The General Danced at Dawn George MacDonald Fraser, 1974 *The General Danced at Dawn, and Other Stories*
George MacDonald Fraser, 1973-01-01 *The Devil and the Giro* Carl MacDougall, 2010-07-01 Edited and Introduced by Carl MacDougall
The Scottish story has its roots in an oral tradition where stories were told to entertain. It is a tradition that has not diminished over the years and indeed there is today a body of young writers in the forefront of contemporary literature whose narrative voice is as compelling as that of their illustrious predecessors. *The Devil and the Giro* includes stories from all the major Scottish writers both famous and unsung. Hogg, Stevenson, Conan Doyle, Hugh MacDiarmid, Muriel Spark, James Kelman and Alasdair Gray are but a few of the fifty contributors. The anthology encompasses many examples of the themes in which Scottish writers have always excelled, most notably in that archetypal twinning of opposites where the ordinary meets the fantastic, man encounters the Devil or the real and the supernatural converge. This is the stuff of the ancient storytellers and the tradition has persisted to this day where the hard reality of urban existence still involves coming to terms with life and death. A big, generous anthology. All in all, a magnificent thematic and hugely enjoyable anthology which proves that the Scottish short story has been and is a flourishing form.

Iain Crichton Smith, Scotsman **The Ball is Round** David Goldblatt, 2008-01-02
The definitive book about soccer from the author of *The Games: A Global History of the Olympics*. There may be no cultural practice more global than soccer. Rites of birth and marriage are infinitely diverse, but the rules of soccer are universal. No world religion can match its geographical scope. The single greatest simultaneous human collective experience is the World Cup final. In this extraordinary tour de force, David Goldblatt tells the full story of soccer's rise from chaotic folk ritual to the world's most popular sport, now poised to fully establish itself in the USA. Already celebrated internationally, *The Ball Is Round* illuminates soccer's role in the political and social histories of modern societies but never loses sight of the beauty, joy and excitement of the game itself.

Papers finds Captain Harry Flashman of Her Majesty's Secret Service in the antebellum South where the irrepressible globe trotting Victorian becomes the target of blackmailing beauties. Evading danger, bedding women and profiting from every opportunity, Flashman once again weasels his way into history this time in John Brown's raid of Harper's Ferry just before the Civil War. As a result of Flashy's leeching, lying, cheating and stealing on land, on sea and on the rails, not only did John Brown become a martyr, Lincoln became president and the nation plunged into a bloodbath. *A Floating Commonwealth*

Christopher Harvie, 2008-03-27 This is a new portrait of society and identity in high industrial Britain focusing on the sea as connector, not barrier. It argues that the port cities and their hinterlands formed a floating commonwealth whose interaction with one another and with nationalist and imperial politics created an intense political and cultural synergy. *The Oxford Companion to Twentieth-Century Literature in English*

Jenny Stringer, 1996-09-26 This is a unique new reference book to English language writers and writing throughout the present century in all major genres and from all around the world, from Joseph Conrad to Will Self, Virginia Woolf to David Mamet, Ezra Pound to Peter Carey, James Joyce to Amy Tan. The survivors of the Victorian age who feature in *The Oxford Companion to Twentieth Century Literature in English* writers such as Thomas Hardy, Olive Schreiner, Rabindranath Tagore, Henry James could hardly have imagined how richly diverse literature in English would become by the end of the century. Fiction, plays, poetry and a whole range of non-fictional writing are celebrated in this informative, readable and catholic reference book which includes entries on literary movements, periodicals and over 400 individual works as well as articles on some 2,400 authors. All the great literary figures are included, whether American or Australian, British, Irish or Indian, African or Canadian or Caribbean, among them Samuel Beckett, Edith Wharton, Patrick White, T.S. Eliot, Derek Walcott, D.H. Lawrence, Tennessee Williams, Vladimir Nabokov, Wole Soyinka, Sylvia Plath as well as a wealth of less obviously canonical writers from Anaïs Nin to L.M. Montgomery, Bob Dylan to Terry Pratchett. The book comes right up to date with contemporary figures such as Toni Morrison, Ben Okri, Salman Rushdie, Carol Shields, Tim Winton, Nadine Gordimer, Vikram Seth, Don DeLillo and many others. Title entries range from Aaron's Rod to *The Zoo Story*, topics from *Angry Young Men*, *Bestsellers* and *Concrete Poetry* to *Soap Opera*, *Vietnam Writing* and *Westerns*. A lively introduction by John Sutherland highlights the various and sometimes contradictory canons that have emerged over the century and the increasingly international sources of writing in English which the Companion records. Catering for all literary tastes, this is the most comprehensive single volume guide to modern and postmodern literature. **Catalog of Copyright Entries.**
