A. Mathews, 1996 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **Genesis 1-11** Claus Westermann, 1984 *Genesis 1-11* Samuel L. Bray, John F. Hobbins, 2017 This translation of Genesis 1 11 follows the Hebrew text closely and leaves in what many translations leave out physicality ambiguity repetition even puns Bray and Hobbins also draw deeply from the long history of Jewish and Christian interpretation Their translation and notes offer the reader wisdom and delight Back cover **From Creation to Babel: Studies in Genesis 1-11** John Day, 2014-04-24 The stories of Genesis 1 11 constitute one of the better known parts of the Old Testament but their precise meaning and background still provide many debated questions for the modern interpreter In this stimulating learned and readable collection of essays which paves the way for his forthcoming ICC commentary on these chapters John Day attempts to provide definitive solutions to some of these questions Amongst the topics included are the background and interpretation of the seven day Priestly Creation narrative problems in the interpretation of the Garden of Eden story the relation of Cain and the Kenites the strange stories of the sons of God and daughters of men and of Noah s drunkenness and the curse of Canaan the precise ancient Near Eastern background of the Flood story and the preceding genealogies and the meaning and background of the story of the tower and city of Babel Throughout this volume John Day constantly seeks to determine the original meaning of these stories in the light of their ancient Near Eastern background and to determine how far this original meaning has been obscured by later interpretations **Genesis 1-11:26: The Christian Standard Commentary** Kenneth A. Mathews, 2023-06-15 Genesis 1 11 is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book thoughtfully balancing rigorous scholarship with practical application **The Wiersbe Bible Commentary: Old Testament** Warren W.

Ringe, 1998-01-01 In the critically acclaimed best seller Women s Bible Commentary an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women focusing on female charecters symbols life situations such as marriage and family the legal status of women and religious principles that affect relationships of women and men Now this expanded edition provides similar insights on the Apocrypha presenting a significant view of the lives and religious experiences of women as well as attitudes toward women in the Second Temple period This expanded edition sets a new standard for women s and biblical studies **The Message of Genesis 1-11** David J. Atkinson, 2022-01-04 Where do we come from What is our purpose In this BST commentary David Atkinson explores how the first eleven chapters of Genesis serve as an overture to the rest of the Bible With vivid insight Atkinson illuminates how the meaning of Genesis is still resonant today helping us understand both the greatness and the tragic flaw inherent in human beings Creation, Fall, and Flood Terence E. Fretheim, 1969 **Mercer Dictionary of the Bible** Watson E. Mills, Roger Aubrey Bullard, 1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus The Good Creator Shamai Gelandar, 1997 This work presents the Creation stories of Genesis 1 11 as an account of the mutual relationship between God and humankind Using a close reading methodology the author provides a literary and exegetical analysis of Genesis 1 11 The examination of the text s literary artistry evokes a re examination of some widely accepted assumptions about this text s theological perspective The sequence of the narrative is seen as motivated by God s inner struggle with two conflicting tendencies God s ultimate goodness and the principle of freedom of choice The author postulates that the question behind all of these stories is the extent to which God prefers the freedom of choice to all other virtues This question is seen as being pushed to escalating extremes reaching the brink of absurdity in the Tower and City narrative Thus the principle of freedom of choice and its repeated examination in the context of various conflicts forms the central thematic axis along which the Creation narrative unfolds and through which a coherent theology emerges which treats this principle as the most exalted of moral values **Genesis 1-11** Donald E. Gowan, 1988-09-13 Genesis 1 11 preserves a unique view of Bible history tracing the move from Eden an idyllic world fully in accord with the will of God to

Babel a fallen world desperately in need of salvation In this commentary Donald E Gowan demonstrates acute sensitivity and insight in focusing on the theological import of these familiar but often puzzling accounts showing them to be even more crucial for what they say to us about ourselves than for the information they record about individuals and events so very long ago Addressing such themes as the existence of evil and the threat of chaos human power and violence tension between the sexes and the breakdown of the family he remains ever conscious of the gospel as set forth in Genesis

The Yahwist's Landscape Theodore Hiebert, 1996-06-20 The present ecological crisis has created new interest in and criticism of biblical attitudes toward nature In this book Theodore Hiebert offers a comprehensive examination of the ideology of a single biblical author the Yahwist J writer of the oldest narrative sections of Genesis Exodus and Numbers Hiebert argues the importance of reading J in its ancient Near Eastern context His analysis incorporates evidence concerning the ecologies economies and religions of the ancient Levant drawn from recent work in archaeology history social anthropology and comparative religion Hiebert finds that despite the limitations of J's world view and the world in which it took shape J's ideology is relevant to contemporary efforts to frame a theology of ecology Particularly valuable are J's views of reality as unified and non dualistic humanity as limited and dependent nature and humanity as interrelated and holding sacred significance and agriculture as a context for an ecological theology

The Book of the Torah Thomas Wingate Mann, 1988-01-01 A sound piece of work Its holistic final form approach reflects the major trend in biblical criticism It is perceptive sensitive thoughtful and stimulation David Gunn Professor of Old Testament Columbia Theological Seminary

The Story of All Stories: Genesis 1-11 Darrell W. Johnson, 2019-02 The most basic and natural way we seek to understand who we are where we are what is wrong with us especially why we die and how we can be restored is by telling stories Every culture in every era in every part of the world has a story or stories by which people navigate the mystery of being human on earth In this series of expositions Darrell Johnson suggests that the first eleven chapters of Genesis what he and others maintain constitute the first half of the Bible help make sense of all our other stories for they speak to the fundamental questions we as in every age When we inhabit the story stories of Genesis 1-11 Johnson further suggests we come to realize just how good the good news of Jesus Christ is in the second half of the Bible Darrell W Johnson has been preaching the gospel for fifty years having served with churches in British Columbia California and the Philippines He has taught preaching and pastoral theology at Fuller Theological Seminary Carey College and Regent College where in his semi retirement he serves as teaching fellow He is the author of eight other books He and his wife Sharon have raised four children adopted from four different countries of the world and now enjoy eleven grandchildren
