Putting People First and Global Rights Governance (English Edition) 中国政法大学中国
Society for Human Rights Studies, 2024-04-01. *Putting People First and Global Human Rights Governance* is a collection of papers from the 2021 South South Human Rights Forum compiled by the China Society for Human Rights Studies (CSHRS). Under the theme of "People First and Global Human Rights Governance," the book focuses on four sub-topics: namely, Building a Global Community of Health for All and Protecting Human Rights, Anti-poverty and Realization of the Right to Development, Multilateralism and Global Human Rights Governance, and The Role of Developing Countries in Global Human Rights Governance. In-depth discussions have been held, and a broad consensus has been achieved. The book fully reflects the mainstream voices and academic achievements of the Forum, accurately conveys the human rights views and practices of China and other developing countries in respecting and protecting human rights, and plays a positive role in promoting global human rights governance. 2021.

International Relations: A European Perspective Professor Mario Telò, 2013-03-28. *International Relations: A European Perspective* presents the main schools of international relations while underlining the added value of the European approach. Contrary to US or East Asian perspectives, a European viewpoint adopts a critical approach to traditional cleavages. The author demonstrates the added value of a European approach to international relations, taking into account both the shortcomings and achievements found within European history and current European unity. Key themes include the evolution of state sovereignty, regional cooperation between previous enemies, political impact of economic integration, regimes building international rule setting, institutionalization of international relations, and the weight of ideas and perceptions by transnational cooperation. This comprehensive assessment takes into consideration every school of international relations, critically presented from this original perspective, and as such makes the book ideal for courses on international relations.
