raewyn Connell, 2005. In the past, research in the field of gender has mainly addressed issues about women and has, for the most part, been developed by women. Recently, the study of gender has rapidly expanded, and there has been a growing interest in men's and boys' identities, conduct, and problems. *The Handbook of Studies on Men and Masculinities* is an interdisciplinary and international culmination of the growth of men's studies that also offers insight about future directions for the field. The

Handbook provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences The various approaches presented in this Handbook range across different disciplines theoretical perspectives methodologies and conceptualizations in relation to the topic of men Editors Michael S Kimmel Jeff Hearn and Robert W Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields The Handbook of Studies on Men and Masculinities examines the construction of masculinities in four different frames the social organization of masculinities in their global and regional iterations the institutional reproduction and articulation of masculinities the ways in which masculinities are organized and practiced within a context of gender relations and the ways in which individual men express and understand their gendered identities The Handbook is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions The Handbook of Studies on Men and Masculinities provides scholars researchers and students with the most current incisive scholarship available for the men s studies area of gender studies It is a vital resource for those interested in the practical or cultural issues about men boys and gender as well as an excellent addition to any academic library

Gender and International Security Laura Sjoberg, 2009-10-16 This book defines the relationship between gender and international security analyzing and critiquing international security theory and practice from a gendered perspective Gender issues have an important place in the international security landscape but have been neglected both in the theory and practice of international security The passage and implementation of UN Security Council Resolution 1325 on Security Council operations the integration of gender concerns into peacekeeping the management of refugees post conflict disarmament and reintegration and protection for non combatants in times of war shows the increasing importance of gender sensitivity for actors on all fronts in global security This book aims to improve the quality and quantity of conversations between feminist security studies and security studies more generally in order to demonstrate the importance of gender analysis to the study of international security and to expand the feminist research program in Security Studies The chapters included in this book not only challenge the assumed irrelevance of gender they argue that gender is not a subsection of security studies to be compartmentalized or briefly considered as a side issue Rather the contributors argue that gender is conceptually empirically and normatively essential to studying international security They do so by critiquing and reconstructing key concepts of and theories in international security by looking for the increasingly complex roles women play as security actors and by looking at various contemporary security issues through gendered lenses Together these chapters make the case that accurate rigorous and ethical scholarship of international security cannot be produced without taking account of women s presence in or the gendering of world politics This book will be of interest to all students of critical security studies gender studies and International Relations in general Laura Sjoberg is Assistant Professor of Political Science at the University of Florida She has a Phd in International Relations and Gender Studies from the University

of Southern California and is the author of Gender Justice and the Wars in Iraq 2006 and with Caron Gentry Mothers Monsters Whores Women s Violence in Global Politics 2007 Strategies for the Global Economic System for 2030 Elena G. Popkova,Artem I. Krivtsov,Aleksei V. Bogoviz,2021-07-19 Against the background of continuing crises in the world s economy the question of what future awaits it in the third decade of the 21st century has become urgent According to the paradigm model of long waves the next global economic crisis is expected to transpire somewhere around 2030 This book defines the basic conditions for the development of the modern global economy analyzing future scenarios for its long term development and providing applied recommendations for the practical implementation of the optimal scenario The book first explores the conceptual vision of the future and the priorities for the strategic development of the global economic system until 2030 It then formulates the requirements for entrepreneurship to achieve the priorities of the strategic development of the global economic system including long term industry solutions for entrepreneurship and markets Third it outlines the guidelines for state regulation of the global economic system in the interest of achieving the priorities of its strategic development in the period up to 2030 **International Congress on Women in A Global World IV: Struggle for Equality (WGW2024) - Book of Abstracts / Uluslararası Küresel Dünyada Kadın Kongresi IV: Eşitlik için Mücadele (WGW2024) - Bildiri Özetleri Kitabı** Zeynep Banu Dalaman ,Furkan Tozan,2024-05-22 These abstracts offer insights into a wide array of topics related to women s issues From education and employment to political representation and social roles the abstracts underscore the multifaceted nature of gender discrimination They highlight how these inequalities are particularly exacerbated during times of crisis emphasising the urgent need for research and action in these areas

Gender Relations In A Global World Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Gender Relations In A Global World PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Gender Relations In A Global World PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Gender Relations In A Global World free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Gender Relations In A Global World Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gender Relations In A Global World is one of the best book in our library for free trial. We provide copy of Gender Relations In A Global World in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gender Relations In A Global World. Where to download Gender Relations In A Global World online for free? Are you looking for Gender Relations In A Global World PDF? This is definitely going to save you time and cash in something you should think about.
