Nault,2012 Published twice yearly the Asia Journal of Global Studies AJGS is the official journal of the Asia Association for Global Studies AAGS The journal features research articles on Asia and other world regions from an Asian perspective Multidisciplinary in scope AJGS accepts contributions from authors with backgrounds in the humanities and social sciences The journal encourages historians political scientists sociologists anthropologists linguists philosophers and others to submit their work for consideration It particularly welcomes research that dissolves academic boundaries looks beyond traditional notions of the nation state and aims for a holistic view of the past present and future

China's Global Identity Hoo Tiang Boon,2018-11-01 China is today regarded as a major player in world politics with growing expectations for it to do more to address global challenges Yet relatively little is known about how it sees itself as a great power and understands its obligations to the world In China s Global Identity Hoo Tiang Boon embarks on the first sustained study of

China's great power identity Focus is drawn to China's positioning of itself as a responsible power and the underestimated role played by the United States in shaping this face In 1995 President Bill Clinton notably called for China to become a responsible great power one that integrates itself into existing international institutions and becomes a leader in solving global problems Chinese leaders were at that time already debating their future course and obligations to the world Hoo examines this ongoing internal debate through Chinese sources and reveals the underestimated role that the United States has in this dialogue Unraveling the big power politics history events and ideas behind the emergence and evolution of China's great power identity the book provides fresh insights into the real world issues of how China might use its power as it grows The question of China's role as a responsible power has real world implications for its diplomacy and trajectory as well as the responses of states adjusting to these shifts The book offers a new lens for scholars policy professionals diplomats and students in the fields of international relations and Asian affairs to make sense of China's rise and its impact on America and global order

Moving Forward On the Path of Global Studies Charles Xia, 2018-04-23 May I ask where the path is It is where you take your first step This book contains some articles during my graduate level All articles selected to this book are pertinent to international relations in different fields such as political science economic development and cultural exchange which include liberalism and international organizations globalization development of urbanization as well as bilateral and multilateral relationship between China and other major countries in the globe I want to take this opportunity to thank all professors who guided my research Meanwhile the purpose of publishing this book is inspiring me to continue making a positive contribution on my future academic research I also look forward to feedbacks from readers Finally I hope this book will be instrumental for my

colleagues who are currently studying international relations to better pursue their dreams **Proceedings of the International Conference on Strategic and Global Studies (ICSGS 2024)** Ibrahim Kholilul Rohman, Wu Zhaoyang, Mohammad Izdiyan Muttaqin, Ismail Suardi Wekke, Irene Sondang Fitritinitia, 2025-01-31 This is an open access book The pandemic turned to endemic has pushed many countries in the world to digitalize almost all sectors in order to accelerate the development Every crisis moments create momentum of opportunity to revive and reawaken the hidden potencies of nations Instead of given thought about the digital culture the social changes rapidly occurred The discourses of digital security cyber threats monetization crypto currency big data internet of things IoT artificial intelligence AI and social media had taken us concern about future generations The very existence of AI application distorts the academic world too where the difference of human and bot could hardly determine Chat GPT also opened academic eyes where the human analytics skill would perish against the advancement of technology that could provide more precise answers despite lack of wisdom Alipay has turned MSMEs to wider market and reach even small villagers to allow opportunity reach them Gojek eases the burden of stagnancy in making affordable and comfortable public transportation where at the same time reduce the traffic frequency Would everyone be fitted with the recent situation or still some country left behind Whereas for some parts of the world the very basic needs like electricity elementary education clean water healthy food and secure shelter are still luxurious and hard to access for certain part of the world The gap disparity remains and recent world order is not everyone's favor or answer for all problems Meanwhile the attack of HAMAS to the Israeli shocked the world when the Operation Aqsa Flood launched in 7th of October 2023 days gone by the casualties mounted and the psychology of Palestinian disturbed to the extent incurable Worse things worst Iran retaliates Israel after the attack to its consulate in Syria The international society and global politics failed to show solidarity amidst the humanitarian catastrophe in Palestine where Western alliance continuously rejected the cease fire in the UNGA The US as the global power failed to show its quality as the world leader which prove the political constellation moved to the multipolarity The injustice still persists and the voice to transform world order in UN resonates The consequence lies on the transformation of global security where each nations pursue its own weaponization to ensure its national survival and well being in the face of uncertainty and unpredictable threats The opportunity arises in the sector of global halal industry The player is not only Muslim countries but non Muslim countries are taking part The industry expanded from food to banking and financial system as well as tourism and fashion Countless exhibition in regards with halal industry appeared and triggered more expansion in market as the global expense in halal industry significantly increased This conference will become the melting pot of brilliant idea and push forward the solution to the global problem by making strategic decision into useful resource for all to solve the matters Implications, Prospects, and Challenges in China's Global South Strategy Yazdani, Enayatollah, 2025-06-04 China's Global South strategy emerges as a critical aspect of foreign policy deepening ties with developing nations across Asia Africa Latin America and the Middle

East This strategic engagement carries significant geopolitical and economic implications even as China positions itself as an alternative to Western led governance Through initiatives like infrastructure investments trade partnerships and digital diplomacy China seeks to expand its influence and secure access to markets and resources critical to its long term growth However the approach is not without challenges Rising debt concerns local resistance to Chinese investments and geopolitical pushback present obstacles to China s ambitions Navigating the diverse political economic and cultural landscapes of Global South nations requires nuanced diplomacy and sustainable engagement models Strategic success may depend on China s ability to adapt its approach to meet its strategic goals and partner nation s expectations Implications Prospects and Challenges in China s Global South Strategy explores China s Global South policy in a globalized world It examines the complexities of modern international relations and various strategies to enhance global strategies and influence This book covers topics such as policymaking postcolonialism and geopolitics and is a useful resource for policymakers government officials politicians business owners economists academicians researchers and scientists The World in 2020 According to China SHAO Binhong,2014-06-26 Where do we see China s changes What are the guiding principles behind these changes Are China s diplomatic policies and international strategies more reflective of its own national conditions or international trends How will China balance its ideology with national interests How does China see the current international order and its new position within the existing order Besides answering these basic questions this volume considers two other important issues First the future of China after its era of continuous high speed growth and second the all important question in China s foreign affairs the future of Sino US relations 2013 was China s first year under new leadership and there is a consensus amongst researchers of China s international affairs that the diplomatic practices China undertook to a great extent demonstrated new characteristics perspectives and requirements of the new leadership Reconstructing China's Participation in the Global Order SHAO Binhong,2018-07-17 How does China reconstruct its participation in the global order What is the theoretical framework of global governance What are the new challenges for China What is China s diplomatic strategy in the transformation of the international structure How will China and the US evolve under Two Orders How does China deal with the South China Sea and North Korea nuclear issues What is the reform of RMB exchange rate regime Will the Asian Infrastructure Investment Bank be a watershed of power transition between China and the United States in the Asia Pacific This volume gathers a collection of translations of influential essays speeches and papers on Chinese foreign policy national security and foreign economic relations written by Chinese scholars Many papers have also served as propositions for policy prescriptions to China s leaders the vast majority of which have to date only been available in Chinese **China's Digital Expansion in the Global South** Richard Heeks,Christopher Foster,Ping Gao,Xia Han,Nicholas Jepson,Seth Schindler,Qingna Zhou,2024-12-16 For those wanting to understand implications for the Global South of China s emergence as a digital superpower this book analyses China s digital impact in Latin America North Africa and Asia covering

issues including platforms e commerce technology transfer and digital surveillance It also incorporates a major literature review that outlines a six part future research agenda At the intersection of China s growing global presence and growing digital power lies its digital expansion in the low and middle income countries of the Global South Worth billions of USD annually in trade and investment and having a significant impact on these countries social and economic development this phenomenon has been relatively ignored by researchers to date This major new volume provides significant new insights that help advance our knowledge of this important topic A systematic review of literature identifies key issues within the field and outlines a six part future research agenda Those issues are then explored in greater depth reviewing the relationship between activities of Chinese platform firms the state s Belt and Road Initiative and local context in the Global South investigating the activities of Alibaba as it has sought to grow its operations in Mexico analysing whether two Chinese tech giants Huawei and ZTE are contributing to an upgrading of local technological capabilities in Algeria and Egypt and digging behind portrayals of China exporting digital authoritarianism to understand the realities of surveillance system exports to countries in Latin America Overall the book fills important gaps in our understanding of China s digital expansion in the Global South and challenges preconceptions and one sided views of this major recent activity It was originally published as a special issue of The Information Society

Global Studies China Introduction

In today's digital age, the availability of Global Studies China books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Global Studies China books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Global Studies China books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Global Studies China versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Global Studies China books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Global Studies China books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Global Studies China books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Global Studies China books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Global Studies China books and manuals for download and embark on your journey of knowledge?
