Gendering Politics Women In Israel:

Gendering Politics Hanna Herzog, 1999-04-23 Considers the cultural and structural limitations on the participation of women in politics **Gendering Politics** Hanna Herzog, 2010-05-25 What are the cultural and structural mechanisms that exclude women from politics in general and from local politics in particular What meaning is ascribed to women's political activity Gendering Politics explores the place of women in democratic politics by means of a detailed study of women in Israeli politics who were elected to municipal councils from 1950 to 1989 Drawing from a variety of sources including questionnaires interviews newspaper coverage and existing statistical data as well as examinations of studies of the role of women in politics in other democracies Herzog analyzes the extent of success and failure of women in Israeli elections She then explores reasons why female participation in Israeli politics has been relatively slight despite historical precedents and social circumstances that would indicate otherwise The author examines the gendered bias of the power structure as it is shaped by basic cultural organizing principles She exposes hidden assumptions and notes the overt assumptions which by definition exclude women from politics The author also looks at the structure of opportunities within the prevailing political system uncovering the relevant blocking and facilitating elements Gendering Politics will be of interest to students and scholars of women's studies Israeli studies political sociology and political science Hanna Herzog is Associate Professor of Sociology Tel Aviv University **Gendering Religion and Politics** H. Herzog, A. Braude, 2009-07-20 The aim of this book is to suggest an interdisciplinary perspective on the complex relations of gender religion and politics in light of paradigmatic shifts in theories of modernity and the growing body of studies on gender and religion The Oxford Handbook of Israeli Politics and Society Reuven Y. Hazan, Alan Dowty, Menachem Hofnung, Gideon Rahat, 2021 Few countries receive as much attention as Israel and are at the same time as misunderstood The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and international figures to offer the most wide ranging treatment available of an intriguing country It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country's history contemporary society political institutions international relations and most pressing political issues It outlines the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments **Jews in Israel** Uzi Rebhun, Chaim Isaac Waxman, 2004 Offers a complete sociological perspective of Jews and Jewish life in Israel from 1948 to the present *Israeli Women's Studies* Esther Fuchs, 2005 The purpose of the present anthology is to bring together select and organize the publishing work that has been done in the last two decades The idea is to highlight current state of the art essays and point to an evolutionary trajectory from the earlier

pioneering essays to the voices that define the field today *The Only Woman in the Room* Pnina Lahav, 2022-09-06 A feminist biography of the only woman to become prime minister of Israel In this authoritative and empathetic biography Pnina Lahav reexamines the life of Golda Meir 1898 1978 through a feminist lens focusing on her recurring role as a woman standing alone among men The Only Woman in the Room is the first book to contend with Meir's full identity as a woman Jew Zionist leader and one of the founders of Israel providing a richer portrait of her persona and legacy Meir Lahav shows deftly deflected misogyny as she traveled the path to becoming Israel's fourth and only female prime minister from 1969 to 1974 Lahav revisits the youthful encounters that forged Meir's passion for socialist Zionism and reassesses her decision to separate from her husband and leave her children in the care of others Enduring humiliation and derision from her colleagues Meir nevertheless led in establishing Israel as a welfare state where social security workers rights and maternity leave became law Lahav looks at the challenges that beset Meir's premiership particularly the disastrous Yom Kippur War which led to her resignation and withdrawal from politics as well as Meir's bitter duel with feminist and civil rights leader Shulamit Aloni Meir's complex relationship with the Israeli and American feminist movements and the politics that led her to distance herself from feminism altogether Exploring the tensions between Meir's personal and political identities The Only Woman in the Room provides a groundbreaking new account of Meir's life while also illuminating the difficulties all women face as they try to ascend in male dominated fields *The Cambridge Companion to Judaism and Law* Christine Hayes, 2017-02-17 The Cambridge Companion to Judaism and Law explores the Jewish conception of law as an essential component of the divine human relationship from biblical to modern times as well as resistance to this conceptualization It also traces the political social intellectual and cultural circumstances that spawned competing Jewish approaches to its own divine law and the non divine law of others including that of the modern secular state of Israel Part I focuses on the emergence and development of law as an essential element of religious expression in biblical Israel and classical Judaism through the medieval period Part II considers the ramifications for the law arising from political emancipation and the invention of Judaism as a religion in the modern period Finally Part III traces the historical and ideological processes leading to the current configuration of religion and state in modern Israel analysing specific conflicts between religious law and state law *The Image of Gender and Political Leadership* Michelle M. Taylor-Robinson, Nehemia Geva, 2023 There are many theories as to why women remain severely underrepresented in democratic governments Perhaps voters do not consider women to be capable leaders or maybe party elites obstruct women's paths to office because they don't believe that they are electable But if these attitudes are hurdles standing in the way of women being elected to office where did they develop In The Image of Gender and Political Leadership Michelle M Taylor Robinson and Nehemia Geva bring together parallel experiments conducted in countries around the world to compare the ways in which young adults view gender and leadership Together the chapters in this book present findings from on site experiments conducted with over 6 000 young adult students

of highly diverse socio economic backgrounds in eight countries that have varying levels of experience with women in government Canada Chile Costa Rica England Israel Sweden the United States and Uruguay Overall the book finds little evidence of traditional gender stereotypes that would limit young people s support for women as political leaders Women candidates are accepted as leaders by the participants indicating young adults approval of women s ability to hold diverse posts win votes and manage stereotypically masculine policy areas The book also finds that young adults are very responsive to political party regardless of gender they tend to favor candidates from their preferred parties With an in depth cross national perspective Taylor Robinson and Geva provide empirical evidence to dispel myths about what contributes to the low election rates of women and importantly investigate logical steps to achieve gender parity *Palestinian NGOs in Israel* Shany Payes,2005-01-28 One in every six Israeli citizens is a Palestinian Arab While much has been written about the Palestinians of the West Bank and Gaza the struggle for political rights by Palestinian citizens of Israel remains largely unexplored Shany Payes offers a fresh look at this struggle through analysis of the increasingly growing sector of Palestinian non governmental organisations Charting the political history of these associations over the last quarter of a century and running right up to developments during the recent Intifada she analyses the political repression of Palestinian civil society by the Israeli state and attempts by Palestinian NGOs in Israel to build a civil society in the face of such oppression Palestinian NGOs is required reading for all those interested in the Israel Palestine conflict minority rights and civil society A lively and original contribution to a field in which there is already much interest but where few works of any substance have been produced I enjoyed the work immensely and would certainly recommend it warmly both to students and to those with a lively interest in things Palestinian Philip Robins St Antony s College Oxford Provides a fresh insight into political repression of Palestinian civil society by the Israeli state and attempts by Palestinian NGOs to build a civil society in the face of such oppression The result is a unique piece of work which other academics would be hard pressed to emulate Gerard Clarke Centre for Development Studies University of Wales Swansea **International Bibliography of Political Science** Compiled by the British Library of Political and Economic Science,2000-02 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences **#MeToo and Beyond** M. Cristina Alcalde,Paula-Irene Villa,2022-07-26 NiUnaMenos Aufschrei LoSHA Before MeToo became a massive global movement these were the hashtags that represented activists from Ukraine to Peru who demanded accountability for the sexual violence and racism xenophobia and misogyny inflicted on women transgender people and girls Led by activists such as Tarana Burke who popularized the phrase me too these movements provided a call to action for survivors across the world to speak out about their experiences In MeToo and Beyond M Cristina Alcalde and Paula Irene Villa bring together scholars and activists from various backgrounds to approach MeToo from multiple spaces positionalities and areas of expertise many from regions and contexts often overlooked and

understudied in the mediascapes of the global North This volume includes perspectives from around the world and touches on diverse topics spanning masculinity studies transgender people s heightened risk of suffering sexual harassment and violence the internal conflict in American Jewish communities as activists began speaking out against prominent members who relied on shared cultural values to shame their victims as well as many other significant aspects of the first all inclusive international effort to end gender based violence The editors and contributors heed Burke s call to amplify marginalized voices so that instead of becoming footnotes these voices guide activists to frame polyphony as central to understanding past current and future forms of gender based violence and resistance The goal of MeToo and Beyond is to examine both profoundly universal and specific experiences of sexual violence as well as the collective effort to stop gender based violence wherever it occurs Activists and scholars will find this book an important and necessary contribution to current and future discussions on sexual violence and global movements

Women in Israel Esther Hertzog, 2025-04-01 There are diverse and complex problems faced by women in Israel This book explores women s roles in teachers labor conflicts threatened motherhood within the welfare system bureaucratic encounters faced by Ethiopian immigrant women the lack of political representation amongst women feminist activism against the sex industry and gender power dynamics in gyms It is a comprehensive feminist examination of women s diverse experiences in Israeli society over four decades and analyzes society during this time As an ethnography the book emphasizes a commitment to social justice and equality and challenges prevailing social and gender research approaches

Gender and Israeli Society Hannah Naveh, 2003 This volume of essays by prominent researchers in Israeli history and society is the first of two interconnected volumes engaging with the concept of women s time It recounts stories and histories of women along with other marginalized groups categories and classes and places them back into history The studies in this volume illuminate the complex and multifaceted nature of issues of feminist concern asking whether the manifestation of women s interests as a class brings women into the public sphere or whether it induces compliance with national interests Women s time involves resistance to self evident and often patriarchal truths and knowledge and by creating a model for the investigation of other obliterated narratives serves the well being of all in Israel and beyond

Gender and Identity around the World Chuck Stewart, 2020-11-09 This book provides an indispensable resource for high school and college students interested in the history and current status of gender identity formation and maintenance and how it impacts LGBTQ rights throughout the world Gender and Identity around the World explores a variety of gender and LGBTQ experiences and issues in countries from all the world s regions Guided by more than 50 recognized academic experts readers will examine how gender and LGBTQ identities are developed fought for perceived and policed in countries as diverse as France Brazil Russia Jordan Iraq and China Each chapter opens with a general introduction to a country or group of countries and flows into a discussion of gender and identity in terms of culture education family life health and wellness law work and activism in that region of the world A section on contemporary issues

specific to the country or group of countries follows this discussion

Contesting the Monolith Priya Singh, 2025-10-24
 The book challenges the notion that Israel is a homogeneous state whether in theory or in practice. It offers a detailed and critical intersectional analysis of nationalism, ethnicity, gender, and marginality in Israeli society, revealing how these forces converge to produce multiple as well as fused identities within a complex social fabric. Examining the ruptures and fault lines that shape a multi-layered society, the study contends that Israel's exceptionality lies not in its self-proclaimed Jewish and democratic character but in its resort to exceptional legal and coercive measures to mask internal diversity. By obscuring this heterogeneous reality, the state cultivates an illusion of a monolithic and uniform Israeli identity. The analysis presents a society far more fragmented and stratified than official narratives suggest, offering readers an understanding of how intersecting structures of identity and power operate in the Israeli context and how social and political institutions respond to and regulate internal difference. This book will be of interest to academic researchers, postgraduate and doctoral students, and policymakers engaged with questions of nationalism, marginality, identity, and Middle Eastern politics, particularly within the disciplines of political science, sociology, Middle Eastern studies, and gender studies.

Terrorism and Violent Conflict
 Lori Poloni-Staudinger, Candice D. Ortals, 2014-07-08
 This book explores how gender intersects with political violence and, particularly, terrorism. We ask how gender relations and understandings of femininity and masculinity influence political violence, which includes politics related to terrorism, state terrorism, and genocide. We investigate how women cope with and influence the politics of terrorism and genocide. The book's goals are descriptive and analytical. We 1) describe in what ways women are present and/or perceived as absent in political contexts involving violence and 2) analyze what gender assumptions, identities, and frames women face and themselves express and act upon regarding political violence encountered in their lives. The manuscript is divided into seven chapters: introduction; women as victims/survivors of violence; women as perpetrators of violence; women in social movements responding to violence; women politicians; leading policy regarding violence; the public opinion of women and men concerning violence; and a conclusion. Each chapter explores the intersection between gender and terrorism through the lens of the chapter focus.

The Handbook of Israel's Political System Itzhak Galnoor, Dana Blander, 2018-04-30
 There is growing interest in Israel's political system from all parts of the world. This Handbook provides a unique, comprehensive presentation of political life in Israel from the formative pre-state period to the present. The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework: the Knesset, government, judiciary, presidency, the state comptroller, and commissions of inquiry; citizens' political participation; elections; political parties; civil society; and the media. The four issues that have bedeviled Israeli democracy since its establishment: security, state and religion, the status of Israel's Arab citizens, and economic inequities, with concomitant social gaps and the contours of the political culture and its impact on Israel's democracy. The authors skilfully integrate detailed basic data with an analysis of structures and processes, making the Handbook accessible to both experts

and those with a general interest in Israel **Intersectionality and Social Change** Lynne M. Woehrle, 2014-09-17 Volume 37 asks what can the emerging discipline of intersectionality studies contribute to our quest to understand and analyze social movements conflict and change Through the intersectional lens questions often ignored and populations traditionally marginalized become the heart of the analysis *Gendering Global Conflict* Laura Sjoberg, 2013-08-13 Laura Sjoberg positions gender and gender subordination as key factors in the making and fighting of global conflict Through the lens of gender she examines the meaning causes practices and experiences of war building a more inclusive approach to the analysis of violent conflict between states Considering war at the international state substate and individual levels Sjoberg's feminist perspective elevates a number of causal variables in war decision making These include structural gender inequality cycles of gendered violence state masculine posturing the often overlooked role of emotion in political interactions gendered understandings of power and states mistaken perception of their own autonomy and unitary nature *Gendering Global Conflict* also calls attention to understudied spaces that can be sites of war such as the workplace the household and even the bedroom Her findings show gender to be a linchpin of even the most tedious and seemingly bland tactical and logistical decisions in violent conflict Armed with that information Sjoberg undertakes the task of redefining and reintroducing critical readings of war's political economic and humanitarian dimensions developing the beginnings of a feminist theory of war

Getting the books **Gendering Politics Women In Israel** now is not type of inspiring means. You could not without help going when books increase or library or borrowing from your associates to admittance them. This is an very easy means to specifically get guide by on-line. This online revelation Gendering Politics Women In Israel can be one of the options to accompany you in imitation of having new time.

It will not waste your time. admit me, the e-book will certainly freshen you other matter to read. Just invest tiny time to read this on-line declaration **Gendering Politics Women In Israel** as competently as evaluation them wherever you are now.

Gendering Politics Women In Israel Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Gendering Politics Women In Israel free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Gendering Politics Women In Israel free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Gendering Politics Women In Israel free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are

legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Gendering Politics Women In Israel. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Gendering Politics Women In Israel any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Gendering Politics Women In Israel Books

1. Where can I buy Gendering Politics Women In Israel books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
