## **Genesee Diary Report From A Trappist Monastery:**

The Genesee Diary Henri J. M. Nouwen, 1981-02-20 During his seven month stay in a Trappist monastery Henri Nouwen had a unique opportunity to explore crucial issues of the spiritual life and discover a quiet stream underneath the fluctuating affirmations and rejections of my little world Nouwen participated fully in the daily life of the Abbey of the Genesee in upstate New York in work and in prayer From the early weeks in the abbey dominated by conflicting desires and concerns to the final days of Advent when he finds a new sense of calm expectation Nouwen never loses his critical honesty Insightful compassionate often humorous always realistic The Genesee Diary is both an inspiration and a challenge to those who are in search of themselves The Genesee Diary beautifully lifts the heart and mind to God Christianity Today This is an extraordinary account of a man seeking inner peace and total commitment to God a fine portrait of cloistered life a beautifully written account of one man's soul searching Publisher's Weekly *The Genesee Diary* Henri Josef Machiel Nouwen, 1976 Genesee Diary Henri Nouwen, 2012-02-01 Report from a Trappist Monastery Just as a whole world of beauty can be discovered in one flower so the great grace of God can be tasted in one small moment This touching observation is central to the probing spiritual journal of Henri Nouwen recorded during this seven month stay in a Trappist monastery *Marriage Spirituality* R. Paul Stevens, 1989-12 The Spiritual Legacy of Henri Nouwen Deirdre LaNoue, 2000-10-01 In 1969 the year following the death of Thomas Merton Henri Nouwen published his first book *Who Reading Intimacy Essays in Pastoral Psychology* at the time could have guessed that its 37 year old Dutch priest author would become one of the most popular spiritual writers of the 20th century Unlike Merton whose strictly spiritual writings appealed almost exclusively to Roman Catholics Nouwen had an enormous following among Protestants as well as Catholics What was it about this man and his work that so resonated with the American psyche over the past thirty years In *The Spiritual Legacy of Henri Nouwen* Deirdre LaNoue analyzes Nouwen's voluminous writings in the context of his life and times providing a key to his more than forty individual books as well as a cogent summary of his contribution to the spiritual lives of millions of people The book includes a complete bibliography of Nouwen's writings as well as a Scripture index of his books

**Walking the Compassionate Road** Rev. Peter Devenish-Meaers, 2012-06-11 *Walking the Compassionate Road* is a deeply invitational book that calls us to stop examine and adjust what we do so as to be more aware mindful and caring of ourselves so as to be more compassionate towards others Drawing on monastic life and psychology the book offers practical tips and examples that urge us to reflect on what we do and perhaps more importantly who we are The author long experienced in walking alongside people who are busy or disaffected and who seek healing and meaning in their lives offers a unique perspective on a much sought after virtue compassion Self care humility and compassion are aged old steps towards wholeness The author offers an experiential approach that draws the best from psychology and spirituality in a way that the searcher the busy manager or the tired worker can all use what they need as they go *The Limits of Hospitality* Jessica

Wroblewski,2012-04-01 Practicing hospitality is central to building a civil society not to mention living a Christian life It can be enriching and joy filled but it can also be profoundly demanding and sometimes even dangerous In *The Limits of Hospitality* Jessica Wroblewski explores the ethical questions surrounding the practice of hospitality particularly hospitality that is informed by Christian theological commitments While there is no algorithm that distinguishes between ethically legitimate and illegitimate boundaries the variety of circumstances in which hospitality is relevant and the nature of hospitality itself make advocating firm and fixed boundaries difficult How much more so for Christians for whom the practice of hospitality should be a manifestation of agape a participation in God's eschatological welcome extended to all people through Jesus Christ Are limits to hospitality then merely a regrettable concession to our finite and fallen condition Wroblewski offers a rich theological reflection that will interest anyone who has a role in the practice of hospitality in community Whether such communities are families households churches educational institutions or nation states

**A Life Giving Way** Esther De Waal,2006-05-01 Is it surprising that a sixth century monastic text the Rule of St Benedict should be a guide for lay Christians living in today's world In fact the questions which St Benedict had to face are still questions which face us today How do I live with others With the world With myself With God How do I bring balance

into my life St Benedict speaks to the heart and this commentary approaches the Rule in a prayerful and reflective way It will help many people who today are seeking a contemplative centre in a busy life St Benedict s writing is steeped in scripture In the Middle Ages his rule was seen as a digest of the Bible It therefore crosses the divides of the church and speaks to

**Spiritual Masters for All Seasons** Michael Ford,2009 Every age needs figures of spiritual inspiration but in times of

recession and uncertainty they are essential in helping us to rise above despair and to search for God deep within ourselves In this new book Michael Ford invites four spiritual masters onto the same stage for the first time and shows how they speak not only to our own times but for all seasons Thomas Merton Henri Nouwen Anthony de Mello and John O Donohue all died suddenly at the height of their fame as spiritual masters but they continue to have immense followings What was their secret and why do their legacies endure Through unpublished interviews with some of the authors themselves encounters with their friends and reflections from readers who have been inspired by their writings Michael Ford journeys across the United States and Europe to assess their place in the world of contemporary spirituality He goes behind the scenes of the Abbey of Gethsemani in Kentucky to hear first hand from monks who were novices under Merton visits Lambeth Palace in London to discover Merton s influence on the Archbishop of Canterbury talks to people about how Nouwen the proverbial wounded healer helped them through depression because he had suffered himself speaks to Jesuits who worked with de Mello in India and tries to find out how close the international storyteller came to Buddhism and takes a walk with O Donohue through landscapes in rural Ireland that feature in such books as *Anam Cara* and discusses the appeal of Celtic spirituality Blending the spiritual with the journalistic Michael Ford presents four unique writers as *Spiritual Masters for All Seasons* *Let's Look Together* Wicks, Robert J., 2023-03-02 Spiritual mentoring advice inspired by the writings and life of renowned priest and author Henri Nouwen *Henri Nouwen and Soul Care* Wil Hernandez, 2008 In examining Henri Nouwen s approach to the ministry of soul care and spiritual formation at close range we can conclude that his holistic and integrative style is essentially drawn from his sophisticated understanding of the coinherence of spirituality with psychology ministry and theology Henri Nouwen s ministry is characterized by a ministry of integration primarily because he first of all embodied a spirituality of integration His ministry was but an overflow of his spirituality Unquestionably Nouwen ministered out of who he was as a person a person of deep integrity The author contends that Henri Nouwen s work of soul care and spiritual formation is never about techniques Neither is it about programs and curricula important as they are in ministry More importantly it is definitely not about roles even though multiple roles have been attached to his person *Impressively Free* Higgins, Michael W., Burns, Kevin, 2019 Explores the genesis and evolution of Nouwen s multi layered understanding of priestly ministry *The Essential Henri Nouwen* Henri Nouwen, 2009-12-01 We always have a choice to live the moment as a cause of resentment or as a cause for joy Henri Nouwen 1932 1996 The insights of Henri Nouwen have shown millions of people how to choose joy in any moment even moments full of pain and brokenness Few spiritual writers have ever spoken so powerfully and directly to the heart as he did in part because he compassionately bared his own soul and struggles to his readers but also because he deeply understood that God can be discovered in every aspect of ourselves even almost especially in the parts we find difficult to acknowledge This anthology of Nouwen s teaching covers all his major themes God love life death psychology woundedness healing and social action and is drawn from among his more than forty books It s the

perfect compact introduction to this brilliant and humble Catholic priest whom Christianity Today called one of the world's great spiritual writers
