Gender Health Welfare:

Gender, Health and Welfare Anne Digby, John Stewart, 1998 Discusses how and why gender has been so important in shaping modern welfare provision Key issues covered include relationship between poverty health and gender case studies of female reformers birth control women in Labour movement **Gender, Health and Healthcare** Jacqueline H.

Watts, 2016-03-09 Health status and the experience of working in health care roles are both strongly shaped by gender and although there have been attempts to incorporate gender awareness in both health and employment policies the significance of gender in these areas continues to be marginalised within public debates and academic discourses Taking a social constructionist perspective Watts considers the ways in which gender impacts upon health in all its elements including access technology professionalisation health promotion and health as an important sector of the labour market She discusses gender as a developing and diversified category exploring ideas about masculinity and the fluidity of gender boundaries in determining individual identity Chapters that follow discuss men's and women's health ideology of gender and health specifically exploring different social norms and ideas about male and female health and the dominant ideological association between femaleness and caring working for health with particular focus on the gendered interplay of caring and curing roles technology and changes to gender health and healthcare health promotion as a gendered activity and finally the importance of introducing an intersectional approach beyond gender to articulate a deeper understanding of health in a postmodern context The concluding chapter draws together these themes to underscore the importance of placing gender at the centre of health and health care delivery to fully take account of both the different life and health experiences of men and women and the gendered dimensions of working in health care **Gender Practices in Contemporary Vietnam** Lisa Barbara Welch

Drummond, Helle Rydstrom, 2004 Confucianism colonialism and socialism have all contributed significantly to gender relations in Vietnam More recently political and social change associated with modernization and globalization have also had an impact How do the Vietnamese display their social positions and their identities as male or female This volume examines negotiations and transgressions of gender within Vietnamese society looking at gender family social and work relations bodily displays body language and the occupation of space Of special interest is a discussion of sexual harassment in schools and the workplace and the strategies women adopt to deal with it the first discussion of this issue by a Vietnamese scholar

Health and Wellbeing in Sexual Orientation and Gender Identity Catherine Meads, 2020-04-28 This is a collection of published papers from a variety of authors from around the world on the topic of the health and wellbeing of minority sexual orientation and gender identity populations Some of the included papers focused on health inequality and inequity and some focussed on healthcare delivery Many showed how health inequities in LGBT groups of people were found across a wide variety of political environments and health and wellbeing topics and frequently inadequate healthcare delivery The increasing interest in research in this area which has been neglected in the past shows its growing importance **Gender**

and Social Policy in a Global Context Shireen Hassim,2006-04-27 This book illustrates why both academic research and policy thinking need to factor in gender hierarchies and structures if they are to address some of the key challenges of contemporary societies the widespread informality and insecurity of paid work and the crisis of care **Gender, Family and Policy** Sirin Sung,2025-02-12 In this prescient book Sirin Sung brings together an array of expert contributors to address questions about gender equality and its relation to family the workplace and society as a whole Chapters examine the issues surrounding work family balance across the globe considering dual earning families the division of domestic labour and the impact of family policies on the labour market Gender Equity in Health Gita Sen,Piroska Östlin,2009-10-16 This volume brings together experts from a variety of disciplines such as medicine biology sociology epidemiology anthropology economics and political science who focus on three areas health disparities and inequity due to gender the specific problems women face in meeting the highest attainable standards of health and the policies and actions that can address them Highlighting the importance of intersecting social hierarchies e g gender class and ethnicity for understanding health inequities and their implications for health policy contributors detail and recommend policy approaches and agendas that incorporate but go beyond commonly acknowledged issues relating to women s health and gender equity in health

Gender and Political Identities in Scotland, 1919-1939 Annmarie Hughes,2010-05-15 This work offers a unique contribution to gender and Scottish history breaking new ground on several fronts there is no history of inter war women in Scotland very little labour or popular political history and virtually nothing published on women the home and family This book is a history of women in the period which integrates class and gender history as well as linking the public and private spheres Using a gendered approach to history it transforms and shifts our knowledge of the Scottish past unearthing the previously unexplored role which women played in inter war socialist politics the General Strike and popular political protest It re evaluates these areas and demonstrates the ways in which gender shaped the experience of class and class struggle Importantly the book also explores the links between the public and private spheres and addresses the concept of masculinity as well as femininity and pays particular reference to domestic violence The strength of the book is the ways in which it illuminates the complex interconnections of culture and economic and social structure Although the research is based on Scottish evidence it also uses material to address key debates in gender history and labour history which have wider relevance and will appeal to gender historians labour historians and social and cultural historians as well as social scientists

Gender, Health and Information Technology in Context E. Balka,E. Green,F. Henwood,2009-10-09 This volume breaks new ground by asking how our understandings of gender can be informed by exploring the socio technical relations of ICTs in health care and how far an appreciation of the ways in which gender works can inform and improve our understanding of how ICTs are being developed implemented and used in health care contexts *Social Work Practice with Transgender and Gender Expansive Youth* Jama Shelton,Gerald P. and adolescent experiences of transgender persons providing foundational knowledge for social workers and related professions about working with trans and gender expansive youth Organized through the lens of four distinct forms of knowledge knowledge of lived expertise community based knowledge practice knowledge and knowledge obtained through formal traditional education this text balances discussion of theory with a range of rich personal narratives and case studies Updates and additions reflect recent changes to the WPATH guidelines and the NASW Code of Ethics include brand new material examining the origins of gender identity and non binary identities explore intersectional identities and offer expanded content considering trauma informed interventions and ethical issues Each featuring at least one trans or gender expansive author chapters present concrete and practical recommendations to encourage competent and positive practice With a focus on both macro and micro social work practice this book will be a valuable resource to any social service practitioners working with children or adolescents

Gender, Health, and Healing, 1250-1550 Sara Ritchey, Sharon Strocchia, 2025-10-01 This path breaking collection offers an integrative model for understanding health and healing in Europe and the Mediterranean from 1250 to 1550 By foregrounding gender as an organizing principle of healthcare the contributors challenge traditional binaries that ahistorically separate care from cure medicine from religion and domestic healing from fee for service medical exchanges The essays collected here illuminate previously hidden and undervalued forms of healthcare and varieties of body knowledge produced and transmitted outside the traditional settings of university guild and academy They draw on non traditional sources vernacular regimens oral communications religious and legal sources images and objects to reveal additional locations for producing body knowledge in households religious communities hospices and public markets Emphasizing cross confessional and multilinguistic exchange the essays also reveal the multiple pathways for knowledge transfer in these centuries *Gender Health and Healing 1250 1550* provides a synoptic view of how gender and cross cultural exchange shaped medical theory and practice in later medieval and Renaissance societies

Health Inequities Related to Intimate Partner Violence Against Women Mandi M. Larsen, 2016-02-20 This book examines the extent to which social position impacts exposure to intimate partner violence IPV and whether women with IPV exposure are more vulnerable to social inequities in health At the intersection of sociological theories on health gender and policy this book explores these issues against the social policy contexts of the United States Germany and Norway It applies a conceptual framework which argues that differential exposure to IPV and differential vulnerability to poor health are two primary mechanisms driving health inequities for IPV survivors Empirical analysis reveals context specific nuances in the interactions of social position and IPV exposure in their impact on health and suggests that encouraging women s economic independence and ensuring access to health care are vital policy intervention points for reducing the health inequities of IPV survivors This book offers a cross national comparative look at the role of social policy in the lives of IPV survivors highlighting the effects of various policy approaches in three modern welfare states and suggesting policy implications

Gender, Prison and Reentry Experiences Silvia Gomes, Dixie Rocker, 2024-04-30 This book explores the unique reentry experiences of incarcerated men and women who are about to be released from prisons in Portugal By analysing gendered reentry experiences through the narratives of men and women Gender Prison and Reentry Experiences sheds light on current practices and strategies adopted in prisons regarding reentry and examines the structural institutional and personal barriers that influence the reentry outcome Gender Prison and Reentry Experiences examines the narratives built around an individual's prison experiences their perception of the prison's impact on reentry and their expectations after release It reveals how men and women narrate and attribute meaning to their time in prison and how they navigate their prisoner and gendered identities In doing so this book demonstrates the importance of these identities in relation to recidivism and desistance while also questioning the role incarceration has in further criminalising and obstructing an individual's reentry process It puts forward recommendations that aim to improve the lives of all incarcerated individuals within the current system in addition to advocating for decarceration and prison abolition It presents a novel contribution to the internationalisation of knowledge across multiple disciplinary subfields namely critical reentry studies and feminist criminology filling a gap in the current knowledge as few studies focus on prison experiences as a core aspect of understanding the reentry process An accessible and compelling read this book will appeal to students and scholars of criminology sociology law desistance studies and those interested in gaining a unique insight into the experience of incarcerated individuals

Marriage, Sexuality, and Gender Robin West, 2015-12-03 Marriage Sexuality and Gender examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants
