Eschatology in Genesis Jonathan Huddleston, 2012 In this study Jonathan Huddleston examines Genesis as a rhetorical whole addressing Persian era Judean expectations While some have contrasted Genesis account of origins with prophetic accounts of the future literary and historical evidence suggests that Genesis narrates Israel s origins precisely in order to ground Judea s hopes for an eschatological restoration Promises to the ancestors semiotically apply to those who preserved composed and received the text of Genesis Judea imagines its mythic destiny as a great nation exemplifying and spreading blessing among the families of the earth Genesis vision of Israel s destiny coheres with the postexilic prophetic eschatology identifying Israel as a precious seed to carry forward promises of a yet to be realized creation fruitfulness *Subject Guide to Books in Print* ,1997

Capital Punishment in the Pentateuch Simon Skidmore, 2022-11-17 Through the application of mimetic theory Skidmore examines the social impact of capital punishment upon the community and explores the cathartic nature of this practice within key Pentateuchal texts Skidmore shows how Mimetic theorists such as Girard advance a view that a community ravaged by vengeance and blood feuds may be saved from extinction by scapegoating one of their own As the community select a common scapegoat and vent their collective violence upon this person peace and order are restored Though an in depth analysis of various passages Skidmore reveals this process in key Pentateuchal texts concerning capital punishment These observations suggest that biblical capital punishment may have functioned as a means of protecting the Israelite community by managing rivalry and violence The Comprehensive Commentary on the Holy Bible: Genesis-Judges William Jenks, 1835

Matthew's Christian-Jewish Community Anthony J. Saldarini, 1994-05-16 The most Jewish of gospels in its contents and yet the most anti Jewish in its polemics the Gospel of Matthew has been said to mark the emergence of Christianity from Judaism Anthony J Saldarini overturns this interpretation by showing us how Matthew far from proclaiming the replacement of Israel by the Christian church wrote from within Jewish tradition to a distinctly Jewish audience Recent research reveals that among both Jews and Christians of the first century many groups believed in Jesus while remaining close to Judaism Saldarini argues that the author of the Gospel of Matthew belonged to such a group supporting his claim with an informed reading of Matthew s text and historical context Matthew emerges as a Jewish teacher competing for the commitment of his people after the catastrophic loss of the Temple in 70 C E his polemics aimed not at all Jews but at those who oppose him Saldarini shows that Matthew s teaching about Jesus fits into first century Jewish thought with its tradition of God sent leaders and heavenly mediators In Saldarini s account Matthew s Christian Jewish community is a Jewish group albeit one that deviated from the larger Jewish community Contributing to both New Testament and Judaic studies this book advances our understanding of how religious groups are formed

The Genesis of Doctrine Alister E. McGrath, 1997-05 Alister E McGrath begins his book by critically engaging the views of George Lindbeck on doctrine before moving on to present a fresh understanding of the nature and

function of Christian doctrine within the church Particular attention is paid to the way in which doctrine acts as a demarcator between communities of faith providing important insights into contemporary ecumenical debates McGrath also explores the crucial issue of the authority of the past in Christian theology focusing especially on how doctrine serves to maintain continuity within the Christian tradition The Genesis of Doctrine represents an exploration of a middle way in relation to the significance of Christian doctrine rejecting both those approaches that insist on the uncritical repetition of the doctrinal heritage of the past and those that disallow the authority of past doctrinal formulations The book concludes by considering whether doctrine has a future within the church answering this question in the affirmative on the basis of a number of important theological and cultural considerations Product Description Explores the crucial issue of the authority of the past in Christian theology focusing especially on how doctrine serves to maintain continuity within the Christian tradition

Department of Bibliography,1978-11 *Thomas Swalwell* Anne T. Thayer,2025-04-17 The marginalia of Thomas Swalwell d 1539 in his many early printed books provide remarkable access to the interests and concerns of a typical late medieval English Benedictine monk Devout scholarly and busy he studies everything from how to assess tithes on sheep to theological differences between Muslims and Christians He is passionate about prayer preaching and clerical integrity while carrying significant administrative responsibilities within the Durham Priory In the early years of the Reformation his annotations reveal the impact of religious change and his response to it Illustrated with samples of Swalwell s marginalia and rare sheets of his manuscript notes this volume will be a welcome addition to the collection of anyone interested in monasticism the history of the book or early English Reformation history

The Formation of the Hebrew Bible David M. Carr,2011-10-12 In The Formation of the Hebrew Bible David Carr rethinks both the methods and historical orientation points for research into the growth of the Hebrew Bible into its present form Building on his prior work Writing on the Tablet of the Heart Oxford 2005 he explores both the possibilities and limits of reconstruction of pre stages of the Bible The method he advocates is a methodologically modest investigation of those pre stages utilizing criteria and models derived from his survey of documented examples of textual revision in the Ancient Near East The result is a new picture of the formation of the Hebrew Bible with insights on the initial emergence of Hebrew literary textuality the development of the first Hexateuch and the final formation of the Hebrew Bible Where some have advocated dating the bulk of the Hebrew Bible in a single period whether relatively early Neo Assyrian or late Persian or Hellenistic Carr uncovers specific evidence that the Hebrew Bible contains texts dating across Israelite history even the early

pre exilic period 10th 9th centuries He traces the impact of Neo Assyrian imperialism on eighth and seventh century Israelite textuality He uses studies of collective trauma to identify marks of the reshaping and collection of traditions in response to the destruction of Jerusalem and Babylonian exile He develops a picture of varied Priestly reshaping of narrative and prophetic traditions in the Second Temple period including the move toward eschatological and apocalyptic themes and genres And he uses manuscript evidence from Qumran and the Septuagint to find clues to the final literary shaping of the proto Masoretic text likely under the Hasmonean monarchy

The Corinthian Correspondence Frank W. Hughes, Robert Jewett, 2021-10-19 In *The Corinthian Correspondence* Frank W Hughes and Robert Jewett argue that there were eight original letters by the Apostle Paul to the church in Corinth In the first part of the book they use literary and redaction criticism to show the reasons for the partition theory of 1 and 2 Corinthians Analyzing each of the eight letters and letter fragments using rhetorical criticism they show how the original Corinthian letters were edited and reshaped into 1 and 2 Corinthians in the New Testament After reflections on the rhetoric of these letters and the historical meaning of the reshaping of the images of Paul a final chapter traces the consequences of the reshaping of the Corinthian correspondence and the adoption of the bound book codex instead of the original papyrus scrolls Several figures help the reader understand the redactional process and a new translation of the eight reconstructed Corinthian letters is provided

Daily Graphic J.K. Addo-Twum, 1978-04-19

On Earth As In Heaven James M. Scott, 2005 This volume argues essentially that for the Book of Jubilees a Jewish apocalyptic writing of the mid second century BCE the consummation of the ages will effect the restoration of sacred space and sacred time so that all things correspond to God s original will for the creation on earth as in heaven
