Wenham, 1994 [How God Forms Abraham to Be a Blessing](#) Qiang Fu, 2023-02-22 This book aims to understand God's interactions with Abraham in relation to God's command that Abraham be a blessing Gen 12 2d which is directly tied to God's goal that in you all the families of the earth will be blessed Gen 12 3b The book proposes a formative narrative approach to examine interactions between character and plot the movement of plot and the connection between sequential plots An analysis of thirteen Abrahamic narratives Gen 12 22 suggests a classification based on four different types of interactions between God and Abraham which indicate how cooperation and conflict between God and Abraham advance the narrative's plot The book then proposes a narrative discourse analysis to examine how Abraham evolved through different stages of the narrative by moving from deviation to cooperation Detailed analysis of this transformation process reveals three turning points in Abraham's life The formative narrative approach and narrative discourse analysis proposed in this book can contribute to the analysis of two important aspects of Old Testament narratives the formation of plot and the cause and effect structure in narrative discourse **Genesis 16-50, Volume 2** Gordon John Wenham, 2017-10-10 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they

The Understanding of Adultery in the Hebrew Bible Alexander Izuchukwu Abasili, 2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for today's couples *Jacob's Wealth* Paul Vrolijk, 2011-05-10 Various biblical studies on wealth and poverty have been published over the last thirty years Some of these studies touch on the wealth of the patriarchs in Genesis 12 50 but they focus predominantly on other parts of the Bible Scholars who have studied the patriarchal narratives in detail comment on aspects of patriarchal wealth but do not offer an in depth analysis of this topic This book on Jacob's wealth shows that such an analysis is warranted In the Jacob story material possessions and their associated attitudes and actions are essential to understand the various relationship dynamics Often possessions are the cause of conflict but they also play a role in conflict resolution As a result this study contributes to a fuller understanding of the Jacob cycle

Jacob's Story as Christian Scripture Philip H. Kern, 2021-01-06 Jacob is all too often underappreciated in works on biblical theology He nevertheless stands squarely in the line of promise and is the man who becomes Israel His blessings come not because he is virtuous but because God remains faithful In this his story contributes to the themes of Genesis and of the Pentateuch as a whole and extends into the life of the church Jacob's Story as Christian Scripture begins with a reading of Genesis 25 to 35 and then moves beyond the boundaries of Genesis to track the words he pronounces over his twelve sons Jacob's blessings give shape to Balaam's oracles and ultimately to subsequent prophecies concerning the lion of the tribe of Judah Prophetic appropriation of Jacob's story presented here via a fresh investigation of OT passages from

Jeremiah Obadiah Micah and others includes troubling elements of Jacob's character to indict the nation in the hope that God's people like the patriarch will stop being Jacob and become Israel

Figuring Resurrection Jeffrey Pulse, 2021-03-17 The death and resurrection of Joseph Towards the end of Genesis the narrative slows down to tell the story of Joseph There is no dispute that Joseph's story is unique but why does it deserve such focused attention And how does this story relate to the rest of Genesis In *Figuring Resurrection* Jeffrey Pulse presents the view that Joseph is a death and resurrection figure A close literary reading of Genesis 37-50 reveals that Joseph's story is one of rejection and restoration descent and ascent condemnation and exaltation exile and return death and resurrection Far from a lengthy diversion Joseph's story of death and resurrection plays an important role in the theology of Genesis and later Second Temple Jewish literature *Figuring Resurrection* has implications for our understanding of Joseph's narrative the book of Genesis Hebrew thinking on the afterlife and typology

Introducing a Hermeneutics of Suspicion Jo Henderson-Merrygold, 2024-06-13 A hermeneutics of suspicion challenges cisnormative presuppositions that shape and at times occlude the variations in gender and sex exhibited by key characters in the ancestral narrative of Genesis 12-50 It charts the progression from Paul Ricoeur's hermeneutics of suspicion through liberation feminist and queer approaches Focusing on Derrida's queer and trans hermeneutics Henderson-Merrygold then offers a new strategy for reading against fixed binary gender assumptions where a character's sex always matches that assigned at birth The initial case study addresses Sarah who is the proto matriarch of the ancestral narratives in Genesis Masculinities contrast with femininities and Sarah's own agency makes the picture of a consistent gender hard to identify By closely reading the text different facets of Sarah's story emerge to emphasise how much the narrative directs the reader towards a cisnormative reading However Henderson-Merrygold shows it is not only the images of Sarah as feminine woman and mother that remain visible The subject of the second case study Esau is regularly judged to be a hypermasculine character due to his bodily appearance but repeatedly fails to fulfil the expectations related to that appearance Though often condemned as a poor example of hyper masculinity a suspicious reading identifies a richer and more nuanced figure Attending to Esau's actions his rejection of the gendered expectations appears intentional allowing him to settle more comfortably into his own identity This project advocates for and demonstrates the value of creative interpretations of biblical texts that challenge both malestream and feminist gender assumptions

Sex, Wives, and Warriors Philip Francis Esler, 2011-06-09 Why and how should we read Old Testament narrative This book provides fresh answers to these questions First it models possible readers of the Bible religious and nonreligious professional and nonprofessional and the reasons that might attract them to it Second with the aid of Mediterranean anthropology it sets out an approach that helps us to interpret a selection of narratives with a cultural understanding close to that of an ancient Israelite Powerful stories such as those of Tamar and Judah in Genesis 38 Hannah in 1 Samuel 1 2 Saul and David in 1 Samuel David and Bathsheba in 2 Samuel 10 12 and Judith burst into new light when understood in closer relation to their original audience Interpreted in this way these narratives allow us to refresh the memory that links us with pivotal stories in Jewish and Christian identities they disclose more ample possibilities for being

Recognition and the Resurrection Appearances of Luke 24 Alexander Phillip Thompson, 2023-01-30 How are the resurrection appearances of Luke's Gospel shaped to offer a climax to the narrative How does this narrative conclusion compare to the wider ancient literary milieu Recognition and the Resurrection Appearances of Luke 24 proposes that the ancient literary technique of recognition offers a compelling lens through which to understand the climatic role of the resurrection appearances of Jesus as depicted in Luke 24 After presenting the development of recognition in ancient Jewish and Greco-Roman literature Thompson demonstrates how Luke 24 deploys the recognition tradition to shape the form and function of the resurrection appearances The ancient recognition tradition not only casts light on various literary and theological features of the chapter but also shapes the way the appearances function in the wider narrative By utilizing recognition Luke 24 generates cognitive affective commissive and hermeneutical functions for the characters internal to the narrative and for the audience The result is a compelling climax to Luke's Gospel that resonates with Luke's wider literary and theological themes This work offers a compelling analysis of the Luke's Gospel in the ancient literary context in light of the ancient technique of recognition that will appeal to those interested in narrative approaches to the New Testament or the interpretation of the New Testament in the wider literary milieu

Yahweh's Elegant Speeches of the Abrahamic Narratives Matthew Michael, 2014-05-14 This work is a study in the attribution aesthetics and representations of Yahweh's speeches in the Hebrew Bible It describes the literary elegance and beauty of the speeches of Yahweh in the Abrahamic narratives Employing a synchronic reading of the Abrahamic cycle it underscores the presence of various literary devices in the divine speeches 12:1-9 13:1-18 15:1-21 17:1-27 18:1-33 and 22:1-19 Specifically it engages the high concentration literary effects and use of metaphors metaphoric language similes alliterations wordplays euphemisms hyperboles repetitions allusions and other distinctive literary features in the speeches of Yahweh which are deliberately

denied and glaringly absent in the speeches of the other main characters of the Abrahamic narratives e.g. Abraham, Sarah and Hagar. Similarly, it demonstrates the importance of these elevated speeches in the narrative world of Abrahamic epic. Most importantly, it also highlights the ideological significance of these decorated speeches of Yahweh to the original audience of the narrator who presumably identified with their excessive optimism and rhetoric. Consequently, this book is a pioneering work in the contemporary study of stylistics, characterizations and functions of attributed speeches in the Hebrew narratives.
