*Genealogical History of the Harwood Families, Descended From Andrew Harwood, Who Was Born in England and Resided in Boston, Mass (Classic Reprint)* Watson H. Harwood, 2016-09-27 Excerpt from A Genealogical History of the Harwood Families Descended From Andrew Harwood Who Was Born in England and Resided in Boston Mass Ever since the first edition was published I have continued to collect material for a second and I think the records herein contained will be found as accurate and complete as it is now possible to make them Nevertheless It can hardly be expected that no errors will be made in

writing such a work it is even possible that there may be errors in the very arrangement of the early generations of the family when we remember that there are several distinct branches of Harwoods in New England as well as several in the Southern States and that the ancestors of these different families immigrated from England to America at about the same time when we further take into account that in almost every town here our forefathers dwelt there were also living families of the other branches of our name and when with all this we take into consideration that the early town records which were often but imperfectly kept are now in many places lost we cannot think it strange that such a work should be incomplete in spite of the most careful painstaking. All that the most faithful genealogist can do is to take the material now obtainable. Study carefully each doubtful record and give it the place to which it seems most probable to belong. This I have done and in cases of uncertainty I have used the word probably or some word of similar import to make the uncertainty about the Publisher. *A Genealogical History of the Harwood Families* Watson Herbert Harwood, 1896      *A Genealogical History of the Harwood Families* Watson H. Harwood, 2015-08-05. Excerpt from *A Genealogical History of the Harwood Families Descended From Andrew Harwood Whose English Home Was in Dartmouth Devonshire England and Who Emigrated to America and Was Living in Boston Mass In 1643*. Eight years have elapsed since I began tracing the records of my Harwood ancestors and relatives and I have now the pleasure of presenting to the descendants of my ancestor James Harwood this brief sketch of our branch of the New England Harwoods. When I first began tracing the records I had no thought of writing the family history. I was led to engage in the work simply from a desire to know more of my ancestry in the Harwood line. But as my interest in the work increased I decided to publish the records in some form so that the memory of our ancestors might be perpetuated and we their descendants might come to know more of one another. Being the first to write the history of our branch of Harwoods I have had to collect most of the records from original sources thus adding greatly to the labor of the undertaking. I here wish to acknowledge the kindness of those who have aided me with their letters or orally in tracing out these records. A list of those who have thus aided me will be found at the end of the book. In arranging these records I have aimed to give the facts which I have collected in as plain and concise a manner as possible and so arranged that the connection may be easily seen.
