

The General Slocum Disaster of 1904

A German American Tragedy

General Slocum Ferryboat Fire Of 1904

John Stuart Ogilvie

General Slocum Ferryboat Fire Of 1904:

The General Slocum Steamboat Fire of 1904 Ellen V. LiBretto, 2003-12-15 Describes the 1904 fire that destroyed the General Slocum and killed more than one thousand people examining the causes reactions of passengers crew and spectators and aftermath of the disaster **Ship Ablaze** Edward T. O'Donnell, 2003 Ship Ablaze is the extraordinary untold story of the 1904 maritime disaster that took the lives of more than a thousand New Yorkers Photos 1 map **The Sinking of the General Slocum** Charles River Charles River Editors, 2018-02-22 Includes pictures Includes accounts of the disaster by survivors and rescuers Includes online resources and a bibliography for further reading Includes a table of contents There were scenes of horror on the General Slocum and on shore such as it would not be decent to set down on paper J S Ogilvie History of the General Slocum disaster by which nearly 1200 lives were lost by the burning of the steamer General Slocum in Hell gate New York harbor June 15 1904 1904 There is a popular saying that claims timing is everything and in no other field of study is that truer than in history For instance under normal conditions a ship that sank with more than 1 000 passengers aboard most of whom died would be big news yet today the sinking of the PS General Slocum is often overlooked if not entirely forgotten While it might have generated the type of publicity and reaction of the Johnstown Flood of 1889 or the Galveston Hurricane of 1900 under normal circumstances deadliest disaster in New York City s history before 9 11 and the second deadliest maritime disaster in peacetime in American history has become something of a historical footnote On June 15 1904 an annual gala was held on the passenger ship as it steamed up the East River with about 1 400 people from St Mark s Evangelical Lutheran Church Consisting mostly of German immigrants the boat was packed with women and children and when a small fire started on the ship shortly after the trip began faulty equipment was unable to put it out or stop it from spreading On top of that the lifeboats were tied up and the crew which never conducted emergency drills was unprepared for a potential disaster When parents put life preservers on their children and then had them enter the water they soon learned that the life preservers were also faulty and didn t float As the disaster unfolded over 1 000 passengers burned to death or drowned many swept under the water by the East River s current and weighed down by heavy wool clothing Few people on board knew how to swim exacerbating the situation and eventually the overcrowded decks began to collapse crushing some unfortunate victims In the end the General Slocum sank in shallow water while hundreds of corpses drifted ashore and the fallout was immediate The captain was indicted for criminal negligence and manslaughter and the ship s owner was also charged While the captain would receive a 10 year sentence the company in charge of the General Slocum got off with a light fine In a somewhat fitting postscript the ship was salvaged and converted into a barge only to sink once again during a heavy storm in 1911 Time heals all wounds but in the case of the Slocum disaster the wounds weren t so much healed as overshadowed The Triangle Shirtwaist Factory fire took over 100 lives in New York City in 1911 and led to calls for serious workplace reforms and a few years later World War I began in Europe With that much of the sympathy Americans previously

felt for the loss of over 1 000 German lives on the Slocum evaporated The Sinking of the General Slocum The History of New York City s Deadliest Maritime Disaster chronicles the fateful chain of events that led to one of the worst tragedies in American history Along with pictures of important people places and events you will learn about the General Slocum like never before in no time at all

History of the General Slocum Disaster by which Nearly 1200 Lives Were Lost by the Burning of the Steamer General Slocum in Hell Gate, New York Harbor, June 15,1904 John Stuart Ogilvie,1904

Railroad Ferries of the Hudson Raymond J. Baxter,Arthur G. Adams,1999 Railroad Ferries of the Hudson and the Stories of a Deckhand is a complete business economic technical and social history of the ferryboats that were once operated across the Hudson River to Manhattan from New Jersey and that were owned and operated by various railroad companies in conjunction with their commuter and long distance passenger trains The work also covers the Staten Island Ferry formerly operated by the B O Railroad and New York Waterway s present day revival of services connecting with New Jersey Transit commuter train services

The Burning of the General Slocum Claude Rust,1981 Describes the 1904 fire aboard the excursion steamship General Slocum in New York City s East River in which more than 1000 passengers died of burns and drowning

Around Manhattan Island and Other Maritime Tales of New York Brian J. Cudahy,1997 Cudahy begins with a history of the Circle Line and its forerunners and erstwhile competitors in the around Manhattan sightseeing business Next he gives us the fascinating story of the fastest ocean liner of all time the S S United States The noble history of the New York Fire Department s fire boats is next followed by the story of the Iron Steamboat Company s sidewheelers which ferried passengers to the magical Coney Island from 1881 to 1932 Then there is the tragic 1932 explosion of the steamboat Observation with its parallels to an earlier and even more devastating tragedy at nearly the same spot Finally Cudahy tells in fascinating detail of the New York to Bermuda cruises as they were in yesteryear and as they are today

Report of the United States Commission of Investigation Upon the Disaster to the Steamer "General Slocum." United States.

Commission of Investigation on "General Slocum" Disaster,1904 *Over and Back* Brian J. Cudahy,1990 Ask the average American anywhere in the country to answer the association question Staten Island and you get Ferry in immediate response what is regularly billed as America s favorite boatride not least because a round trip still costs an astonishing twenty five cents is the last public survivor of New York Harbor s once immense fleet of those doughty double ended ferryboats Dozens of ferryboats in a myriad of liveries crossed the harbor s waterways as recently as one generation ago Most have vanished as though they never were leaving in their ghostly wakes only fading memories and a few gorgeously restored ferry terminals The handsomest of these terminals on the New Jersey side of the Hudson is probably the one dubbed by Christopher Morley the Piazza San Lackawanna *Over and Back* captures definitively nearly two centuries of ferryboating in New York Harbor by a master narrator of the history of transportation in America In stories charts maps photographs diagrams route lists fleet rosters and in the histories of some four hundred ferryboats Brian J Cudahy captures the whole tale as concisely as one could

hope The transportation expert the ferry buff the model builder the urban historian each will find grist for his or her mill The photographs capture a highly significant footnote in America s past and present the colored illustrations preserve some of the stylish rigs in which the owners garbed their boats despite coal soot oil smudge and urban grime Fully a third of the book comprises the most complete statistical compilation that the nation s public and private archives permit The data show among other things that some of the former workhorses of New York Harbor are filling utilitarian or social roles elsewhere in the United States and overseas and that the newest boats in the harbor began life along the Gulf of Mexico and in New England

No Dominion VV Sinclair,2024-06-15 Past and future are converging threatening to erase all of human history Who will achieve DOMINION over time Elizabeth Sapphire 26th century time traveler has made a revolutionary temporal discovery After a rogue energy wave hits her asteroid she is stranded in the past in 1909 without a time machine Meanwhile Sapphire has located her custom U boat time machine summoning it from the depths of time and has embarked across the Atlantic to Italy to retrieve Primeval operatives including a monstrous version of her long dead sister pursue Sapphire relentlessly seeking to seize her radical discovery so they can rewrite history according to their twisted crusade Will Sapphire be caught in the crossfire between Anacron time enforcers and the sinister Primeval Which version of history will prevail Will Sapphire escape the Inferno of Time and find her awesome destiny Join Elizabeth Sapphire as she battles Primeval to defend time itself Will she preserve the timeline or remain timewrecked in the forgotten past Grab your copy of NO DOMINION today and find out who will prevail

When Did the Statue of Liberty Turn Green? The Staff of the New-York Historical Society Library,2010-10-19 A treasury of trivia from the New York Historical Society An extraordinary tapestry depicting New York s story An almost addictive read Library Journal For years the librarians at the New York Historical Society have kept a record of the questions posed to them by curious locals and visitors to the city Who was the first woman to run for mayor of New York Why are beavers featured on the city s official seal Is it true that a nineteenth century New Yorker built a house out of spite Who were the Collyer brothers In this book the library staff answers more than a hundred of the most popular and compelling queries With endlessly entertaining entries featuring hard to find data and unforgettable profiles it s ideal for those who love trivia urban history strange tales and of course New York City Discover How Peg Leg Peter Stuyvesant lost his right leg Whether Manhattan used to have cowboys How the New York Yankees got their name Who was Pig Foot Mary Why the Manhattan House of Detention is called the Tombs Who Topsy was and how she electrified New York City How many speakeasies were open during Prohibition What occurred every May in the nineteenth century to cause so much commotion When penguins were stolen from the Coney Island Aquarium and much more

Steinway & Sons Laura Lee Smith,2020 Steinway Sons is a unique entity in American history Steinway is many things an iconic piano an American success story a symbol of opulence a metaphor for artistic passion and a geographic locale Part of the fabric of two New York City boroughs Steinway occupies a compelling place in the minds and hearts of the millions of

people from pianists and students to artisans and salespeople who have been impacted by the brand From Steinway Sons inception in 1853 until today the company's mission has stayed the same as the one German immigrant Henry E Steinway articulated upon his arrival in America to build the best piano possible In the late 1800s Steinway emerged as the standard bearer in piano design and manufacturing outshining and outlasting other brands including Chickering and Weber Today the Steinway piano is still built by hand in New York City according to the same stringent processes developed by Henry E Steinway and his sons Publisher's description

Seaborne Wonders: Exploring America's Ferry Fleets Pasquale De Marco, 2025-07-25 Ferries have been a vital part of American transportation for centuries connecting communities facilitating commerce and shaping the lives of countless Americans From the earliest days of European settlement to the modern era of advanced ferry technologies ferries have played a unique and essential role in the nation's history This book takes a comprehensive look at the history design and operation of ferries in the United States Drawing on a wealth of research and firsthand accounts the book explores the evolution of ferry fleets from the simple rowboats of the colonial era to the powerful diesel powered vessels of today Readers will learn about the iconic ferry systems that have served major cities and rural communities alike including the Washington State Ferry System the San Francisco Bay Ferry System and the New York City Ferry System The book also examines the role of ferries in transportation commerce and tourism and discusses the challenges and opportunities facing ferries in the 21st century Whether you are a lifelong ferry enthusiast or simply curious about this unique mode of transportation Seaborne Wonders will provide you with a fascinating and informative overview of the history and significance of ferries in the United States Inside you'll discover The birth of ferries in the United States and the early designs that shaped their development The golden age of ferries and the rise of steam powered vessels The impact of the automobile and the decline of ferry travel in the early 20th century The diesel revolution and the modernization of ferry fleets The role of ferries in the 21st century and the challenges and opportunities they face Iconic ferry systems across the United States from the Washington State Ferry System to the Staten Island Ferry Ferries beyond the United States including a look at ferry systems in Europe Asia and Australia The role of ferries in transportation commerce tourism and emergency services The future of ferries and the emerging technologies that are shaping their design and operation Seaborne Wonders is the definitive guide to ferries in the United States With over 200 pages of in depth information and stunning photography this book is a must have for anyone interested in the history technology and cultural significance of ferries If you like this book write a review

The City Record New York (N.Y.), 1904

Proceedings of the Marine Safety Council, 2003

New York for New Yorkers Liza M. Greene, 2001 Updated to include major new buildings of the last five years this volume is a celebration of the buildings of New York City and their history with over 600 color photos

Asbestos and Fire Rachel Maines, 2013-08-30 For much of the industrial era asbestos was a widely acclaimed benchmark material During its heyday it was manufactured into nearly three thousand different products most of which

protected life and property from heat flame and electricity It was used in virtually every industry from hotel keeping to military technology to chemical manufacturing and was integral to building construction from shacks to skyscrapers in every community across the United States Beginning in the mid 1960s however this once popular mineral began a rapid fall from grace as growing attention to the serious health risks associated with it began to overshadow the protections and benefits it provided In this thought provoking and controversial book Rachel Maines challenges the recent vilification of asbestos by providing a historical perspective on Americans changing perceptions about risk She suggests that the very success of asbestos and other fire prevention technologies in containing deadly blazes has led to a sort of historical amnesia about the very risks they were supposed to reduce Asbestos and Fire is not only the most thoroughly researched and balanced look at the history of asbestos it is also an important contribution to a larger debate that considers how the risks of technological solutions should be evaluated As technology offers us ever increasing opportunities to protect and prevent Maines urges that learning to accept and effectively address the unintended consequences of technological innovations is a growing part of our collective responsibility

World Disasters Keith Eastlake, Henry Russell, Mike Sharpe, 2001-05 This fascinating book looks at some of the most horrifying and noteworthy disasters to have occurred around the world More than 200 disasters involving aircraft ships and trains as well as fires are analysed in detail accompanied by 500 photographs The entries which are arranged chronologically explain the background to each incident the event itself and the search for causes and culprits The volume also contains a wide ranging introduction a bibliography and a comprehensive index

Tenements, Towers & Trash Julia Wertz, 2017-10-03 An acclaimed cartoonist presents New York City as you've never seen it before with a side splittingly funny illustrated history of the blocks the buildings the guts and the little known charms and horrors of the greatest city in the world In *Tenements Towers Trash* Julia Wertz takes us behind underneath around and into the New York that you think you know Not the tourist's New York the Statue of Liberty makes a brief appearance and the Empire State Building not at all but the underbelly of the city that never sleeps With drawings and comics in her signature style Wertz regales us with streetscapes Then and Now and little known tales such as the lost history of Kim's Video the complicated and unresolved business of Ray's Pizza the vintage trash and horse bones that litter the shore of Brooklyn's Bottle Beach the ludicrous pinball prohibition Staten Island's secret abandoned boatyard and the hair raising legend of the infamous abortionist of Fifth Avenue Madame Restell From bars bakeries and bookstores to food carts street cleaners and apartments both cramped and grand *Tenements Towers Trash* is a wild ride in a time machine taxi from the present day city to bygone days of yore A New York Times Notable Book of the Year

Brooklyn John B. Manbeck, 2008-08-29 From America's first suburb to its favorite borough Brooklyn is by all accounts matchless Taking readers away from the film sets and off the tour buses borough historian John Manbeck reveals the communities that have defined its diverse neighborhoods from the early Dutch settlers to today's colonizing hipsters Through urbanism and war depression and gentrification Manbeck's columns

first printed in the Brooklyn Eagle and now collected here show Brooklyn for what it is a cultural and social nonpareil that just happens to sit across the East River from Manhattan

General Slocum Ferryboat Fire Of 1904 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading General Slocum Ferryboat Fire Of 1904 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading General Slocum Ferryboat Fire Of 1904 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading General Slocum Ferryboat Fire

Of 1904 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading General Slocum Ferryboat Fire Of 1904. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading General Slocum Ferryboat Fire Of 1904 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About General Slocum Ferryboat Fire Of 1904 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. General Slocum Ferryboat Fire Of 1904 is one of the best book in our library for free trial. We provide copy of General Slocum Ferryboat Fire Of 1904 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with General Slocum Ferryboat Fire Of 1904. Where to download General Slocum Ferryboat Fire Of 1904 online for free? Are you looking for General Slocum Ferryboat Fire Of 1904 PDF? This is definitely going to save you time and cash in something you should think about.
