## **Gender Trials Emotional Lives In C:**

**Gender and Sexuality in the Workplace** Christine Williams, Kirsten Dellinger, 2010-09-01 Features sociological research and theory on gender and sexuality in the workplace and identifies how organizations can achieve a gender balanced and sexually diverse work force This book discusses such topics as gender discrimination and the wage gap homophobic and gay friendly workplaces sexual harassment and sex in the workplace

**Banking on Equality** Supriti Bezbaruah, 2015-03-24 It may well be surprising to say that the world should look to India as a model of gender equality India's banking sector proves the exception with several women reaching the highest positions in India's top banks including the country's largest bank Based on interviews and surveys of bank employees in India's National Capital Region this book looks at what lies behind the media rhetoric and provides a systematic analysis of patterns of and responses to gender inequality in the banking sector in India The book uncovers how gender discrimination still persists in the banking sector albeit in covert forms Through a comparison of nationalized Indian private and foreign banks the book demonstrates how the impact of laws local cultural norms and gendered workplace practices are mediated through different organizational forms in these different types of banks to create varied experiences of gender inequality The book is one of the first books to provide a thorough in depth analysis of women's employment in the Indian banking sector currently an under researched area

Consumer Research Methods in Food Science Carlos Gómez-Corona, Heber Rodrigues, 2023-04-07 This volume details a wide range of consumer research methods from different disciplines with an application to food and beverages Each chapter is written by well known researchers in the field that guides the reader on a specific method in applied consumer research Chapters are separated by disciplines detail brief theoretical background provide a clear examples of the methodology anthropology history linguistics and visual arts culinary arts design and user experience are also approached The separation of methods through disciplines gives a better structure to the reader when trying to apply each method Authoritative and cutting edge Consumer Research Methods in Food Science detail clear steps and a framework to reproduce consumer research methods in different applications

**The Indian Legal Profession in the Age of Globalization** David B. Wilkins, Vikramaditya S. Khanna, David M. Trubek, 2017-05-23 This book provides the first comprehensive analysis of the impact of globalization on the Indian legal profession Employing a range of original data from twenty empirical studies the book details the emergence of a new corporate legal sector in India including large and sophisticated law firms and in house legal departments as well as legal process outsourcing companies As the book's authors document this new corporate legal sector is reshaping other parts of the Indian legal profession including legal education the development of pro bono and corporate social responsibility the regulation of legal services and gender communal and professional hierarchies with the bar Taken as a whole the book will be of interest to academics lawyers and policymakers interested in the critical role that a rapidly globalizing legal profession is playing in the legal political and economic development of important emerging economies like India and how these

countries are integrating into the institutions of global governance and the overall global market for legal services

**Analyzing Documentary Accounts** Randy Hodson, 1999-07-16 Although ethnographic evidence has accumulated in fields ranging from organizational studies to sociology these studies have not been fully exploited except as sources of descriptive data *Analyzing Documentary Accounts* provides researchers with complete guidelines from mining ethnographic data through the use of new analytic techniques Readers will find *Analyzing Documentary Accounts* the key to unlocking the rich data sources available in ethnographic material Using examples from human relations and Hodson's workplace files author Randy Hodson explains the benefits and limitations of the quantitative analysis of extant bodies of ethnographic evidence ways to do reliability and validity checks methods for coding the data methods for analyzing multiple ethnographic studies and suggestions for effectively combining qualitative and quantitative methodologies

**The Gender of Crime** Dana M. Britton, Shannon K. Jacobsen, Grace E. Howard, 2017-08-03 *The Gender of Crime* introduces readers to how gender shapes our understanding of every aspect of crime from defining what crime is to governing how crime is punished The second edition of this award winning book maintains the accessible reader friendly narrative of the first edition with key updates and new material throughout including increased focus on the intersections of race class gender and sexuality in crime and punishment more attention to LGBTQ issues additional coverage of gender and crime on college campuses and more This dynamic and provocative book illustrates how gender is central to the definition prosecution and sentencing of crimes that it shapes how victimization is experienced and understood and how it structures the institutions of the criminal justice system and the experiences of workers within that system *The Gender of Crime* demonstrates that crime victimization and crime control are never generic they are instead produced and experienced by gendered and raced and classed and sexualized actors within contexts of social inequality This book highlights key concepts and encourages readers to think through a range of compelling real life examples from school violence to corporate crime The second edition of *The Gender of Crime* is essential reading for students of gender and sexuality sociology criminology and criminal justice

**Handbook of Research on Impacts of International Business and Political Affairs on the Global Economy** Zakaria, Norhayati, 2016-01-19 The growth of global commerce depends on many different factors and strategies in order for multinational corporations to efficiently compete and thrive in the international marketplace In addition to business strategies corporations must also be aware of political affairs that may impact their global economic status *The Handbook of Research on Impacts of International Business and Political Affairs on the Global Economy* features dual perspectives on the business and political viewpoints for nations striving to maintain their economic standing in the era of globalization Providing insight into various economic factors impacting global businesses and international affairs this publication is a critical reference source for students policymakers international diplomats researchers scholars and practitioners interested in financial challenges in the era of globalization

**Congress Confronts the Court** Colton C. Campbell, John F. Stack, 2001 The Supreme Court is frequently portrayed as

an isolated entity void of politics that reaches judgments by some unseen and unknowable logic At the same time Congress is cast as a singularly political enterprise with little regard for nuanced lawmaking This volume of original essays by leading scholars shows both branches in a new light It explores the impact of sustained partisan politics the recent reassertion of legislative power at the expense of judicial review and the sometimes stormy relationship between Congress and the Court

We're Not OK Antija M. Allen,Justin T. Stewart,2022-05-05 Explores racial inequity within higher education and its impact on the inclusion retention and mental health of Black faculty The Paradoxes of Aid Work Silke Roth,2015-03-24 This book explores what attracts people to aidwork and to what extent the promises of aidwork are fulfilled Aidland is a highly complex and heterogeneous context which includes many different occupations forms of employment and organizations Analysing the processes that lead to the involvement in development cooperation emergency relief and human rights work and tracing the pathways into and through Aidland the book addresses working and living conditions in Aidland gender relations and inequality among aid personnel and what impact aidwork has on the life courses of aidworkers In order to capture the trajectories that lead to Aidland a biographical perspective is employed which reveals that boundary crossing between development cooperation emergency relief and human rights is not unusual and that considering these fields as separate spheres might overlook important connections Rich reflexive data is used to theorize about the often contradictory experiences of people working in aid whose careers are shaped by geo politics changing priorities of donors and a changing composition of the aid sector Exploring the life worlds of people working in aid this book contributes to the emerging sociology and anthropology of aidwork and will be of interest to professionals and researchers in humanitarian and development studies sociology anthropology political science and international relations international social work and social psychology Gender And Work In Today's World Nancy Sacks,2018-05-04 Promoting gender equality through balanced analysis of both sexes Gender and work in Today s World A Reader explores the experiences of both men and women in the work force focussing especially on gender non traditional jobs i e men as nursed and women in the police force and non traditional work structures i e Part time temporary and odd hour work work over the life course and sexual harassment

**Degendering Leadership in Higher Education** Barret Katuna,2019-09-05 Through 34 interviews with women and men serving as presidents deans and provosts at some of the United States top colleges and universities this book explores what degendered leadership looks like in an academic setting and creates a path for inspired talented and qualified leadership that is not reduced to gender norms and stereotypes **Working Life** Paul Thompson,Chris Smith,2017-09-16 Labour process theory is consolidated in Working Life to develop a credible account of the relationships between capitalist political economy work systems and the strategies and practices of actors in the employment relationship Beyond this the book explores the future of labour process analysis The SAGE Handbook of the Sociology of Work and Employment Stephen Edgell,Heidi Gottfried,Edward Granter,2015-12-03 The SAGE Handbook of the Sociology of Work and Employment

is a landmark collection of original contributions by leading specialists from around the world The coverage is both comprehensive and comparative in terms of time and space and each state of the art chapter provides a critical review of the literature combined with some thoughts on the direction of research This authoritative text is structured around six core themes Historical Context and Social Divisions The Experience of Work The Organization of Work Nonstandard Work and Employment Work and Life beyond Employment Globalization and the Future of Work Globally the contours of work and employment are changing dramatically This handbook helps academics and practitioners make sense of the impact of these changes on individuals groups organizations and societies Written in an accessible style with a helpful introduction the retrospective and prospective nature of this volume will be an essential resource for students teachers and policy makers across a range of fields from business and management to sociology and organization studies

**Social Structure and Emotion** Jody Clay-Warner, Dawn T. Robinson, 2011-04-28 As a reference that contains original and innovative research on the sociology of emotion this book will not only appeal to sociologists but also to scholars of psychology psychiatry anthropology history social work and business management With contributions from experts in the field this text examines the role and influence of emotion in everyday social circumstances It poses clear questions and presents the contemporary theoretical developments and empirical research linking social structure and emotion Comparable books are narrowly focused and less comprehensive the breadth and depth of this new work is unmatched Explores the roles played by emotion in social arrangements i e the power of emotions in psychology finance economics etc Poses clear questions and presents the newest theoretical developments and empirical research linking social structure and emotion Contributions from experts in the field

**Gender, Work, and Economy** Heidi Gottfried, 2013-11-15 This engaging new text uses a feminist lens to crack open the often hidden worlds of gender and work addressing enduring questions about how structural inequalities are produced and why they persist Making visible the social relationships that drive the global economy the book explores how economic transformations not only change the way we work but how we live our lives The full extent of changing patterns of employment and the current financial crisis cannot be fully understood in the confines of narrow conceptions of work and economy Feminists address this shortcoming by developing both a theory and a political movement aimed at unveiling the power relations inherent in old and new forms of work By providing an analysis of gender work and the economy Heidi Gottfried brings to light the many faces of power from the bedroom to the boardroom A discussion of globalization is threaded throughout the book to uncover the impact of increasing global interconnections and vivid case studies are included from industrialized countries such as the US and the global cities of New York London and Tokyo as well as from developing countries and the emerging global cities of Beijing Shanghai and Dubai This comprehensive analysis of gender and work in a global economy incorporating sociology geography and political economy perspectives will be a valued companion to students in gender studies and across the social sciences more generally

**Handbook of Social Psychology** John

DeLamater,2006-11-24 Psychology focusing on processes that occur inside the individual and Sociology focusing on social collectives and social institutions come together in Social Psychology to explore the interface between the two fields The core concerns of social psychology include the impact of one individual on another the impact of a group on its individual members the impact of individuals on the groups in which they participate the impact of one group on another This book is a successor to Social Psychology Social Perspectives and Sociological Perspectives in Social Psychology The current text expands on previous handbooks in social psychology by including recent developments in theory and research and comprehensive coverage of significant theoretical perspectives     The Kaleidoscope of Gender Catherine G. Valentine,Mary Nell Trautner,Joan Z. Spade,2019-03-07 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop The Kaleidoscope of Gender Prisms Patterns and Possibilities provides an accessible timely and stimulating overview of the cutting edge literature and theoretical frameworks in sociology and related fields in order to understand the social construction of gender The kaleidoscope metaphor and its three themes prisms patterns and possibilities unify topic areas throughout the book By focusing on the prisms through which gender is shaped the patterns which gender takes and the possibilities for social change the reader gains a deeper understanding of ourselves and our relationships with others both locally and globally Editors Catherine Valentine Mary Nell Trautner and the work of Joan Spade focus on the paradigms and approaches to gender studies that are constantly changing and evolving The Sixth Edition includes incorporation of increased emphasis on global perspectives updated contemporary social movements such as BlackLivesMatter and MeToo and an updated focus on gendered violence     *The Broadview Anthology of Expository Prose - Third Edition* Laura Buzzard,Don LePan,Nora Ruddock,Alexandria Stuart,2016-08-29 The third edition of this anthology has been substantially revised and updated for a contemporary American audience a selection of classic essays from earlier eras has been retained but the emphasis is very much on twenty first century expository writing Works of different lengths and levels of difficulty are represented as are narrative descriptive and persuasive essays and new to this edition lyric essays For the new edition there are also considerably more short pieces than ever before a number of op ed pieces are included as are pieces from blogs and from online news sources The representation of academic writing from several disciplines has been increased and in some cases the anthology also includes news reports presenting the results of academic research to a general audience Also new to this edition are essays from a wide range of the most celebrated essayists of the modern era from James Baldwin Susan Sontag Joan Didion and Annie Dillard to Eula Biss and Ta Nehisi Coates The anthology remains broad in its thematic coverage but certain themes receive special emphasis notably issues of race class and culture in twenty first century America For the new edition the headnotes have been expanded providing students with more information as to the context in which each piece was written Questions and suggestions for discussion have been moved online to the

instructor website     Black in America - Second Edition Jessica Edwards, 2024-02-15 Black in America samples the breadth of nonfiction writing on African American experiences in the United States from the eighteenth century to the present. The anthology emphasizes twenty-first century authors such as Ta-Nehisi Coates, Claudia Rankine, and Roxane Gay, but a substantial selection of important earlier writers from Phillis Wheatley and Olaudah Equiano through Sojourner Truth and Frederick Douglass to James Baldwin and Audre Lorde is also included. The second edition has been updated to feature notable works that have appeared since the first edition was published in 2018, particularly including works addressing the COVID-19 pandemic and the Black Lives Matter movement. The new edition also includes more selections that emphasize the joy and beauty of being Black in America. Selections are arranged by author in rough chronological order and feature headnotes, explanatory notes, and discussion questions to facilitate student engagement. A companion website contains additional readings, alternative tables of contents listing material by thematic subject and by genre and rhetorical style, an additional set of explanatory notes for the benefit of international students and/or non-native speakers of English, and links to further readings and other resources such as speeches, recitations, TED talks, and music videos. A percentage of the revenue from this book's sales will be donated to two organizations: Equal Justice Initiative and Color of Change.
