Generalist Practice in Larger Settings Thomas M. Meenaghan, W. Eugene Gibbons, 2000 *Generalist Practice in Larger Settings, Second Edition* Professor Emeritus in the Ehrenkranz School of Social Work Thomas M Meenaghan, Thomas M. Meenaghan, W. Eugene Gibbons, John G. McNutt, 2005-06 Throughout the book the authors help students logically develop practice with appropriate theoretical underpinnings and show them how they can be significant actors in larger systems The authors chose to stress the use of the generalist model with larger systems and create an overarching integrated social work theory In addition they integrate possible practice responses with selected relevant human behavior knowledge The authors stress critical thinking and problem solving which should help practitioners engage in relevant and accountable practices The authors believe that when social workers feel comfortable and capable doing macropractice they will then possess the necessary skills to help the community become empowered This affordably priced core paperback is structured to be supplemented by additional readings and a teacher's own thoughts and social work experiences *Generalist Practice in Larger Settings* Thomas M. Meenaghan, W. Eugene Gibbons, 2000 **Generalist Social Work Practice** Janice Gasker, 2018-10-17 Generalist Social Work Practice provides students with the foundational skills and knowledge needed to serve clients across micro mezzo and macro areas of practice Author Janice Gasker brings a focus on self reflection as the first stage in the planned change process and writes with the perspective that we consider work at all levels of practice simultaneously rather than in isolation In accordance with the 2015 Educational Policy and Accreditation Standards EPAS set forth by the Council of Social Work Education CSWE the planned change process is presented as dynamic and interactive providing students with a clear understanding of how each stage of the planned change process can be utilized at any point when serving a client system The text spotlights the distinctive characteristics of the worker their values attitudes and experiences that may influence client interaction The text also includes case studies collaborative learning exercises and critical thinking questions to help students apply concepts to practice HARDCASTLE:COMMUNITY PRACTICE 2E I/M P, 2004-05-24 This manual is intended to help instructors to make the text a more effective tool for teaching social work skills and theories in community practice It covers the basics of practice perspectives and specific techniques mirroring the main text chapter by chapter Replete with a creative array of exercises simulations audiovisual and other instructional aids this manual is designed to make the material come alive *School Social Work, Eighth Edition* Carol Rippey Massat, Michael S. Kelly, Robert Constable, 2020-05-08 School Social Work Practice Policy and Research has been a foundational guide to the profession for over 40 years The first comprehensive introduction to the field the book has featured the writings of the pioneers in the field while also accommodating the remarkable changes and growing complexities of the profession with each subsequent revision The profession continues to grow in both the US and internationally despite the ever present concerns surrounding limited resources budgets and social worker to student ratios Contemporary school social work takes place

throughout the whole school and community it takes place through policy change and it takes place with at risk students and their families as well as through individual and group work with students who struggle both emotionally and academically This book reflects the many ways that school social work practice impacts academic behavioral and social outcomes for both youths and the broader school community This revision features the contributions of 21 new scholars who bring their expertise in the field to this classic text There are ten all new chapters that reflect the current and emerging issues central to the profession and eight extensive revisions of chapters from the previous edition The eighth edition strengthens the book's focus on evidence informed practice and places all content within the context of the prevailing multi tiered model of school interventions

Instructor's Manual to Accompany Community Practice: Theories and Skills for Social Workers, 2nd Ed David A. Hardcastle, Patricia R. Powers, Stanley Wenocur, 2004-03 This manual is intended to help instructors to make the text a more effective tool for teaching social work skills and theories in community practice It covers the basics of practice perspectives and specific techniques mirroring the main text chapter by chapter Replete with a creative array of exercises simulations audiovisual and other instructional aids this manual is designed to make the material come alive

Using Evidence in Social Work Practice Harold E. Briggs, Harold Eugene Briggs, Tina L. Rzepnicki, 2004 This comprehensive text is designed to provoke discussion Part I raises questions about the ethics the nature of evidence and the role of theory in evidence based practice Chapters in the second part serve as models for developing practice aimed at addressing particular problems and client populations Part III raises practical issues in implementation Critical thinking is stressed throughout the collection

Participation in Community Work Anne Karin Larsen, Vishanthie Sewpaul, Grete Oline Hole, 2013-09-11 Participation is a key community work method and this text written by an international selection of authors covers innovative approaches in community based education and practice Including real life case studies of participatory practice it offers new definitions of community work organisation and development and will challenge and inspire all those involved in community work practice and research Divided into four parts Participation in Community Work begins by exploring theoretical aspects of participation and the co construction of knowledge including the ethics of participation The second part focuses on the potential of participatory learning and action research with chapters presenting key techniques followed by case studies The third part looks at power and participation addressing issues of inclusivity capacity and democracy building and giving examples from a range of research and field projects Finally the fourth part begins the discussion of new and emerging challenges for community work globally This unique book is suitable for students researchers and practitioners interested in participation and community development from a range of disciplines including community work itself through social work and youth work to health promotion
