The United Editors Perpetual Encyclopedia ,1909

The Messianic Genealogy of Jesus Christ Ayuba Mshelia,2020-12-22 The Messianic Line A

Succinct Summary of the Book The purpose of this Book is twofold Its purview is God s promise to Abraham regarding his seeds and to David regarding his Davidic Messianic patrilineal that is male only divine line which was eventually fulfilled through the birth of the Son of God the MESSIAH Jesus Secondly it attempts to answer the question that results from the differences between the two genealogies in the Gospels of Matthew 1 1 16 and Luke 3 23 38 In order to achieve this mundane but profound objective we must start with the story of the first couple Adam and Eve who lived in the Garden of Eden Then we proceed to God s call for Abraham instructing him to move from Haran to Canaan unto a land that I will shew thee with a promise to give him a great name to make him a blessing to bless those who bless him and curse those who cursed him and finally to give him the Promised Land and through his descendants to bless all the families of the earth with a Redeemer Gen 12 1 9 Gen 13 14 17 Gen 15 7 18 Gen 17 5 8 We will subsequently take a cursory look at Abraham and his descendants lineage with a return to Adam and Eve We will trace the lineage of their son Seth directly to Abraham Given the number of persons involved from Adam to the fulfillment of the two promises I can only make short and brief references to the quality of the character shortcomings and obedience to divine commandments in the sight of God of the people considered significant and God s choices for the lineage of his son Jesus Christ In pursuit of uniformity and ease of reading I ve adopted Matthew s descending order format to present the lineage in both Gospels In fairness to Luke who presents it in ascending order I also adopted his genealogy format from Adam the first earthly man Gen 1 26 to Jesus the heavenly Spiritual man Luke 1 26 38 cf Luke 1 18 20 23 In addition I accept Luke s coverage of the complete history of God s redemption beginning with Adam and Eve not Abraham for the following reasons God first showed the path to salvation for a fallen mankind through the promise of the seed of the woman I will put enmity between thee and the woman and between thy seed and her seed it shall bruise thy head and thou shalt bruise his heel Gen 3 15 The words her seed refer to Jesus Christ who would be conceived through Mary by the power of the Holy Spirit Matt 1 18 Christ came through virgin Mary as a seed of woman and not of man Therefore the Lord himself shall give you a sign Behold a virgin shall conceive and bear a son and shall call his name Immanuel Isa 7 14 cf Luke 1 30 35 The promise of the woman s seed was expanded to the covenant with Noah Gen 6 18 9 8 17 and with Abraham Gen 12 1 3 22 15 18 It then developed into the Sinaitic covenant a conditional covenant of works written on a stone given to Moses on Mount Sinai Ex 24 1 8 Deut 29 1 whereby God promised to forgive their iniquity Ex 34 6 7 and finally to the Davidic covenant unconditional covenant of grace based on the atoning works of Jesus Christ where God declared But this shall be the covenant that I will make with the house of Israel I will put my law in their inward parts and write it in their hearts and will be their God and they shall be my people And they shall teach no more every man his neighbour and every man his brother saying know the Lord for they shall all know me for I will forgive their iniquity and I will remember their sin no more Jer 31 31 34 2 Sam 7 11 16 1 Chr 17 10 14 The important features of the universality of the knowledge of God vital inwardness of his laws and the fact that I will remember their sin no more that is

the full guarantee of forgiveness of sin are what make the New Covenant unique and superior to the Sinaitic one All of the above covenants are eternal They became promises God promised a seed This promise was fulfilled in Jesus Christ and it was contained in the covenant ratified by God Gal 3 16 17 From the foundation of the world God had a plan for man s redemption through his only begotten son Jesus Christ He manifested this divine plan in sanctified¹ human genealogy of a chosen to them who are the called according to his purpose he did foreknow he also did predestinate to be conformed to the image of his son that he might be the firstborn among many brethren whom he did predestinate them he also called and whom he called them he also justified and whom he justified them he also glorified Rom 8 28 30 until when the fulness of the time was come God sent forth his son made of a woman made under the law that we might receive the adoption of sons Gal 4 4 5

Genealogists Encyclopedia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Genealogists Encyclopedia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Genealogists Encyclopedia has opened up a world of possibilities. Downloading Genealogists Encyclopedia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Genealogists Encyclopedia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Genealogists Encyclopedia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Genealogists Encyclopedia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Genealogists Encyclopedia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Genealogists Encyclopedia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Genealogists Encyclopedia Books

1. Where can I buy Genealogists Encyclopedia books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
