**The Making of the Nations and Cultures of the New World** Gérard Bouchard, 2008 Between the sixteenth and nineteenth centuries the Americas Australia and New Zealand emerged as nations Through conquest and violent appropriation European immigrants settled these lands and soon developed a sense of belonging most potently expressed in identity memory and the belief in utopias Many of these new collectivities or founding nations succeeded in breaking their colonial links to achieve political and cultural emancipation from their European mother country The Making of the Nations and Cultures of the New World explores the question of how a culture a collective imaginary is born G rard Bouchard compares the historical itineraries of New World collectivities which were driven by a dream of freedom and sovereignty and finds major differences as well as striking commonalities in their formation and evolution He also considers the myths and discursive strategies devised by the elites to unite and mobilize very diversified populations The first English translation of *Gen se des nations et cultures du Nouveau Monde* winner of a Governor General s Literary Award in 2000 this acclaimed book provides important insights for contemporary nations in crisis

**Genese Des Nations Et Cultures Du Nouveau Monde** Gerard Bouchard, Management and Diversity Jean-Francois Chanlat, Mustafa Özbilgin, 2017-10-20 International Perspectives on Equality Diversity and Inclusion examines the complex nature of equality diversity and inclusion in the world of work through interdisciplinary comparative and critical perspectives

**National Myths** Gérard Bouchard, 2013-05-02 National myths are now seriously questioned in a number of societies In the West for instance a number of factors have combined to destabilise the symbolic foundation of nations and collective identities As a result the diagnosis of a deep cultural crisis has become commonplace Indeed who today has not heard about the erosion of common values or the undermining of social cohesion But to efficiently address this issue do we know enough about the nature and role of myths in modern and postmodern societies Against this background *National Myths Constructed Pasts Contested Presents* relies on a sample of nations from around the world and seeks to highlight the functioning of national myths both as representations that make sense of a collectivity and as socially grounded tools used in a web of power relations The collection draws together contributions from international experts to examine the present state of national myths and their fate in today s rapidly changing society Can or must nations do without the sort of overarching symbolic configurations that national myths provide If so how to rethink the fabrics and the future of our societies This book will appeal to students and scholars interested in sociology national identity and memory studies myths shared beliefs or collective imaginaries

**Montreal, City of Water** Michèle Dagenais, 2017-11-15 Built within an exceptional watershed

Montreal is intertwined with the waterways that ring its island and flow beneath it in underground networks Even as the city has pushed its suburbs deeper into the interior of the island and onto the mainland the daily lives and leisure activities of its inhabitants remain closely bound to water Montreal City of Water focuses on water not only as a physical element of the landscape both shaping and shaped by urban development but also as a sociocultural component of the life of the city In exploring the dynamics governing the relationship between Montrealers and their environment this unique study considers the role of water in the production and transformation of urban space over two centuries It traces the history of urbanization and shines a light on current concerns about water pollution river rehabilitation and renewed public access to the riverfront and the power relations involved in addressing those concerns *Canada's Storytellers | Les grands écrivains du Canada*

dissents from four decades of scholarly writing on colonial Canada by taking the British imperial context rather than the North American environment as a conceptual framework for interpreting patterns of social and cultural life in the colonies prior to the 1850s Anchored in the new British history advanced by J G A Pocock David Armitage and Kathleen Wilson this collective work explores ideas institutions and social practices that were adapted and changed through the process of migration from the British archipelago to the new settlement societies Contributors discuss a broad range of institutional and social practices including education religion radical politics and family life Transatlantic Subjects offers a new perspective for the writing of Canada s history A self conscious response to the plea for a broader British history that includes the overseas settlement colonies it makes a significant contribution to the new cultural history of the British Empire Contributors include Bruce Curtis Carleton Michael Eamon Queen s Darren Ferry McMaster Donald Fyson Laval Michael Gauvreau McMaster Jeffrey McNairn Queen s Bryan Palmer Queen s J G A Pocock Johns Hopkins Michelle Vosburgh Brock Todd Webb Laurentian and Brian Young McGill

Visibly Canadian Karen Stanworth, 2014-11-01 Spectacular scientific and educational cultural practices were used to establish and define public identities in the British colonies of nineteenth century Canada In Visibly Canadian Karen Stanworth argues that visual representations were the era s primary mode of expressing identity and shows how the citizenry of Quebec and Ontario was or was not represented in the visual culture of the time Through nine case studies each representing key moments of identity formation and contestation Stanworth investigates how a broad range of cultural phenomena from fine arts to institutional histories to public spectacles were used to order resist and articulate identities within specific social and economic contexts The negotiation and planning underpinning civic culture are evident in rare moments of compromise such as the surprising proposal from the Saint Jean Baptiste Society to merge their annual parade with the celebration of Queen Victoria s Diamond Jubilee in 1897 Equally astounding is the scale of nineteenth century public spectacles reenactments of Victorian scenes of war often attracted crowds of upwards of 10 000 people Illustrated with over fifty images many unseen for over a century Visibly Canadian establishes the extraordinary significance of artwork and public spectacles in cutting across language religion and class to tell stories of nationhood belonging and difference

*Red, White, and Kind of Blue?* David Schneiderman, 2015-01-01 Situated between two different constitutional traditions those of the United Kingdom and the United States Canada has maintained a distinctive third way federal parliamentary and flexible Yet in recent years it seems that Canadian constitutional culture has been moving increasingly in an American direction Through the prorogation crises of 2008 and 2009 its senate reform proposals and the appointment process for Supreme Court judges Stephen Harper s Conservative government has repeatedly shown a tendency to push Canada further into the US constitutional orbit Red White and Kind of Blue is a comparative legal analysis of this creeping Americanization as well as a probing examination of the costs and benefits that come with it Comparing British Canadian and American constitutional traditions David Schneiderman offers a critical perspective on the Americanization of Canadian

constitutional practice and a timely warning about its unexamined consequences
