## **Gender Growth And Trade:**

**Gender, Growth and Trade** David Kucera,2013-02-01 Gender Growth and Trade examines the role of women as a flexible contingent workforce in Germany and Japan This unique comparative study of two of the world s foremost industrialized economies situates empirical results in the context of broader cultural concerns considering issues such as market flexibility unemployment union policy and labour market institutions

**Gender, Development and Globalization** Lourdes Beneria,2014-01-02 With Cold War politics lost as the organizing principle behind international politics development has become the most import policy goal of every international organization There is an underside and a human side to development and feminism has made inroads into the highly technical debates and frothy prophecies by examining what the future really holds for the people who will live it This book highlights the ways in which feminist analysis has contributed to a richer understanding of international development and globalization By combining theoretical empirical and political perspectives and discussing cutting edge debates around development globalization economic restructuring and feminist economics Gender Development and Globalization presents the ultimate primer on global feminist economics

*Gender Development & Globalization* Terry Blackwell,2018-06-18 Gender Development and Globalization is the leading primer on global feminist economics and development Gender is a development issue because social considerations are not easily incorporated into institutions such as policies regulations markets and organizations This process is often referred to as the mainstreaming of gender in development institutions Women are often in a disadvantaged position in terms of access to assets services information and formal decision making status Gender equality is considered a critical element in achieving Decent Work for All Women and Men in order to effect social and institutional change that leads to sustainable development with equity and growth Gender equality refers to equal rights responsibilities and opportunities that all persons should enjoy regardless of whether one is born male or female Gender developmental scientists are concerned with age related changes in gender typing and more broadly with many issues about the emergence and patterning of gendered behaviors and thinking Description of these changes is vitally important as it informs theoretical approaches to gender development Using a broad lens on age related changes provides important information describing how development occurs but shorter time frames are also useful for identifying processes that may underlie developmental patterns Gender has been increasingly acknowledged as a critical variable in analysis and development planning Gender is an expression of power in social relationship between men and women The book will be very useful to academicians researchers planners students NGOs civil societies and all those who are interested in women studies in general and gender issues in contexts in particular

streams and levels      *Gender Perspectives and Gender Impacts of the Global Economic Crisis* Rania Antonopoulos, 2014-01-03 With the full effects of the Great Recession still unfolding this collection of essays analyses the gendered economic impacts of the crisis The volume from an international set of contributors argues that gender differentiated economic roles and responsibilities within households and markets can potentially influence the ways in which men and women are affected in times of economic crisis Looking at the economy through a gender lens the contributors investigate the antecedents and consequences of the ongoing crisis as well as the recovery policies adopted in selected countries There are case studies devoted to Latin America transition economies China India South Africa Turkey and the USA Topics examined include unemployment the job creation potential of fiscal expansion the behavioral response of individuals whose households have experienced loss of income social protection initiatives food security and the environment shedding of jobs in export led sectors and lessons learned thus far From these timely contributions students scholars and policymakers are certain to better understand the theoretical and empirical linkages between gender equality and macroeconomic policy in times of crisis      **Handbook on the International Political Economy of Gender** Juanita Elias, Adrienne Roberts, 2018-02-23 This Handbook brings together leading interdisciplinary scholarship on the gendered nature of the international political economy Spanning a wide range of theoretical traditions and empirical foci it explores the multifaceted ways in which gender relations constitute and are shaped by global politico economic processes It further interrogates the gendered ideologies and discourses that underpin everyday practices from the local to the global The chapters in this collection identify analyse critique and challenge gender based inequalities whilst also highlighting the intersectional nature of gendered oppressions in the contemporary world order      *Gender, Development and Money* Caroline Sweetman, 2001 Focusing upon microfinance and micro credit issues the contributors to this volume ask just what role does earning play in transforming the power relations between men and women How far does a change in gender roles affect beliefs about who has the power in the household the marketplace or that state      **Gender, Development, and Poverty** Caroline Sweetman, 2002 This work examines how gender inequalities impact on men s women s and children s experiences of poverty and demonstrates the importance of integrating gender analysis into every aspect of development initiatives      **Special Economic Zones** Thomas Farole, Gokhan Akinci, 2011-08-01 For countries as diverse as China and Mauritius Special Economic Zones SEZs have been a powerful tool to attract foreign investment promote export oriented growth and generate employment for many others the results have been less than encouraging While the benefits and limitations of zones will no doubt continue to be debated what is clear is that policymakers are increasingly attracted to them as an instrument of trade investment industrial and spatial policy Since the mid 1980s the number of newly established zones has grown rapidly in almost all regions with dramatic growth in developing countries In parallel with this growth and in the evolving context of global trade and investment zones are also undergoing significant change in both their form and function with traditional

export processing zones EPZs increasingly giving way to larger and more flexible SEZ models This new context will bring significant opportunities for developing countries to take advantage of SEZs but will also raise new challenges to their successful design and implementation This volume aims to contribute to a better understanding of the role and practice of SEZs in developing countries in order to better equip policymakers in making effective decisions in planning and implementing SEZ programs It covers some of the emerging issues and challenges in SEZs including upgrading regional integration WTO compliance innovation the environment and gender issues with practical case examples from SEZ programs in developing countries Growth, Trade, Finance, and Gender Inequality ,2000 **Gender, Development, and**

**Advocacy** Koos Kingma,Caroline Sweetman,2005 Advocacy for gender equality occurs at all levels of society from grassroots women demanding community level change to sophisticated coalition building that promotes change to international trade laws Articles in this collection chart the experience challenges and successes of gender equality advocates from area including Pakistan Australia and southern Africa Includes a comprehensive resources section featuring books organizations Web sites and electronic resources *The Routledge Handbook of Gender and EU Politics* Gabriele Abels,Andrea Krizsán,Heather MacRae,Anna van der Vleuten,2021-03-17 This Handbook maps the expanding field of gender and EU politics giving an overview of the fundamentals and new directions of the sub discipline and serving as a reference book for gender scholars and students at different levels interested in the EU In investigating the gendered nature of European integration and gender relations in the EU as a political system it summarizes and assesses the research on gender and the EU to this point in time identifies existing research gaps in gender and EU studies and addresses directions for future research Distinguished contributors from the US the UK and continental Europe and from across disciplines from political science sociology economics and law expertly inform about gender approaches and summarize the state of the art in gender and EU studies The Routledge Handbook of Gender and EU Politics provides an essential and authoritative source of information for students scholars and researchers in EU studies politics gender studies politics political theory comparative politics international relations political and gender sociology political economy European and legal studies law **Foreign Direct Investment and Women Empowerment: New Evidence on Developing Countries** Rasmané Ouedraogo,Elodie Marlet,2018-01-25 This paper assesses the effects of foreign direct investment FDI on gender development and gender inequality In fact FDI through increased labor demand technological spillovers but mostly through corporate social responsibility and economic growth can potentially influence women s welfare Using a panel dataset of 94 developing countries from 1990 to 2015 we find that FDI inflows improve women s welfare and decrease gender inequality However the impact is lower in countries where women have low access to resources and face a heavier burden to open a business This suggests that for countries to fully benefit from FDI inflows they should ensure that women can enjoy free access to the labor market and associated income SADC Gender Protocol 2013 Barometer ,2013-09-25 In August 2008 Heads of State of the

Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance By the 2013 Heads of State summit 13 countries had signed and 12 countries had ratified the SADC Gender Protocol The Protocol is now in force With two years to go time is ticking to 2015 when governments need to have achieved 28 targets for the attainment of gender equality In keeping with the Alliance slogan Yes we must this 2013 Barometer provides a wealth of updated data against which progress will be measured by all those who cherish democracy in the region The SADC Gender and Development Index SGDI introduced in 2011 complements the Citizen Score Card CSC that has been running for five years to benchmark progress

**Gender Equality Norms in Regional Governance** Anna van der Vleuten, Anouka van Eerdewijk, C. Roggeband, 2014-06-04 This book analyses the diffusion of norms concerning gender based violence and gender mainstreaming of aid and trade between the EU South America and Southern Africa Norm diffusion is conceptualized as a truly multidirectional and polycentric process shaped by regional governance and resulting in new geometries of transnational activism
