## Genesee Castle:

*Genesee Castle* Paul Bernard, 1970-01-01      **The Indian Wars of Pennsylvania** Chester Hale Sipe, 1929 ACCOUNTS OF INDIAN WARS INCLUDING THE INDIAN UPRISINGS FROM 1789 1795      *Rochester's 19th Ward* Michael Leavy, Glenn Leavy, 2005 Rochester's 19th Ward portrays one of the city's largest residential neighborhoods The initial settlement predating Rochester itself was called Castle Town It emerged around 1800 along the Genesee River where boatmen poled flat bottomed boats along a stretch of turbulence in the river known as the Rapids Out of this desolate community developed a streetcar suburb an elegant and vibrant neighborhood designed for the modern 20th century family Fine homes churches shops schools and industries arose between 1900 and 1930 and the 19th Ward quickly became a prestigious address for doctors professors and skilled laborers      *Grappling with Monuments of Oppression* Christopher C. Fennell, 2024-12-30 *Grappling with Monuments of Oppression* provides a timely analysis of the diverse approaches being used around the world to confront colonial and imperial monuments and to promote social equity Presenting 12 interdisciplinary international case studies this volume explores the ways in which the materiality of social domination can be combated With contributions from activists scholars artists and policymakers the book envisions the theme of restorative justice in heritage and archaeology as encompassing initiatives for the reconciliation of past societal transgressions using processes that are multivocal dialogic historically informed community based negotiated and transformative Arguing that monuments to historical figures who engaged in oppressive regimes provide rich opportunities for dialogue and negotiation chapters within the book demonstrate that by confronting these monuments citizens can envision new ways to address the context and significance of the figures they memorialize and the many people who were targets of their oppression Contributors to the book also provide a toolkit of methods and strategies for addressing the continuing structures of social domination *Grappling with Monuments of Oppression* will be essential reading for academics and students working in heritage studies archaeology anthropology material culture studies landscape analysis and museum studies It will also be of great interest to practitioners and activists around the world      Publication Fund Series Rochester Historical Society (Rochester, N.Y.), 1924      Publication Fund Series Rochester Historical Society, 1924      The Pictorial Field-Book of the Revolution, Vol I & II Benson John Lossing, 2021-08-30 Excerpt As my journey was among scenes and things hallowed to the feelings of every American I felt a hope that a record of the pilgrimage interwoven with that of the facts of past history would attract the attention and win to the perusal of the chronicles of our Revolution many who could not be otherwise decoyed into the apparently arid and flowerless domains of mere history I accordingly determined to make the record of the tour to the important localities of the Revolution a leading feature in the work Here another difficulty was encountered So widely scattered are those localities and so simultaneous were many of the events that a connected narrative of the journey must necessarily break up the chronological unity of the history and at times produce some confusion To give incidents of the journey and sketches and

descriptions of the scenery and relics as they appear at present in fragmentary notes would deny to the work the charm of a book of travel and thus almost wholly remove the prime object in view in giving such narrative The apparently less objectionable course was chosen and the history was broken into fragments arranged in the exhibition in accordance with the order in which each locality was visited the fragments individualized as much as possible yet always maintaining a tie of visible relationship with the whole The apparent difficulties in the way of the student which this plan suggests are removed by the aid of a complete Analytical Index at the close of the work while the narrative of the tour remains unbroken except by the continually recurring appendices of history How far this arrangement shall accomplish the desired result the candid judgment of the reader must determine
