## **General Chernyakhovsky:**

**General Chernyakhovsky** Akram Agzamovich Sharipov,1980 *LIFE* ,1944-07-31 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *General Chernyakhovsky* A. Sharipov,1980 **The Army Quarterly** ,1945 **Operation Bagration** Ian Baxter,2022-01-04 This illustrated WII history provides a vivid account of the Red Army s devastating offensive against the invading German army In the summer of 1944 the Soviet Army launched Operation Bagration This massive offensive led to the destruction of the German Army Group Center and was the greatest military defeat ever experienced by the German Army during World War Two With rare and previously unpublished photographs this book provides an absorbing insight into one of the most pivotal episodes on the Eastern Front With detailed captions and text together with twenty artist profiles and maps the book shows how German Army Group Center tried to counter the overwhelming assault before it was forced to retreat But the Russian offensive was so quick that many German units were encircled and destroyed In a cataclysm bigger than Stalingrad the Germans lost more than 300 000 men Though Operation Bagration was even more devastating to the Germans than the D Day campaign in Normandy comparatively little is written about it This book reveals the lesser known battle in the East and shows how the German forces fought and lost against overwhelming odds **Who's Who in World War II** John Keegan,2002-09-11 First Published in 2004 World War II unlike World War I was truly a global conflict fought in every one of the five continents from the Caribbean to the South China Sea from New Guinea to the North Cape and by combatants from every continental region Latin America the Balkans Scandinavia the Middle East South Asia and Africa as well as from Europe and North America It was also as World War I had not been a conflict of ideologies Its dramatis personae was therefore of a peculiar richness including not only soldiers and statesmen of orthodox background but three dictators of world stature Hitler Mussolini and Stalin demagogues like Goebbels and ideologues like Alfred Rosenberg politicians of charismatic power like Franklin Delano Roosevelt prophets of national renaissance like Charles de Gaulle and of national liberation like Mahatma Gandhi showmen mountebanks martyrs heroes traitors and quislings a word we owe to the politics of World War II This book attempts to assemble the most important among this vast cast of characters from every country and from every sphere of responsibility or irresponsibility and to convey not only the salient facts about the life and career of each but also the flavor of their individuality Stalin's General Geoffrey Roberts,2012-06-05 Widely regarded as the most accomplished general of World War II the Soviet military legend Marshal Georgy Zhukov at last gets the full scale biographical treatment he has long deserved A man of indomitable will and fierce determination Georgy Zhukov was the Soviet Union s indispensable commander through every one of the critical turning points of World War II It was Zhukov who saved Leningrad from capture by the Wehrmacht in September 1941

Zhukov who led the defense of Moscow in October 1941 Zhukov who spearheaded the Red Army's march on Berlin and formally accepted Germany's unconditional surrender in the spring of 1945 Drawing on the latest research from recently opened Soviet archives including the uncensored versions of Zhukov's own memoirs Roberts offers a vivid portrait of a man whose tactical brilliance was matched only by the cold blooded ruthlessness with which he pursued his battlefield objectives After the war Zhukov was a key player on the geopolitical scene As Khrushchev's defense minister he was one of the architects of Soviet military strategy during the Cold War While lauded in the West as a folk hero he was the only Soviet general ever to appear on the cover of Time magazine Zhukov repeatedly ran afoul of the Communist political authorities Wrongfully accused of disloyalty he was twice banished and erased from his country's official history left out of books and paintings depicting Soviet World War II victories Piercing the hyperbole of the Zhukov personality cult Roberts debunks many of the myths that have sprung up around Zhukov's life and career to deliver fresh insights into the marshal's relationships with Stalin Khrushchev and Eisenhower A remarkably intimate portrait of a man whose life was lived behind an Iron Curtain of official secrecy Stalin's General is an authoritative biography that restores Zhukov to his rightful place in the twentieth century military pantheon

**Uncrewed Vessels and International Law** Haiwen Zhang, Yao Huang, Lijuan Xing, 2024-07-01 This policy oriented jurisprudence presents the latest research findings on legal challenges faced by the international regulatory framework as posed by the increasing deployment of uncrewed vessels at sea It is the first publication that offers discussions and opinions reflecting a combined international and comparative especially eastern perspective The contributors from multiple jurisdictions elaborate on legal implications of the use of uncrewed vessels for military commercial scientific research and law enforcement purposes from such diverse angles as the law of the sea international humanitarian law the law of war global shipping regulation marine environment protection cybersecurity and artificial intelligence and law

**Hitler's Greatest Defeat** Paul Adair, 2022-09-22 How the Nazis lost the war 1944 was a year of trial for the German Army While the Allies were preparing to invade the Third Reich from the west Stalin was set on a massive offensive to liberate the last remaining areas of Soviet territory still held by the Germans Hitler was determined to hold fast His muddled strategic thinking nullified the undoubted operational ability of his generals and disaster was the inevitable result This book is a gripping analysis of the Soviet campaign to capture Byelorussia the German attempts to counter it and the final terrible collapse of Army Group Centre inflicting even greater losses on the Germans than their earlier defeat at Stalingrad It was a catastrophe of unbelievable proportions 28 of 34 divisions over 300 000 men were lost Hitler's war effort was doomed and broken An unputdownable history perfect for readers of Antony Beevor or James Holland

**Nazi Rule and the Soviet Offensive in Eastern Germany, 1944-1945** Alastair Noble, 2008-09-01 An examination of the final period of Nazi rule in Germany's eastern provinces at the end of the Second World War It outlines the wartime role of this region and assesses the impact of Nazi popular mobilisation initiatives during the closing months of the conflict

Marc Chagall and His Times Benjamin Harshav, Marc Chagall, Barbara Harshav, 2004 Renowned Israeli American scholar Harshav presents the first comprehensive investigation of Marc Chagall's life and consciousness after the classic 1961 biography by Chagall's son in law Franz Meyer *Soviet Military Review*, 1981 Soviet Military Deception in the Second World War David M. Glantz, 2012-11-12 Published in 1989 Soviet Military Deception in the Second World War is a valuable contribution to the field of Military Strategic Studies Memoirs of Nikita Khrushchev: Commissar, 1918-1945 Nikita Sergeevich Khrushchev, Sergei Khrushchev, 2004 Nikita Khrushchev's proclamation from the floor of the United Nations that we will bury you is one of the most chilling and memorable moments in the history of the Cold War but from the Cuban Missile Crisis to his criticism of the Soviet ruling structure late in his career the motivation for Khrushchev's actions wasn't always clear Many Americans regarded him as a monster while in the USSR he was viewed at various times as either hero or traitor But what was he really like and what did he really think Readers of Khrushchev's memoirs will now be able to answer these questions for themselves and will discover that what Khrushchev really said at the UN was we will bury colonialism This is the first volume of three in the only complete and fully reliable version of the memoirs available in English In this volume Khrushchev recounts how he became politically active as a young worker in Ukraine how he climbed the ladder of power under Stalin to occupy leading positions in Ukraine and then Moscow and how as a military commissar he experienced the war against the Nazi invaders He vividly portrays life in Stalin's inner circle and among the generals who commanded the Soviet armies Khrushchev's sincere reflections upon his own thoughts and feelings add to the value of this unique personal and historical document Included among the Appendixes is Sergei Khrushchev's account of how the memoirs were created and smuggled abroad during his father's retirement **LIFE**, 1944-07-31 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **Heroes With No Names** Bernard Fleischer, 2022-03-31 Rabbi is it wrong to fight From the lips of a boy in Baltimore facing a gauntlet of bullies on the way to Hebrew School To a son losing his father to needless violence at a kibbutz in Palestine To one of several brothers forced to drive supply trucks in Nazi occupied Poland The answer to this question will bring them together in a daring plot After receiving news their extended family in Poland is gone a simple accountant once denied enlistment after Pearl Harbor answers his father's prayer for someone to help and volunteers to fight on a different battlefield With Nazis and Polish police marching the streets injustice and danger lurk around every corner While pockets of resistance race to smuggle hidden Jews to safety a relentless enemy is nipping at their heels determined to dismantle their network completely Who can they trust And then a daring plan is hatched to hijack a train destined for Auschwitz coordinating the rescue of hundreds in a single act From the streets of Baltimore to the villages of Poland to the shores of Palestine heroes with no names arose to save their people **LIFE**, 1944-07-31 LIFE Magazine is

the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use
