General James Grant Scottish Soldier And Royal Governor Of East Florida

Paul David Nelson

General James Grant Scottish Soldier And Royal Governor Of East Florida:

General James Grant Paul David Nelson, 1993 A smoothly written and well balanced piece of history three dots Nelson's portrayal of Grant as a Scotsman and soldier is the common thread that runs throughout the book keeping everything in perspective and providing the reader with a readily accessible and fascinating narrative Philander D Chase editor of The Papers of George Washington University of Virginia Though Major General James Grant's name appears in many early histories of Florida he has been remembered primarily for one speech he delivered in Parliament in 1775 that disparaged American military might In this first full scale biography of him Nelson establishes Grant as an intelligent participant in the political and military events of his age As the first royal governor of British colonial Florida 1763-73 Grant practically created the colony once it was secured from Spain at the end of the Seven Years War His deliberate cultivation of friendships in the neighboring colonies of Georgia and South Carolina is part of the annals of royal administration and he left behind a record of balanced careful leadership Even after he returned to Great Britain where he represented Scottish constituencies in Parliament he maintained an interest in Florida's fate not least because he held tracts of land in East Florida that yielded profits from indigo Using previously neglected Grant papers at Ballindalloch Castle in Scotland as well as better known materials Nelson documents the roots of Grant's personality and ambitions producing a work of interest for scholars of the American Revolution and of military history as well as early Florida and 18th century British history Paul David Nelson is professor of history and chair of the department at Berea College and the author of other biographies including William Tryon and the Course of Empire A Life in British Imperial Service William Alexander Lord Stirling Anthony Wayne Soldier of the Early Republic and General Horatio Gates A Concise Natural History of East and West Florida Bernard Romans, 1999-11-15 Braund presents the only annotated edition of Bernard Romans's rare and valuable 18th century account of his observations in the southeastern United States Bernard Romans's A Concise Natural History of East and West Florida William Bartram's Travels and James Adair's History of the American Indian are the three most significant accounts of the southeastern United States published during the late 18th century This new edition of Romans's Concise Natural History edited by historian Kathryn Braund provides the first fully annotated edition of this early and rare description of both the European settled areas and the adjoining Indian lands in what are now the states of Florida Georgia Alabama Mississippi and Louisiana Romans's purpose in producing his Concise Natural History was twofold to aid navigators and shippers by detailing the sailing passages of the region and to promote trade and settlement in the region To those ends he provided detailed scientific observations on the natural history of the area a summary of the region's political history and an assessment of the potential for economic growth in the Floridas based on the area's natural resources A trained surveyor and cartographer and a self taught naturalist Romans supplied detailed descriptions of the region's topography and environment including information about the climate and weather patterns plants animals and diseases He provided information about the state of

scientific inquiry in the South and touched on many of the most important intellectual arguments of the day such as the origin of the races the practice of slavery and the benefits and drawbacks of monopoly on trade In addition Concise Natural History can be placed firmly in the genre of colonial promotional literature Romans s book was an enthusiastic guide aimed at those seeking to establish modest holdings in the region What a field is open here No country ever had such inexhaustible resources no empire had ever half so many advantages combining in its behalf Romans explained how settlers should travel to the area what they would need in terms of provisions and tools and what it would cost to have their land surveyed In addition to providing an abundance of practical advice Romans also offered information about the history of earlier settlements including the earliest and most complete account of New Smyrna near St Augustine Romans also presented unique information about the various Indian tribes he encountered In fact historians agree that among the most useful portions of the book are Romans s descriptions of the largest Indian tribes in the 18th century Southeast the Creeks Choctaws and Chickasaws Romans s account of the diet of the Creeks and Choctaws is one of the most complete available And his description of the location of Choctaw village sites is one of the best sources for this information *William Bartram and the Ghost Plantations of British East Florida* Daniel L. Schafer,2010-10-01 In his famous and influential book Travels the naturalist William Bartram described the St Johns riverfront in east Florida as an idyllic untouched paradise Bartram s account was based on a journey he took down the river in 1774 Or was it Historians have relied upon the integrity of the information in William Bartram s Travels for centuries often concluding from it that the British the colonial power from 1763 to 1783 had not engaged in large scale land development in Florida However the well documented truth is that the St Johns riverfront was not in a state of unspoiled nature in 1774 it was instead the scene of drained wetlands and ambitious agricultural developments including numerous successful farms and plantations Unsuccessful settlements could also be found William Bartram s own foundered venture among them Evidence for the existence of these settlements can still be found in archives in the United Kingdom and in the family papers of the descendants of British East Florida settlers and absentee landowners So why did Bartram choose to erase them from history Was his insistence on a pristine paradise in Travels based on an early expedition that he and his father the botanist John Bartram conducted in 1764 65 Was his distaste for development a result of bitterness and shame over his own failed settlement Daniel Schafer explores all of these questions in this intriguing book reconstructing the sights and colorful stories of the St Johns riverfront that Bartram rejected in favor of an illusory wilderness At last the full story of William Bartram s famous journey and the histories of the plantations he ghosted are uncovered in this eminently readable highly informative and extremely entertaining volume **East Florida in the Revolutionary Era, 1763-1785** George Kotlik,2023-01-15 [The History of Florida](#) Michael Gannon,2018-06-26 Previously published as The New History of Florida **Cornwallis** Richard Middleton,2022-02-22 The first biography of Charles Cornwallis in forty years the soldier governor and statesman whose career covered America India Britain and Ireland

Charles First Marquis of Cornwallis 1738 1805 was a leading figure in late eighteenth century Britain His career spanned the American War of Independence Irish Union the French Revolutionary Wars and the building of the Second British Empire in India and he has long been associated with the unacceptable face of Britain s colonial past In this vivid new biography Richard Middleton shows that this portrait is far from accurate Cornwallis emerges as a reformer who had deep empathy for those under his authority and was clear about his obligation to govern justly He sought to protect the population of Bengal with a constitution of written laws insisted on Catholic emancipation in Ireland and recognized the limitations of British power after the American war Middleton reveals how Cornwallis rewarding of merit search for economy and elimination of corruption helped improve the machinery of British government into the nineteenth century

Washington's Marines

Jason Q. Bohm, 2023-05-04 A history of the US Marine Corps beginnings during the American Revolution Winner 2024 Fraunces Tavern Museum Book Award Bohm has given us an excellent and useful book on the important contribution of Continental Marines and state Marines in pivotal campaigns of the American Revolutionary War Dr David Hackett Fischer acclaimed author of Washington s Crossing Albion s Seed The Great Wave and Paul Revere s Ride The fighting prowess of United States Marines is second to none but few know of the Corps humble beginnings and what it achieved during the early years of the American Revolution Jason Bohm rectifies this oversight with his eye opening Washington s Marines The Origins of the Corps and the American Revolution 1775 1777 The story begins with the oppressive days that drove America into a conflict for which it was ill prepared when thirteen independent colonies commenced a war against the world s most powerful military with nothing more than local militias privateers and other ad hoc units The Continental Congress rushed to form an army and placed George Washington in command but soon realized that to win its freedom America would need men who could fight on the sea and on land Enter the Marines Bohm artfully tells the story of the creation of the Continental Marines and the men who led them during the parallel paths followed by the Army and Marines in the opening years of the war and through the early successes and failures at Lexington and Concord Bunker Hill Canada Boston Charleston and more As General Washington struggled to preserve his command after defeats in New York and New Jersey in 1776 the nascent U S Navy and Marines deployed the first American fleet conducted their first amphibious operation and waged a war on the rivers and seas to block British reinforcements and capture critically needed supplies Desperate times forced Congress to detach the Continental Marines from the Navy to join the embattled army as Washington sought an important stroke to defeat his adversary Washington s Marines joined their fellow soldiers in a protracted land campaign that culminated in turning point victories at Trenton Assunpink Creek and Princeton This chapter of the Continental Marines ends in Morristown New Jersey when Washington granted Henry Knox s request to leverage the Marines expertise with naval guns to fill the depleted ranks of the army s artillery during the Forage War Washington s Marines is the first complete study of its kind to weave the men strategy performance and personalities of the Corps formative early years into a single compelling

account The sweeping prose relies heavily on primary research and the author's own extensive military knowledge Enhanced with original maps and illustrations Washington's Marines will take its place as one of the finest studies of its kind

American Revolution 100 Michael Lanning, 2009-11 Experience the defining moments of the war that gave birth to America The American Revolution 100 brings to life the monumental moments bloody battles and influential leaders who gave birth to a great nation In comprehensive fashion decorated veteran and military expert Michael Lee Lanning ranks and analyzes the war's most significant events showing how each affected the outcome Relive the memorable battles when a country of citizen farmers prepared themselves to take on the mightiest army in the world Learn about the remarkable figures and forces of the time and decide for yourself Who influenced the revolution more John Adams Benjamin Franklin or John Paul Jones Was the Battle of Yorktown more pivotal than the Battle of Trenton Was The Declaration of Independence more important to the revolution than Thomas Paine's Common Sense Read the stories of Henry Knox Thomas Sumter American militias and December 26 1776 and let your own debates begin Praise for Michael Lee Lanning's history books Easily accessible Recommended reference for the aficionado and the uninitiated alike ForeWord magazine Unusual and even witty insights also abound Publishers Weekly

The Philadelphia Campaign, 1777-1778 Stephen R. Taaffe, 2003 Engagingly recounts how this often underestimated Revolutionary War campaign became a critical turning point in the war that led to the ultimate victory of the Continental Army over the British forces *Scotland and America, c.1600-c.1800* Alexander Murdoch, 2009-12-18 While the literature relating to Scottish contact with America has grown significantly in recent years the influence of America on Scotland and its early modern history has been neglected in favour of a preoccupation with Scottish influence on the formation of North American national identities Alexander Murdoch's fascinating new study explores Scottish interactions with North America in a desire to open up fresh perspectives on the subject Scotland and America c 1600 c 1800 Surveys the key centuries of economic migratory and cultural exchange including Canada and the Caribbean Discusses Scottish participation in the Atlantic slave trade and the debate over its abolition Considers the Scottish experience of British unionism with respect to developing American traditions of unionism in the U S and Canada Incorporating the latest research this is essential reading for anyone interested in the dynamic relationship between Scotland and America during a key period in history [Under Alien Skies](#) Vaughn Scribner, 2024-11-27

The Revolutionary War is often celebrated as marking the birth of American republicanism liberty and representative democracy Yet for the tens of thousands of British and Hessian troops sent 3 000 miles across the Atlantic Ocean to wage war under alien skies such a progressive picture as Vaughn Scribner reveals could not have been further from the truth In [Under Alien Skies](#) Scribner illustrates how foreign soldiers negative perceptions of the American environment merged with harsh wartime realities to elicit considerable physical mental and emotional anguish Whether trudging through alligator infested swamps nursing a comrade back to health in a rain sodden tent or digging trenches in a burned out port city most

who fought in America under the British army's flag ultimately deemed themselves strangers fighting in a strange land. For them Revolutionary America looked nothing like the happy land blessed with every climate that Revolutionary republicans so successfully promoted. Instead the War of Independence descended into a quagmire of anxiety, destruction and distress at the hands of the American environment, a Diabolical Country as one British soldier opined, which no Earthly Compensation can put me in Charity with. *Endgame for Empire* John T. Juricek, 2015-07-28. Too easily we forget that the process of European colonization was not simply a matter of armed invaders elbowing themselves into position to take charge. As John Juricek reminds us, the road to revolution was paved in part by complicated negotiations with Indians as well as unique legal challenges. By 1763 Britain had defeated Spain and France for dominance over much of the continent and renewed efforts to repair relations with Native Americans, especially in the southern colonies. Over the ensuing decade the reconstitution of British Creek relations stalled and then collapsed, ultimately leading the colonists directly into the arms of the patriot cause.

Sir Charles Grey, First Earl Grey Paul David Nelson, 1996. Considering Grey's importance and the prominence of the family he helped to found, it is surprising that he has been neglected by history. Only a short sketch in the Dictionary of National Biography and an article by Sir John Fortescue in the Edinburgh Review have ever attempted even perfunctory assessments of his life. As a man and an army officer, Grey represented some of the best qualities of eighteenth-century British civilization. In America he fought during the War of American Independence and in 1794 in the West Indies against France. Hence, as Nelson shows, his career is important in American History. Given his long service to the British nation in all her wars from 1744 to 1800, it is clear from Nelson's account that Grey is an important character in British history as well. During his lifetime Grey proved himself a reliable and successful soldier, earning and deserving all his honors: Knight of the Bath in 1782, baron in 1801, viscount and earl in 1806. *The Men Who Lost America* Andrew Jackson

O'Shaughnessy, 2020-08-11. Questioning popular belief, a historian re-examines what exactly led to the British Empire's loss of the American Revolution. The loss of America was an unexpected defeat for the powerful British Empire. Common wisdom has held that incompetent military commanders and political leaders in Britain must have been to blame, but were they? This intriguing book makes a different argument. Weaving together the personal stories of ten prominent men who directed the British dimension of the war, historian Andrew O'Shaughnessy dispels the incompetence myth and uncovers the real reasons that rebellious colonials were able to achieve their surprising victory. In interlinked biographical chapters, the author follows the course of the war from the perspectives of King George III, Prime Minister Lord North, military leaders including General Burgoyne, the Earl of Sandwich, and others who for the most part led ably and even brilliantly. Victories were frequent and in fact the British conquered every American city at some stage of the Revolutionary War. Yet roiling political complexities at home combined with the fervency of the fighting Americans proved fatal to the British war effort. The book concludes with a penetrating assessment of the years after Yorktown when the British achieved victories against the

French and Spanish thereby keeping intact what remained of the British Empire A remarkable book about an important but curiously underappreciated subject the British side of the American Revolution With meticulous scholarship and an eloquent writing style O Shaughnessy gives us a fresh and compelling view of a critical aspect of the struggle that changed the world Jon Meacham author of Thomas Jefferson The Art of Power *Valley Forge Winter* Wayne Bodle,2010-11-01 Refuting commonly held myths about the American Revolution this comprehensive history of the colonial army s winter encampment of 1777 1778 reveals the events that occurred both inside and outside the camp boundaries discussing interactions between the soldiers and local civilians divisions within the army the political and military strategies of George Washington and their implications in terms of the future of the United States Reprint **The Encyclopedia of North American Colonial Conflicts to 1775: A-K**,2008 Covers all major wars and conflicts in North America from the late 15th to mid 18th centuries with discussions of key battles diplomatic efforts military technologies and strategies and tactics E xplores the context for conflict with essays on competing colonial powers every major Native American tribe all important political and military leaders and a range of social and cultural issues Publisher s Web site *With Zeal and With Bayonets Only* Matthew H. Spring,2012-11-08 The image is indelible densely packed lines of slow moving Redcoats picked off by American sharpshooters Now Matthew H Spring reveals how British infantry in the American Revolutionary War really fought This groundbreaking book offers a new analysis of the British Army during the American rebellion at both operational and tactical levels Presenting fresh insights into the speed of British tactical movements Spring discloses how the system for training the army prior to 1775 was overhauled and adapted to the peculiar conditions confronting it in North America First scrutinizing such operational problems as logistics manpower shortages and poor intelligence Spring then focuses on battlefield tactics to examine how troops marched to the battlefield deployed advanced and fought In particular he documents the use of turning movements the loosening of formations and a reliance on bayonet oriented shock tactics and he also highlights the army s ability to tailor its tactical methods to local conditions Written with flair and a wealth of details that will engage scholars and history enthusiasts alike *With Zeal and with Bayonets Only* offers a thorough reinterpretation of how the British Army s North American campaign progressed and invites serious reassessment of most of its battles **Carolina in Crisis** Daniel J. Tortora,2015-05-25 In this engaging history Daniel J Tortora explores how the Anglo Cherokee War reshaped the political and cultural landscape of the colonial South Tortora chronicles the series of clashes that erupted from 1758 to 1761 between Cherokees settlers and British troops The conflict no insignificant sideshow to the French and Indian War eventually led to the regeneration of a British Cherokee alliance Tortora reveals how the war destabilized the South Carolina colony and threatened the white coastal elite arguing that the political and military success of the Cherokees led colonists to a greater fear of slave resistance and revolt and ultimately nurtured South Carolinians rising interest in the movement for independence Drawing on newspaper accounts military and diplomatic correspondence and the speeches of Cherokee people

among other sources this work reexamines the experiences of Cherokees whites and African Americans in the mid eighteenth century Centering his analysis on Native American history Tortora reconsiders the rise of revolutionary sentiments in the South while also detailing the Anglo Cherokee War from the Cherokee perspective **Colonial South Carolina** Robert M. Weir,2023-02-24 A standard source on one of the most enigmatic colonies in North America In this modern and complete history Robert Weir explicates the apparent paradoxes that defined colonial South Carolina In doing so he offers provocative observations about its ascension to the pinnacle of mid eighteenth century prosperity escalating racial tension struggles for political control and push toward revolution **Redcoats** Stephen Brumwell,2006-01-09 In the last decade scholarship has highlighted the significance of the Seven Years War for the destiny of Britain s Atlantic empire This major 2001 study offers an important perspective through a vivid and scholarly account of the regular troops at the sharp end of that conflict s bloody and decisive American campaigns Sources are employed to challenge enduring stereotypes regarding both the social composition and military prowess of the redcoats This shows how the humble soldiers who fought from Nova Scotia to Cuba developed a powerful esprit de corps that equipped them to defy savage discipline in defence of their rights It traces the evolution of Britain s American Army from a feeble conservative and discredited organisation into a tough flexible and innovative force whose victories ultimately won the respect of colonial Americans By providing a voice for these neglected shock troops of empire Redcoats adds flesh and blood to Georgian Britain s sinews of power

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **General James Grant Scottish Soldier And Royal Governor Of East Florida**

In a world inundated with monitors and the cacophony of instant connection, the profound power and psychological resonance of verbal artistry usually disappear in to obscurity, eclipsed by the constant assault of sound and distractions. General James Grant Scottish Soldier And Royal Governor Of East Florida Introduction

In today's digital age, the availability of General James Grant Scottish Soldier And Royal Governor Of East Florida books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of General James Grant Scottish Soldier And Royal Governor Of East Florida books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of General James Grant Scottish Soldier And Royal Governor Of East Florida books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing General James Grant Scottish Soldier And Royal Governor Of East Florida versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, General James Grant Scottish Soldier And Royal Governor Of East Florida books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing.

When it comes to accessing General James Grant Scottish Soldier And Royal Governor Of East Florida books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for General James Grant Scottish Soldier And Royal Governor Of East Florida books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, General James Grant Scottish Soldier And Royal Governor Of East Florida books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of General James Grant Scottish Soldier And Royal Governor Of East Florida books and manuals for download and embark on your journey of knowledge?

FAQs About General James Grant Scottish Soldier And Royal Governor Of East Florida Books

1. Where can I buy General James Grant Scottish Soldier And Royal Governor Of East Florida books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
