Blackstone's Police Manual David Johnston, Glenn Hutton, Fraser Sampson, 2005 Blackstone's Police Manuals are the leading texts on police law Endorsed by CENTREX they are the only official reference work for police officers preparing for promotion examinations and for probationary officers They cover all aspects of police law and procedure from a police officer's perspective The 2005 editions have been extensively revised to incorporate all legislative developments such as the Criminal Justice Act 2003 Sexual Offences Act 2003 and the Anti Social Behaviour Act 2003 and also include a number of case decisions and changes in policy This manual focuses on Evidence and Procedure and covers a wide variety of topics in this area Dictionary of Policing Tim Newburn, Peter Neyroud, 2013-06-17 Covers the rapidly developing and increasingly professionalized field of contemporary policing with its new emphasis on skills standards and knowledge *Blackstone's Police Operational Handbook 2013: Law* Police National Legal Database (PNLD), 2012-09-13 Blackstone's Police Operational Handbook 2013 is designed specifically to meet the reference needs of officers while out on patrol Written in a concise and accessible style it covers a wide range of common offences and clearly explains and interprets the relevant legislation Using clear and consistent presentation throughout each chapter offers you a definition of the offence the points to prove and a clear system of icons covering police powers and mode of trial At a glance you can access everything you need to make a quick informed decision in a host of everyday policing situations The seventh edition of this highly regarded and successful Handbook is fully updated to include all recent legislative developments and further changes to the law including Police Reform Social Responsibility Act 2011 the Education Act 2011 the Crime and Security Act 2010 and the Policing and Crime Act 2009 The book also includes information on domestic violence and anti social behaviour orders plus further updated guidance in other areas of law from the Home Office Ministry of Justice Circulars Whatever your role police patrol officer supervisor student police officer PCSO or Special Constable this is an invaluable tool for operational personnel **Policing, Race and Racism** Mike Rowe, 2012-12-06 Over recent years race has become one of the most important issues faced by the police This book seeks to analyse the context and background to these changes to assess the impact of the Lawrence Inquiry and the MacPherson Report and to trace the growing emphasis on policing as an antiracist activity proactively confronting racism in both crime and non crime situations Whilst this change has not been wholly or consistently applied it does represent an important change in the discourse that surrounds police relations with the public since it changes the traditional role of the police as neutral arbiters of the law This book shows why race has become the most significant issue facing the British police and argues that the police response to race has led to a consideration of fundamental issues about the relation of the police to society as a whole and not just minority groups who might be most directly affected *Policing, Race and Racism* Michael Rowe, 2004 Public inquiries into the racist murder of Stephen Lawrence in April of 1993 eventually led to the MacPherson Report of 1999 and charges of institutional racism in the British metropolitan police services This

book engages the key issues emerging from the MacPherson Report discussing the failure of police to adequately recruit from minority ethnic communities the relationship between racism and broader aspects or police culture evaluations of subsequent training programs in community and race relations or policing diversity concerns that black people are over policed and the inadequacy of police response to racist violence Distributed in the US by ISBS Annotation 2004 Book News Inc Portland OR booknews com
