## **Generations Academic Feminists In Dialogue:**

**Generations** Devoney Looser, E. Ann Kaplan, In universities and colleges across the country feminists are debating their histories and future legacies Some older feminists accuse younger ones of being overly theoretical insufficiently political and ungrateful to previous generations The younger ones consider their foremothers naive or elitist **GENERATIONS** explores these conflicts and challenges between older and younger feminist scholars

**Generations** Devoney Looser, E. Ann Kaplan, 1997 In universities and colleges across the country feminists are debating their histories and future legacies Some older feminists accuse younger ones of being overly theoretical insufficiently political and ungrateful to previous generations The younger ones consider their foremothers naive or elitist **GENERATIONS** explores these conflicts and challenges between older and younger feminist scholars

**Feminist Waves, Feminist Generations** Hokulani K. Aikau, Karla A. Erickson, Jennifer L. Pierce, 2007 **Feminist Waves** **Feminist Generations** challenges the static figuring of feminist generations that positions the second wave of feminist scholars against a homogeneous third wave Based on life stories from contemporary feminist scholars this volume emphasizes how feminism develops unevenly over time and across institutions and ultimately offers a new paradigm for theorizing the intersections between generations and feminist waves of thought Contributors Sam Bullington U of Missouri Susan Cahn SUNY Buffalo Dawn Rae Davis U of Minnesota Lisa J Disch U of Minnesota Sara Evans U of Minnesota Elizabeth Faue Wayne State U Roderick A Ferguson U of Minnesota Peter Hennen Ohio State U at Newark Wendy Leo Moore Texas A Toni McNaron U of Minnesota Jean M O'Brien U of Minnesota Felicity Schaeffer Grabel U of California Santa Cruz Anne Firor Scott Duke U Janet D Spector U of Minnesota Amanda Lock Swarr U of Washington Seattle Miglena Todorova U of Minnesota Hokulani K Aikau is assistant professor of indigenous politics in the department of political science at the University of Hawai i at Manoa Karla A Erickson is assistant professor of sociology at Grinnell College Jennifer L Pierce is associate professor of American studies at the University of Minnesota

**Third Wave Feminism** S. Gillis, G. Howie, R. Munford, 2007-04-17 This revised and expanded edition new in paperback provides a definitive collection on the current period in feminism known by many as the third wave Three sections genealogies and generations locales and locations politics and popular culture interrogate the wave metaphor and through questioning the generational account of feminism indicate possible future trajectories for the feminist movement New to this edition are an interview with Luce Irigaray a foreword by Imelda Whelehan as well as newly commissioned chapters

**Theory and Application of the "Generation" in International Relations and Politics** B. Steele, J. Acuff, 2011-12-15 The generation has been largely forgotten in the fields of sociology and political science especially regarding global politics This volume re engages the concept of a generation utilizing it to explore how it can help us understand a variety of processes and patterns in International Relations and Comparative Politics

*Celebrity and the Feminist Blockbuster* Anthea Taylor, 2017-02-21 In the first book length study of celebrity feminism Anthea Taylor convincingly argues that the most visible feminists in the

mediasphere have been authors of bestselling works of non fiction feminist blockbusters *Celebrity* and *The Feminist Blockbuster* explores how the authors of these popular feminist books have shaped the public identity of modern feminism in some cases over many decades Maintaining a distinction between women who are famous because of their feminism and those who later add feminism to their brand Taylor contends that Western celebrity feminism as a political mode of public subjectivity cannot in any simple way be seen as homologous with other forms of stardom Moving deftly from the 1960s to the present focusing on how feminist authors have actively worked to manufacture their public personas she demonstrates that the blockbuster remains crucial to feminist celebrification but is now often augmented with digital media Advancing celebrity studies by placing the figure of the feminist front and centre *Celebrity and the Feminist Blockbuster* is essential reading for all those interested in gender popular feminism and the politics of renown

**Catching a Wave** Rory Dicker, Alison Piepmeier, 2016-02-01 Young women today have benefited from the strides made by grassroots social activists in the 1960s and 1970s yet they are hesitant to identify themselves as feminists and seem apathetic about carrying the torch of older generations to redress persistent sexism and gender based barriers Contesting the notion that we are in a post feminist age this provocative collection of original essays identifies a third wave of feminism The contributors argue that the next generation needs to develop a politicized collective feminism that both builds on the strategies of second wave feminists and is grounded in the material realities and culture of the twenty first century Organized in five sections that mirror the stages of consciousness raising this is an engaging often edgy look at a broad range of perspectives on the diversity complexity multiplicity and playfulness of the third wave It is also a call to action for new voices to redefine a feminism that is not only personally aware but also politically involved

Women's Studies on Its Own Robyn Wiegman, 2002-11-13 The future of a retheorized women s studies in an increasingly institutionalized context

The Feminist Classroom Frances A. Maher, Mary Kay Thompson Tetreault, 2001-04-11 The issues explored in *The Feminist Classroom* are as timely and controversial today as they were when the book first appeared six years ago This expanded edition offers new material that rereads and updates previous chapters including a major new chapter on the role of race The authors offer specific new classroom examples of how assumptions of privilege specifically the workings of unacknowledged whiteness shape classroom discourses This edition also goes beyond the classroom to examine the present context of American higher education Drawing on in depth interviews and using the actual words of students and teachers the authors take the reader into classrooms at six colleges and universities Lewis and Clark College Wheaton College the University of Arizona Towson State University Spelman College and San Francisco State University The result is an intimate view of the pedagogical approaches of seventeen feminist college professors Feminist scholars have demonstrated that American higher education has long represented a white male privileged minority The professors here bring together the twin upheavals that have challenged this tradition namely a rapidly changing student body and the more inclusive knowledge of feminist and multicultural

scholarship They uncover the voices concerns and experiences of groups hitherto marginalized in higher education women people of color and working class students Through concrete examples of classroom practice the work of these professors challenge the traditional split between knowledge and pedagogy that has long characterized higher education

**Not My Mother's Sister** Astrid Henry,2004-09-07 Rebellious generations and the emergence of new feminisms

**Cold War American Literature and the Rise of Youth Culture** Denis Jonnes,2014-09-04 Demands placed on many young Americans as a result of the Cold War give rise to an increasingly age segregated society This separation allowed adolescents and young adults to begin to formulate an identity distinct from previous generations and was a significant factor in their widespread rejection of contemporary American society This study traces the emergence of a distinctive post war family dynamic between parent and adolescent or already adult child In depth readings of individual writers such as Arthur Miller William Styron J D Salinger Tennessee Williams Vladimir Nabokov Jack Kerouac Flannery O Connor and Sylvia Plath situate their work in relation to the Cold War and suggest how the figuring of adolescents and young people reflected and contributed to an empowerment of American youth This book is a superb research tool for any student or academic with an interest in youth culture cultural studies American studies cold war studies twentieth century American literature history of the family and age studies

**Academic Pathfinders** Patricia J. Gumpert,2002-03-30 From the 1960s to the 1980s a range of academic possibilities for women developed as their career histories and intellectual biographies reveal Some women sought to generate a new knowledge specialty in their disciplines often explicitly defying admonishments that the subject matter was an oxymoron Others pursued academic paths that disregarded these new opportunities and developments Together their accounts portray how feminist scholarship emerged and was facilitated by historically specific conditions a critical mass of like minded women a national political movement an abundance of financial support for doctoral candidates a tolerance from established faculty for students to pursue the margins of disciplinary scholarship and an organizational capacity to add new academic categories for courses programs academic positions and extra departmental groups That historical era has since been supplanted by feminist infighting and backlash as well as more cost conscious academic management practices which have altered the academic landscape for knowledge creation Analyzing the accounts of academic women during this era yields a conceptual framework for understanding how new knowledge is created on multiple levels through personal reflection on life experiences disciplinary legacies local organizational contexts and wider societal expectations

**The Oxford Handbook of Feminist Approaches to the Hebrew Bible** Susanne Scholz,2020-12-31 The Oxford Handbook of Feminist Approaches to the Hebrew Bible brings together 37 essential essays written by leading international scholars examining crucial points of analysis within the field of feminist Hebrew Bible studies Organized into four major areas globalization neoliberalism media and intersectionality the essays collectively provide vibrant relevant and innovative contributions to the field The topics of analysis focus heavily on gender and queer identity with essays touching on African

Korean and European feminist hermeneutics womanist and interreligious readings ecofeminist and animal biblical studies migration biblical studies the role of gender binary voices in evangelical egalitarian approaches and the examination of scripture in light of trans women s voices The volume also includes essays examining the Old Testament as recited in music literature film and video games The Oxford Handbook of Feminist Approaches to the Hebrew Bible charts a culturally hermeneutically and exegetically cutting edge path for the ongoing development of biblical studies grounded in feminist womanist gender and queer perspectives

On the Feminist Philosophy of Gillian Howie Daniel Whistler, Victoria Browne, 2016-10-20 Over three decades Gillian Howie wrote at the forefront of philosophy and critical theory before her untimely death in 2013 This interdisciplinary collection uses her writings to explore the productive yet often resistant interrelationship between feminism and critical theory examining the potential of Howie s particular form of materialism The contributors also bring to this debate a serious engagement with Howie s late turn towards philosophies of mortality therapy and living with dying The volume considers how differently embodied subjects are positioned within public institutions discourses and spaces and the role of philosophy art film photography and literature in facing situations such as sexual oppression and life limiting illness

Popular Feminist Fiction as American Allegory J. Elliott, 2008-06-09 This book argues that popular feminist fiction provided a key means by which American culture narrated and negotiated the perceived breakdown of American progress after the 1960s It explores the intersection of two key features of late twentieth century American culture

**Telling Our Lives** Frida Kerner Furman, Linda Williamson Nelson, Elizabeth A. Kelly, 2005-06-09 Telling Our Lives explores how three working class women from Jewish African American and Irish American backgrounds connect across their differences through storytelling and conversation Three distinct voices intertwine in this book as the authors now college professors discuss family legacies of diaspora and dislocation analyzing how these have shaped their personal and professional lives Social class ethnicity gender sexuality and spirituality intersect and diverge in these pages as the authors reflect on how they have been enriched and transformed by the relationships forged in the process of storytelling

Mediating Australian Feminism Anthea Taylor, 2008 Helen Garner s *The First Stone* 1995 a non fictional book about a sexual harassment case at a University of Melbourne residential college captured and maintained the Australian media s attention in an unprecedented way Its publication sparked extensive media commentary regarding an alleged generational war within Australian feminism While talkback radio current affairs television and cultural events such as literary festivals and forums all took part in this heated public contest over the meanings of feminism this book reconsiders how the debate played out in the Australian print media Analysing texts as diverse as feature articles and opinion pieces non fiction by young feminists letters to the editor celebrity feminist profiles and articles as well as *The First Stone* itself this book offers the first in depth analysis of this debate as a media event Refusing to adopt either a condemnatory or celebratory approach to the complex relationship between feminism and media culture it argues that the *First Stone* media event is indicative of the

limitations and the opportunities proffered by the mediatization of contemporary feminism *Mediating Australian Feminism* provides insights that will be valuable to scholars interested in feminism journalism and news culture literary reception and the politics of media representation Racial Battle Fatigue Jennifer L. Martin, 2015-01-26 Covering equity issues of sex race class age sexual orientation and disability this work presents creative nontraditional narratives about performing social justice work acknowledging the contributions of previous generations describing current challenges and appealing to readers to join the struggle toward a better world Many would like to believe we are living as post racial America long past the days of discrimination and marginalization of people simply due to their race and minority status However editor Jennifer L Martin and a breadth of expert contributors show that prejudice and discrimination are still very much alive in the United States Sharing personal stories of challenges aggressions retaliations and finally racial battle fatigue these activists practitioners and scholars explain how they have been attacked in subtle shrouded and sometimes outright ways simply for whom and what they advocate social justice The stories within consist of discussions on the interconnections among equity issues sex race class age sexual orientation and disability Furthermore the work relates current events such as the banning of ethnic studies in Arizona and the shooting of Trayvon Martin to the battle for social justice Other topics addressed include the ongoing problems of white supremacist beliefs the challenges of teaching about the racist thinking that permeates our media and popular culture and the harms of aggressions faced by minorities and those possessing multiple minority status The unique narratives presented in this single volume work combine the various approaches to answering questions about not only the necessity of fighting for social justice but also the impact of the struggle on its champions *Third-Wave Feminism and the Politics of Gender in Late Modernity* S. Budgeon, 2011-10-04 This book critically assesses third wave feminist strategies for advancing a feminist politics of the self within the late modern postfeminist gender order a context where gender equality has been mainstreamed feminism has been dismissed and a neoliberal culture of self management has become firmly entrenched Reading Feminist Theory Susan Archer Mann, Ashly Suzanne Patterson, 2016 *Reading Feminist Theory From Modernity to Postmodernity* interweaves classical and contemporary writings from the social sciences and the humanities to represent feminist thought from the late eighteenth century to the present Editors Susan Archer Mann and Ashly Suzanne Patterson pay close attention to the multiplicity and diversity of feminist voices visions and vantage points by race class gender sexuality and global location Along with more conventional forms of theorizing this anthology points to multiple sites of theory production both inside and outside of the academy and includes personal narratives poems short stories zines and even music lyrics Offering a truly global perspective the book devotes three chapters and more than thirty readings to the topics of colonialism imperialism and globalization It also provides extensive coverage of third wave feminism poststructuralism queer theory postcolonial theory and transnational feminisms
