

Generation Of 1898 In Spain

**Elizabeth Kohen, Josie Elias, Marie
Louise Elias**

Generation Of 1898 In Spain:

The Generation of 1898 in Spain Donald Leslie Shaw, 1975 Spain's 1898 Crisis Joseph Harrison, Alan Hoyle, 2000-08-12 This book examines the significance of probably the most famous year in modern Spanish culture 1898 which marked her defeat in the Spanish American War The editors have brought together 21 essays by international specialists in the field Manuel de Falla and Modernism in Spain, 1898-1936 Carol A. Hess, 2001 Although studies of Modernism have focused largely on European nations Spain has been conspicuously neglected As Carol A Hess argues in this compelling book such neglect is wholly undeserved Through composer Manuel de Falla 1876 1946 Hess explores the advent of Modernism in Spain in relation to political and cultural tensions prior to the Spanish Civil War The result is a fresh view of the musical life of Spain that departs from traditional approaches to the subject and reveals an open and constantly evolving aesthetic climate **The Spirit of Spain** Harold C. Raley, 2001 The Spirit of Spain brims with aperçus and revelations many of them controversial others startling all engrossing From Roman Hispania to the most recent Spanish trends Professor Raley narrates the unique story of Spanish civilization Examples of his original thinking include a phenomenology of Spanish history a new theory of the Spanish Renaissance new concepts of Spanish patriotism and nationalism and a reinterpretation of Spanish Stoicism As the book unfolds he also takes many sidelong looks into Hispanic America and offers a new explanation of Spain's relationship to Moslem Al Andalus and modern Europe The book culminates in a radical analysis of Quixotic life and its unsuspected significance for the post modern age **A Literary History of Spain** Royston O. Jones, 1975 **Short Stories by the Generation of 1898/Cuentos de la Generación de 1898** Miguel de Unamuno, Ramón del Valle-Inclán, Pío Baroja, Vicente Blasco Ibáñez, "Azorín", 2014-05-05 These 13 short stories by 5 authors of the era include 4 tales by Miguel de Unamuno along with the works of Valle Inclán Blasco Ibáñez Baroja and Azorín José Martínez Ruiz **The Generation of 1898 [eighteen Hundred Ninety-eight] in Spain** Donald L. Shaw, 1979 *The 1898 Movement in Spain* Herbert Ramsden, 1974 **Encyclopedia of World Writers, 1800 to the Present** Marie Diamond, 2020-07-01 In recent years schools have started introducing more inclusive syllabi emphasizing the works and ideas of previously overlooked or underrepresented writers Readers of all ages can now explore the rich contributions of writers from around the world These writers have various backgrounds and unlike most writers from the U S or the United Kingdom information on them in English can be difficult to find Encyclopedia of World Writers 1800 to the Present covers the most important writers outside of the U S Britain and Ireland since 1800 More than 330 insightful A to Z entries profile novelists poets dramatists and short story writers whose works are anthologized in textbooks or assigned in high school English classes Entries range in length from 200 to 1 000 words each and include a biographical sketch synopses of major works and a brief bibliography Dozens of entries are new to this edition and many existing entries have been updated and significantly expanded with new Critical Analysis sections Coverage includes Chinua Achebe Margaret Atwood Roberto Bolaño Albert

Camus Khalid Hosseini Victor Hugo Mohammad Iqbal Franz Kafka Stieg Larsson Mario Vargas Llosa Naghib Mahfouz Gabriel Garc a M rquez Kenzaburo Oe Marcel Proust Leo Tolstoy Emile Zola and more *Spain* Elizabeth Kohen, Josie Elias, Marie Louise Elias, 2013-08-01 This book explores the geography history government economy people and culture of Spain All books of the critically acclaimed Cultures of the World series ensure an immersive experience by offering vibrant photographs with descriptive nonfiction narratives and interactive activities such as creating an authentic traditional dish from an easy to follow recipe Copious maps and detailed timelines present the past and present of the country while exploration of the art and architecture help your readers to understand why diversity is the spice of Life World Literature in Spanish Maureen Ihrie, Salvador Oropesa, 2011-10-20 Containing roughly 850 entries about Spanish language literature throughout the world this expansive work provides coverage of the varied countries ethnicities time periods literary movements and genres of these writings Providing a thorough introduction to Spanish language literature worldwide and across time is a tall order However World Literature in Spanish An Encyclopedia contains roughly 850 entries on both major and minor authors themes genres and topics of Spanish literature from the Middle Ages to the present day affording an amazingly comprehensive reference collection in a single work This encyclopedia describes the growing diversity within national borders the increasing interdependence among nations and the myriad impacts of Spanish literature across the globe All countries that produce literature in Spanish in Europe Africa the Americas and Asia are represented covering both canonical authors and emerging contemporary writers and trends Underrepresented writings such as texts by women writers queer and Afro Hispanic texts children s literature and works on relevant but less studied topics such as sports and nationalism also appear While writings throughout the centuries are covered those of the 20th and 21st centuries receive special consideration Spain, Third Edition John A. Crow, 2005-05-10 A readable and erudite study of the cultural history of Spain and its people **The Writer's Experience** Peter G. Earle, 2006 These essays reflect a view admittedly skeptical of the movements isms and theories devised by many scholars in their reading of important writers Earle prefers to see Cervantes Miguel de Unamuno Gabriela Mistral and Garcia Marquez for example as basically autonomous Like most great authors they don t fit within trends Two words in this book s subtitle self and circumstance signal a concept of the writer s function in Spain and Hispanic America as primarily autobiographical and historical Ortega y Gasset s declaration Yo soy yo y mi circunstancia is really every writer s dictum particularly of those in the nineteenth and twentieth centuries who experienced in a vital way the ambiguities of the modern Hispanic World **Quixotism** Christopher Britt Arredondo, 2005-01-01 Exposes the cultural roots of Spanish fascism **The Generation of 1914** Robert WOHL, Robert Wohl, 2009-06-30 The generation of 1914 holds a special place in memory affection and myth In this irresistible and moving book Robert Wohl rescues it from the shadows of legend and brings it fully into the realm of understanding He tells the story of the young men the middle class elite of five European countries France Germany England Spain and Italy to recreate the

generational consciousness that united them as well as the unique national experience that made them different. These were men born at the end of the nineteenth century when the world of reason was disintegrating into a world of irrationality. They were destined to rule but their lives were interrupted by the greatest of wars leaving them searching for identity and historical continuity. Wohl recaptures this search through novels, poems, autobiographies, memoirs, sociological treatises, philosophical essays, university lectures, political speeches, conversations, when recorded letters, personal notebooks, and newspaper articles. His book is a brilliant study of European mentalities both collective and individual. Probing behind ideas to find the experience that inspired them, Wohl illuminates in unexpected ways the origins of World War I and its impact on its participants. His exploration of the consciousness of generational unity and the power of the generational bond enables him to place in a novel context the spread of pessimism and despair, the waning of liberal and humanitarian values, the rise of Communist and Fascist movements, and the sudden eruption of violence in Europe's progressive countries between the two world wars.

Historical Dictionary of Spain Angel Smith, 2017-12-29 Following Spain's transition to democracy in the 1970s, the country experienced rapid economic modernization, the establishment of a functioning liberal democracy, and a cultural renaissance. Along with rising living standards, over the following thirty years, ordinary Spaniards experienced massive improvements in the road and rail networks, in local amenities, from sporting facilities to centers for the aged, and in the public health system. As a result, by the start of the 20th century, Spaniards had largely overcome any sense of inferiority in comparison with other major western European countries and the United States. However, Spain was hit by a severe economic recession between 2008 and 2011, and unemployment levels are still very high. Moreover, a large number of corruption cases have come to light, and tensions between the central government and Catalan autonomous government have burst into open conflict. Restructuring the Spanish economy, ensuring probity in public life, and accommodating Catalonia within the Spanish state are therefore key tasks in the decade the lies ahead. This third edition of the *Historical Dictionary of Spain* contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has more than 700 cross-referenced entries on important personalities, as well as aspects of the country's politics, economy, foreign relations, religion, and culture. The book is an excellent resource for students, researchers, and anyone wanting to know more about Spain.

Merriam-Webster's Encyclopedia of Literature Merriam-Webster, Inc., 1995 Describes authors' works and literary terms from all eras and all parts of the world.

The Spanish Empire H. Micheal Tarver, Emily Slape, 2016-07-25 Through reference entries and primary documents, this book surveys a wide range of topics related to the history of the Spanish Empire, including past events and individuals, as well as the Iberian kingdom's imperial legacy. The *Spanish Empire: A Historical Encyclopedia* provides students, as well as anyone interested in Spain, Latin America, or empires in general, the necessary materials to explore and better understand the centuries-long empire of the Iberian kingdom. The work is organized around eight themes to allow the reader the ability to explore each theme through an overview essay and several selected

encyclopedic entries This two volume set includes some 180 entries that cover such topics as the caste system dynastic rivalries economics major political events and players and wars of independence The entries provide students with essential information about the people things institutions places and events central to the history of the empire Many of the entries also include short sidebars that highlight key facts or present fascinating and relevant trivia Additional resources include an introductory overview chronology extended bibliography and extensive collection of primary source documents *An Introduction to the Politics and Philosophy of José Ortega Y Gasset* Andrew Dobson, 2009-11-19 This book provides a general survey of the life and work of the Spanish philosopher and essayist Ortega y Gasset 1883-1955 author of the widely read *The Revolt of the Masses* Dr Dobson divides his study into sections devoted to Ortega's political thinking and to his philosophy rooting these in the context of contemporary Spain and discussing the wider implications of their influence He examines Ortega's position with regard to the Civil War his ambivalent espousal of socialism his emphasis on the importance of the select individual in the modernisation of society and creation of a *naci vital* the appropriation of his ideas by Primo de Rivera in the cause of fascism This book is intended to be accessible to both Hispanists and general readers with an interest in literature history intellectual and political thought and philosophy **A Picture of Modern Spain** John Brande Trend, 1921

Yeah, reviewing a ebook **Generation Of 1898 In Spain** could increase your close contacts listings. This is just one of the solutions for you to be successful. As understood, exploit does not recommend that you have astounding points.
